SUBJECT: September 12, 2023 – Work Session Item
Sustainability and Resilience Emerging
Trends

Handwritten initials "CB" inside a hand-drawn circle.

On May 23, 2023 the annual sustainability update was given to the Board, primarily focusing on the progress of the Orange County Sustainable Operations & Resilience Action Plan which focuses on County operations and services. Following the presentation there were questions about the solar and vehicle electrification transition. This is a follow-up presentation addressing these topics.

This item is for informational purposes only; no action is required.
