**Personal History:** For the last eight years I have been involved with the community as a Home Owners Association director. I also serve as volunteer in Post 412 of the American Legion in Lake Nona. I have attended the O.C. Sherriff civilian academy and also the O.C. Mayor Academy and learned a lot of how government works. Retired honorably from the Air National Guard after 28 years of service, where I performed duties as a radar technician, with a Secret clearance. As a civilian, I worked for 34 years in a government agency where I retired as Director of the Applications development Division, where I supervised 12 employees. From 2006 to 2016, I also worked as professor of Information Systems for various universities in Puerto Rico. I believe that my civilian and military experiences, plus my experience as community volunteer, have given me the skills necessary to work on any of the chosen boards. I am also a licensed attorney for the state of Florida.
