SUBJ: **Authorization to record the plat for Beggs Road**

Beggs Road, from North Apopka Boulevard running west approximately 1000 feet, is a County maintained road. Within this area are two sections of sidewalk that are outside of the right-of-way limits and are required for the Coast to Coast Trail. The Roads and Drainage Division has a long documented history of maintaining the roadway and sidewalks in this area. In accordance with Florida Statutes, Section 95.361, when a County or Municipality regularly maintains or repairs a road for the immediate past seven years, such road shall be deemed to be dedicated to the public to the length and width that was actually maintained. In accordance with this Statute, and based on our records, the Public Works Department has prepared a plat map depicting the area of Beggs Road that has been maintained by the County. Approval and recording of this plat map will vest all right, title, and easement over this section of road to Orange County.

**Action Requested: Approval to record the plat for Beggs Road. District 2.**
