RESOLUTION NO. 2026-__-__

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA, THAT:

SECTION 1. AUTHORITY. This Supplemental Resolution is adopted pursuant to Article VIII, Section 1 of the Constitution of the State of Florida, Chapter 125, Florida Statutes, the County Charter, Resolution No. 92-B-06 adopted by the Board of County Commissioners of Orange County, Florida (the "Board") on June 12, 1992, as amended and restated on March 15, 2016 (the "Bond Resolution"), and other applicable provisions of law (collectively, the "Act").

SECTION 2. DEFINITIONS. All terms used herein in capitalized form that are defined in the Bond Resolution shall have the same meanings as are ascribed to those terms in the Bond Resolution, unless a different or additional meaning is given to those terms herein. In addition to the definitions provided in the Bond Resolution, as used herein, the following terms shall have the meanings indicated below unless the context clearly requires otherwise:

"2026 Project" means (A) the capital improvements to the System described in EXHIBIT A attached hereto, and (B) such other capital projects relating to the System approved by the Board from time to time by inclusion in the capital improvement plan for the System.

"Award Certificate" means the certificate of the Mayor or County Administrator awarding the Series 2026 Bonds and setting forth certain other matters pursuant to Section 7 hereof.

"Board" means the Board of County Commissioners of the County.

"Bond Resolution" means Resolution No. 92-B-06 adopted by the Board on June 12, 1992, as amended, restated and supplemented, in particular as amended and restated by Resolution No. 2016-B-02 adopted on March 15, 2016.

"Comptroller" means the County Comptroller acting in such capacity or as ex officio Clerk to the Board and, in the absence or unavailability of the Comptroller, any Deputy Comptroller or Deputy Clerk, as the case may be, or such other person as may be authorized to act on behalf of the Comptroller.

"County Administrator" means the County Administrator of the Issuer and in his or her absence, any Deputy County Administrator of the Issuer, or such other officer or respective officers of the Issuer as may at the time be performing the duties assigned to the County Administrator.

"DTC" means The Depository Trust Company, its successors and assigns.

"Interest Dates" shall mean the dates set forth in Section 5 hereof.

"Issuer" means Orange County, Florida, and also includes any authority or other governmental entity to which may hereafter be transferred some or all of the powers and responsibilities of the Issuer with respect to the ownership, financing, operation, enlargement, improvement and maintenance of the System.

"Mayor" means the Mayor of the Issuer or in their absence, the Vice-Mayor, or such other officer or designee of the Mayor of the Issuer as may at the time be performing the duties assigned to the Mayor.

"Official Notice of Sale" means the Official Notice of Bond Sale substantially in the form attached hereto as EXHIBIT B.

"Registrar" or "Paying Agent" means any bank or trust company designated as such by the Mayor or County Administrator pursuant to Section 8 hereof.

"Series 2026 Bonds" means the Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2026.

"System" shall have the meaning set forth in the Bond Resolution.

"Underwriters" mean the successful bidders of the Series 2026 Bonds.

Words of masculine gender include correlative words of the feminine and neuter genders. Unless the context shall otherwise indicate, words importing singular number shall include the plural number in each case and vice versa, and words importing persons shall include corporations and associations, including public bodies, as well as natural persons.

SECTION 3. FINDINGS. It is hereby ascertained, determined and declared that:

(A) The Board adopted the Bond Resolution for the principal purpose of issuing Bonds to finance improvements to the System and other purposes described therein.

(B) The Board adopted Resolutions 2024-M-21 on July 30, 2024 and 2026-M-03 on January 13, 2026, to declare its intent to incur various costs related to the acquisition, construction and equipping of certain capital improvements to the System and reimburse itself for such costs from a future issuance of debt. Such expenditures have been made and/or are expected to be made from moneys on deposit in the Water & Wastewater System Fund of the Issuer, including but not limited to amounts deposited therein as a result of interfund loans. The expenditures to be reimbursed shall be consistent with the Issuer's budgetary and financial policy as being the type of expenditures which shall be paid on a

long-term basis. It is the intent that this finding meets the requirements of Treasury Regulations Section 1.150-2 and be a declaration of official intent under such Section.

(C) The Issuer hereby determines that certain capital improvements should be acquired, constructed and equipped with respect to the System in order to improve the health, safety and welfare of the inhabitants within the Issuer's geographic boundaries. Such capital improvements are referred to as the "2026 Project" and are generally described in EXHIBIT A hereto and are more particularly described in the records, plans and specifications on file with the Issuer. The 2026 Project may be amended or supplemented from time to time by the Board in accordance with the provisions of the Bond Resolution.

(D) The principal of and interest on the Series 2026 Bonds to be issued pursuant to the Bond Resolution and this Supplemental Resolution, and all other payments provided for in this Supplemental Resolution will be paid solely from the Pledged Funds (except as to amounts on deposit in the Reserve Account) in accordance with the terms of the Bond Resolution and hereof. The ad valorem taxing power of the Issuer will never be necessary or authorized to pay the principal of and interest on the Series 2026 Bonds, or to make any other payments provided for in this Supplemental Resolution, and the Series 2026 Bonds shall not constitute a lien upon the System or upon any other property whatsoever of the Issuer, other than the Pledged Funds as further described and limited herein.

(E) The Issuer deems it to be in its best interest to issue its Series 2026 Bonds for the principal purpose of financing and/or reimbursing the Costs of the acquisition, construction and equipping of the 2026 Project.

(F) In accordance with Section 218.385, Florida Statutes, and pursuant to this Supplemental Resolution, the Series 2026 Bonds shall be advertised for competitive bids pursuant to the Official Notice of Sale, the form of which is attached hereto as EXHIBIT B.

(G) Pursuant to the Official Notice of Sale, any competitive bids received in accordance with the Official Notice of Sale shall be publicly opened and announced.

(H) It is desirable for the Issuer to be able to advertise and award the Series 2026 Bonds at the most advantageous time and date which shall be determined by the Mayor or County Administrator; and, accordingly, the Board hereby determines to delegate the advertising and awarding of the Series 2026 Bonds to the Mayor or County Administrator within the parameters described herein.

(I) It is necessary and appropriate that the Board determine certain parameters for the terms and details of the Series 2026 Bonds and to delegate certain authority to the Mayor or County Administrator for the award of the Series 2026 Bonds and the approval of the terms of the Series 2026 Bonds in accordance with the provisions hereof, of the Bond Resolution and of the Official Notice of Sale.

(J) In the event Bond Counsel to the Issuer shall determine that the Series 2026 Bonds have not been awarded competitively in accordance with the provisions of Section 218.385, Florida Statutes, the Board may adopt such resolutions and make such findings as shall be necessary to authorize and ratify a negotiated sale of the Series 2026 Bonds in accordance with said Section 218.385, Florida Statutes.

(K) The form, terms and details of the Series 2026 Bonds shall be determined in accordance with this Supplemental Resolution and the Bond Resolution.

(L) The Bond Resolution provides that the Bonds shall mature on such dates and in such amounts, shall bear such rates of interest, shall be payable in such places and shall be subject to such redemption provisions as shall be determined by Supplemental Resolution adopted by the Issuer; and it is now appropriate that the Issuer set forth the parameters and mechanism to determine such terms and details.

(M) The Series 2026 Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision but shall be special obligations of the Issuer, payable solely from and secured by a lien upon and pledge of the Pledged Funds (except as to amounts on deposit in the Reserve Account), in the manner and to the extent provided in the Bond Resolution.

(N) The covenants, pledges and conditions in the Bond Resolution shall be applicable to the Series 2026 Bonds herein authorized and said Series 2026 Bonds shall be on a parity with and rank equally as to the lien on and source and security for payment from the Pledged Funds (except as to amounts on deposit in the Reserve Account) and in all other respects with any Additional Bonds issued under the Bond Resolution.

SECTION 4. AUTHORIZATION OF THE FINANCING OF THE 2026 PROJECT. The Issuer hereby authorizes the financing and/or reimbursing of all or a portion of the Costs of the 2026 Project subject in all respects to the award of the Series 2026 Bonds in accordance with this Supplemental Resolution and the Official Notice of Sale.

SECTION 5. AUTHORIZATION AND DESCRIPTION OF THE SERIES 2026 BONDS; REDEMPTION PROVISIONS. Subject to the requirements set forth in Section 7 hereof, the Issuer hereby authorizes the issuance of a Series of Bonds in the aggregate principal amount not to exceed \$260,000,000 (the "Maximum Par Amount") to be known as the "Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2026" (or such other designation as the Mayor or County Administrator may determine), for the principal purpose of financing and/or reimbursing Costs of the 2026 Project. The aggregate principal amount of the Series 2026 Bonds to be issued pursuant to the Bond Resolution shall be determined by the Mayor or County Administrator provided such aggregate principal amount does not exceed the Maximum Par Amount. The Series 2026 Bonds shall be dated their date of delivery (or such other

date as shall be determined by the Mayor or County Administrator), shall be issued in the form of fully registered Bonds in denominations of \$5,000 or any integral multiple thereof, shall be numbered consecutively from one upward in order of maturity preceded by the letter "R", shall bear interest from their dated date, payable semi-annually, on April 1 and October 1 and of each year (the "Interest Dates"), commencing on April 1, 2027 (or such other date or dates as shall be determined by the Mayor or County Administrator).

Interest on the Series 2026 Bonds shall be payable by check or draft of U.S. Bank Trust Company, National Association, as Registrar and Paying Agent, made payable to and mailed to the Bondholder in whose name such Bond shall be registered at the close of business on the date which shall be the fifteenth day (whether or not a business day) of the calendar month next preceding the Interest Date, or, at the request and expense of such Bondholder, by bank wire transfer to the account of such Bondholder. The principal or Redemption Price, if applicable, on the Series 2026 Bonds is payable upon presentation and surrender of the Series 2026 Bonds at the designated corporate trust office of the Paying Agent. All payments of principal or Redemption Price, if applicable, and interest on the Series 2026 Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

The Series 2026 Bonds shall bear interest at such rates and prices or yields, shall mature on October 1 of each of the years and in the principal amounts corresponding to such years, and shall have such redemption provisions as determined by the Mayor or County Administrator subject to the conditions set forth in Section 7 hereof and the provisions of the Official Notice of Sale. The final maturity of the Series 2026 Bonds shall not be later than October 1, 2046.

The Series 2026 Bonds may be redeemed prior to their respective maturities from any moneys legally available therefor, upon notice as provided in the Bond Resolution, upon the terms and provisions as determined by the Mayor or County Administrator, in their discretion and upon the advice of the Issuer's Municipal Advisor; provided, however, with respect to optional redemption terms for the Series 2026 Bonds, if any, the first optional redemption date may be no later than October 1, 2036 and no call premium may exceed 1% of the par amount of that portion of the Series 2026 Bonds to be redeemed. Term Bonds may be established with such Sinking Fund Installments as the Mayor or County Administrator deems appropriate and upon the advice of the Issuer's Municipal Advisor. The redemption provisions for the Series 2026 Bonds, if any, shall be set forth in the Award Certificate and in the final Official Statement.

Notwithstanding anything in the Bond Resolution to the contrary, in the case of an optional redemption of any Series 2026 Bonds, the notice of redemption may state that (A) it is conditioned upon the deposit of moneys with the Paying Agent or with an escrow agent under an escrow deposit agreement, in amounts necessary to effect the redemption, no later than the redemption date, or (B) the Issuer retains the right to rescind such notice on or

prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded. Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time on or prior to the redemption date if the Issuer delivers a written direction to the Registrar directing the Registrar to rescind the redemption notice. The Registrar shall give prompt notice of such rescission to the affected Bondholders. Any Series 2026 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the Issuer to make such funds available shall constitute an Event of Default under the Bond Resolution. The Issuer shall give notice to DTC and the affected Bondholders (to the extent other than an agent or nominee of DTC) that the redemption did not occur and that the Series 2026 Bonds called for redemption and not so paid remain Outstanding under the Bond Resolution.

All of the terms of the Series 2026 Bonds will be included in the Award Certificate to be executed by the Mayor or County Administrator following the award of the Series 2026 Bonds and shall be set forth in the final Official Statement, as described herein.

SECTION 6. OFFICIAL NOTICE OF SALE. The form of the Official Notice of Sale attached hereto as EXHIBIT B and the terms and provisions thereof are hereby authorized and approved. The Mayor or County Administrator are hereby authorized to make such changes, insertions and modifications as they shall deem necessary prior to the advertisement of such Official Notice of Sale or a summary thereof. The Mayor or County Administrator are hereby authorized to advertise and publish the Official Notice of Sale, or a summary thereof, at such time as they deem necessary and appropriate, upon the advice of the Issuer's Municipal Advisor, to accomplish the competitive sale of the Series 2026 Bonds.

SECTION 7. AWARD OF SERIES 2026 BONDS. The Mayor or County Administrator, on behalf of the Issuer and only in accordance with the terms hereof and of the Official Notice of Sale, shall award the Series 2026 Bonds to the Underwriters that submit a bid proposal, together with a truth-in-bonding statement in the form provided in the Official Notice of Sale, which complies in all respects with the Bond Resolution, this Supplemental Resolution and the Official Notice of Sale and offers to purchase the Series 2026 Bonds at the lowest true interest cost to the Issuer, as calculated by the Issuer's Municipal Advisor, in accordance with the terms and provisions of the Official Notice of Sale; provided, however, the Series 2026 Bonds shall not be awarded to any bidder unless the true interest cost set forth in the winning bid (as calculated by the Issuer's Municipal Advisor) is equal to or less than 4.75%. In accordance with the provisions of the Official Notice of Sale, the Mayor or County Administrator may, in their sole discretion, reject any and all bids.

Upon the satisfaction of the conditions set forth in Section 5 hereof and this Section 7 and to evidence the sale and award of the Series 2026 Bonds to the Underwriters, the

Mayor or County Administrator shall execute and deliver the Award Certificate which shall: (1) certify compliance with the foregoing provisions; (2) set forth the principal amount, maturities, Sinking Fund Installments, interest rates, redemption provisions and other fiscal details of the Series 2026 Bonds; (3) attach the bid of the successful bidder; and (4) set forth any additional matters relating to the sale of the Series 2026 Bonds including, but not limited to, the identity of the municipal bond insurer, if any, pursuant to Section 7 hereof. The Mayor or County Administrator shall rely upon advice of the Issuer's Municipal Advisor as to satisfaction of the conditions provided in Section 5 hereof and this Section 7.

SECTION 8. APPOINTMENT OF PAYING AGENT AND REGISTRAR. Subject in all respects to the award of the Series 2026 Bonds in accordance with this Supplemental Resolution and the Official Notice of Sale, U.S. Bank Trust Company, National Association is hereby designated Registrar and Paying Agent for the Series 2026 Bonds. The Mayor or County Administrator is hereby authorized to enter into any agreement which may be necessary to effect the transactions contemplated by this Section 8 and by the Bond Resolution.

SECTION 9. ESTABLISHMENT OF SERIES 2026 ACCOUNT OF THE CONSTRUCTION FUND. In accordance with Section 4.03 of the Bond Resolution, there is hereby established within the Construction Fund a separate account to be known as the "Series 2026 Account" of the Construction Fund. Moneys deposited to the Series 2026 Account shall be used to pay and/or reimburse Costs of the 2026 Project and for the other purposes allowed under the Bond Resolution. The Series 2026 Account shall be maintained and administered in accordance with the provisions of the Bond Resolution, particularly Section 4.03 thereof.

SECTION 10. COSTS OF ISSUANCE ACCOUNT. There is hereby created the "Series 2026 Costs of Issuance Account" to be held by the County. Moneys in the Series 2026 Costs of Issuance Account shall be used to pay the costs of issuance of the Series 2026 Bonds. Any moneys remaining in the Series 2026 Costs of Issuance Account six months after the issuance of the Series 2026 Bonds which are not needed to pay costs of issuance shall be transferred to the Interest Account of the Sinking Fund established under the Bond Resolution.

SECTION 11. BOOK-ENTRY SYSTEM. Notwithstanding the form set forth in Section 2.07 of the Bond Resolution, the Series 2026 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2026 Bond for each of the maturities and series of the Series 2026 Bonds. Upon initial issuance, the ownership of each such Series 2026 Bond shall be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC. As long as the Series 2026 Bonds shall be registered in the name of Cede & Co., all payments of interest on the Series 2026 Bonds shall be made by the Paying Agent by check or draft or by bank wire transfer

to Cede & Co., as Holder of the Series 2026 Bonds, upon presentation of the Series 2026 Bonds to be paid, to the Paying Agent.

With respect to Series 2026 Bonds registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer, the Registrar and the Paying Agent shall have no responsibility or obligation to any direct or indirect participant in the DTC book-entry program (the "Participants"). Without limiting the immediately preceding sentence, the Issuer, the Registrar and the Paying Agent shall have no responsibility or obligation with respect to (A) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest on the Series 2026 Bonds, (B) the delivery to any Participant or any other Person other than a Bondholder, as shown in the registration books kept by the Registrar, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, or (C) the payment to any Participant or any other Person, other than a Bondholder, as shown in the registration books kept by the Registrar, of any amount with respect to principal of, Redemption Price, if any, or interest on the Series 2026 Bonds. The Issuer, the Registrar and the Paying Agent may treat and consider the Person in whose name each Series 2026 Bond is registered in the registration books kept by the Registrar as the Holder and absolute owner of such Series 2026 Bond for the purpose of payment of principal, Redemption Price, if any, and interest with respect to such Series 2026 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2026 Bond, for the purpose of registering transfers with respect to such Series 2026 Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of, Redemption Price, if any, and interest on the Series 2026 Bonds only to or upon the order of the respective Holders, as shown in the registration books kept by the Registrar, or their respective attorneys duly authorized in writing, as provided herein and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, Redemption Price, if any, and interest on the Series 2026 Bonds to the extent of the sum or sums so paid. No Person other than a Holder, as shown in the registration books kept by the Registrar, shall receive a certificated Series 2026 Bond evidencing the obligation of the Issuer to make payments of principal, Redemption Price, if any, and interest pursuant to the provisions of the Bond Resolution. Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in the Bond Resolution with respect to transfers during the 15 days next preceding an Interest Date or first mailing of notice of redemption, the words "Cede & Co." in this Supplemental Resolution shall refer to such new nominee of DTC; and upon receipt of such notice, the Issuer shall promptly deliver a copy of the same to the Registrar and the Paying Agent.

Upon (A) receipt by the Issuer of written notice from DTC (i) to the effect that a continuation of the requirement that all of the Outstanding Series 2026 Bonds be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2026 Bonds, or (ii) to

the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, or (B) determination by the Issuer that such book-entry only system is burdensome or undesirable to the Issuer and compliance with any applicable DTC rules and procedures, the Series 2026 Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names Holders shall designate, in accordance with the provisions of the Bond Resolution. In such event, the Issuer shall issue and the Registrar shall authenticate, transfer and exchange the Series 2026 Bonds of like principal amount, and maturity, in denominations of \$5,000 or any integral multiple thereof to the Holders thereof. The foregoing notwithstanding, until such time as participation in the book-entry only system is discontinued, the provisions set forth in the Blanket Issuer Letter of Representations previously executed by the Issuer and delivered to DTC shall apply to the payment of principal of, premium, if any, and interest on the Series 2026 Bonds.

SECTION 12. APPROVAL OF COSTS OF ISSUANCE. The Issuer hereby authorizes the County Administrator to pay, or cause to be paid, from a portion of the proceeds of the Series 2026 Bonds all costs of issuance incurred in connection with the issuance of the Series 2026 Bonds, including without limitation, the fees of co-bond counsel, co-disclosure counsel and the Municipal Advisor, printing costs, costs of providing electronic publication and bidding, rating agency fees, initial acceptance fees of the Paying Agent and underwriting discount, all with respect to the Series 2026 Bonds.

SECTION 13. GOOD FAITH DEPOSIT. A good faith deposit in the amount of not less than 2% of the proposed principal amount of the Series 2026 Bonds as shown on the cover of the Preliminary Official Statement shall be required of the Underwriters, which deposit shall be made as described in and subject to the conditions of the Official Notice of Sale.

SECTION 14. SECURITY FOR THE SERIES 2026 BONDS; NO LIEN ON RESERVE ACCOUNT. The Series 2026 Bonds shall be secured equally and ratably by a pledge of the Pledged Funds with all Bonds which may be Outstanding from time to time as provided in Section 4.02 of the Bond Resolution; provided, however, the Series 2026 Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account and accordingly, the Reserve Account Requirement for the Series 2026 Bonds shall be set to an amount equal to \$0 pursuant to Section 4.05(B)(4) of the Bond Resolution.

SECTION 15. APPLICATION OF SERIES 2026 BOND PROCEEDS.

The proceeds derived from the sale of the Series 2026 Bonds shall, simultaneously with the delivery of the Series 2026 Bonds to the Underwriters, be applied by the Issuer as follows:

(A) Accrued interest and proceeds of the Series 2026 Bonds representing capitalized interest, if any, shall be deposited or credited to the Interest Account of the Sinking Fund and shall be used only for the purpose of paying a portion of the interest which shall thereafter become due on the Series 2026 Bonds.

(B) A sufficient amount of the proceeds of the Series 2026 Bonds shall be deposited to the Series 2026 Costs of Issuance Account established pursuant to Section 10 hereof and used to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 2026 Bonds, including, without limitation, the fees and expenses of accountants, attorneys and municipal advisors.

(C) The remaining proceeds of the Series 2026 Bonds shall be deposited to the Series 2026 Account of the Construction Fund and shall be applied to the payment and/or reimbursement of Costs of the Series 2026 Project.

SECTION 16. PRELIMINARY OFFICIAL STATEMENT AND FINAL OFFICIAL STATEMENT. The distribution of a Preliminary Official Statement, substantially in the form attached hereto as EXHIBIT C, is hereby authorized. The Mayor or County Administrator, upon the advice of the Issuer's co-disclosure counsel, is hereby authorized to certify or otherwise represent when the Preliminary Official Statement is "deemed final" by the Issuer as of its date (except for permitted omissions), for purposes of Rule 15c2-12 promulgated by the Securities Exchange Commission under the Securities Exchange Act of 1934 (the "Rule"). The Mayor or County Administrator is authorized and directed, on behalf of the Issuer, to modify, change and supplement the Preliminary Official Statement as attached hereto in order for the Preliminary Official Statement as so modified, changed and supplemented to be "deemed final" for purposes of the Rule.

The form, terms and provisions of the final Official Statement relating to the Series 2026 Bonds shall be substantially as set forth in the Preliminary Official Statement. The Mayor or County Administrator is hereby authorized and directed to execute and deliver said Official Statement in the name and on behalf of the Issuer, and thereupon to cause such Official Statement to be delivered to the Underwriters with such changes, amendments, modifications, omissions and additions as may be approved by the Mayor or County Administrator. Said Official Statement, including any such changes, amendments, modifications, omissions and additions as approved by the Mayor or County Administrator and the information contained therein are hereby authorized to be used in connection with the sale of the Series 2026 Bonds to the public. Execution by the Mayor or County Administrator of the Official Statement shall be deemed to be conclusive evidence of approval of such changes. In the event the Series 2026 Bonds are issued in multiple Series

and at different times, the Issuer authorizes the use of an Official Statement for each such Series.

SECTION 17. SECONDARY MARKET DISCLOSURE. Subject in all respects to the award of the Series 2026 Bonds in accordance with this Supplemental Resolution and the Official Notice of Sale, the Issuer hereby covenants and agrees that, in order to provide for compliance by the Issuer with the secondary market disclosure requirements of the Rule, it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate to be executed by the Issuer and dated the date of the Series 2026 Bonds, as it may be amended from time to time in accordance with the terms thereof. The Continuing Disclosure Certificate shall be substantially in the form of EXHIBIT D hereto with such changes, amendments, modifications, omissions and additions as shall be approved by the Mayor or County Administrator who is hereby authorized to execute and delivery such certificate. Notwithstanding any other provision of the Bond Resolution, failure of the Issuer to comply with such Continuing Disclosure Certificate shall not be considered an Event of Default under the Bond Resolution; provided, however, to the extent permitted by law, the sole and exclusive remedy of any Series 2026 Bondholder for the enforcement of the provisions of the Continuing Disclosure Certificate shall be an action for mandamus or specific performance, as applicable, by court order, to cause the Issuer to comply with its obligations under this Section 17 and the Continuing Disclosure Certificate. For purposes of this Section 17, "Series 2026 Bondholder" shall mean any Person who (A) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Series 2026 Bonds (including persons holding such Bonds through nominees, depositories or other intermediaries), or (B) is treated as the owner of any such Bond for federal income tax purposes.

SECTION 18. ARBITRAGE CERTIFICATE. The Mayor or County Administrator and the Comptroller are hereby authorized to execute an arbitrage certificate with arbitrage rebate covenants attached thereto expressing the expectation of the Issuer as to the investment and expenditure of the proceeds of the Series 2026 Bonds and of the investment of funds collected to pay the Series 2026 Bonds.

SECTION 19. EXECUTION AND DELIVERY OF SERIES 2026 BONDS. The Mayor or County Administrator and Comptroller are hereby authorized and directed, subject to the sale of the Series 2026 Bonds upon compliance with the conditions set forth in Sections 5 and 7 hereof, to execute and attest, respectively, and deliver the Series 2026 Bonds to or on behalf of the successful bidder upon payment of the purchase price, pursuant to the conditions stated in the Official Notice of Sale and the Bond Resolution.

SECTION 20. AMENDMENTS TO BOND RESOLUTION. The amendments set forth in this Section 20 shall become effective upon the consent thereto of the owners of not less than 51% of the aggregate principal amount of the Bonds at the time Outstanding. Upon the issuance of the Series 2026 Bonds, the Issuer's Water and

Wastewater Utility Revenue Bonds, Series 2025, together with the Series 2026 Bonds, will constitute at least 51% of the aggregate principal amount of the Bonds Outstanding under the Bond Resolution. Accordingly, the amendments below will be effective upon issuance of the Series 2026 Bonds. Each owner of the Series 2026 Bonds, by acceptance of its Series 2026 Bond, shall be deemed to have irrevocably and expressly consented in writing to the amendments to the Bond Resolution provided in this Section 20.

Section 5.07 of the Bond Resolution is hereby amended and restated in its entirety as follows:

"SECTION 5.07. NO MORTGAGE OR SALE OF THE SYSTEM. (A) The Issuer irrevocably covenants, binds and obligates itself not to sell, lease, encumber or in any manner dispose of the System as a whole or any substantial part thereof (except as provided below) until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with Section 9.01 hereof.

(B) The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease, or otherwise dispose of (including the granting of rights via contract, license, or easement) any of the property comprising a part of the System in the following manner, if any one of the following conditions exist: ~~(A)(1)~~ such property is not necessary for the operation of the System, ~~(B)(2)~~ such property is not useful in the operation of the System, ~~(C)(3)~~ such property is not profitable in the operation of the System, or ~~(D)(4)~~ in the case of a lease, contract, license for the operation of, or grant of easements or other rights with respect to such property, such ~~lease will be advantageous to~~ disposition will not impede or restrict the operation of the System and will not materially adversely affect the security for the Bondholders, in all cases subject to satisfying the requirements of Section 5.07(C) below.

(C) Prior to any such sale, lease, or other disposition of said property:

(1) if the amount to be received therefor is not in excess of one percent (1%) of the book value of the ~~net~~gross plant in service of the System, ~~(a)~~ an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions ~~for~~provided for in Section 5.07(B) above have been met (provided that if the book value of the property net of depreciation is zero and the property is being disposed of, then no such finding is necessary and the requirements of this Section 5.07(C) shall not apply); or

(2) if the amount to be received from such sale, lease, or other disposition of ~~property~~said property shall be in excess of one percent (1%) of the book value of the gross plant in service of the System, (a) an Authorized Issuer Officer and the Consulting Engineers shall each first make a finding in writing determining that one or more of the conditions provided for in ~~the second paragraph of this~~ Section

5.07(B) above have been met, and (b) the Board shall, by resolution, duly adopt, approve, and concur in the findings; and

(3) in the case of either (1) or (2) above, if any of the property to be sold, leased, or otherwise disposed of was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale, lease, or other disposition will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds; ~~or (2) if the amount to be received from such sale, lease or other disposition of said property shall be in excess of one percent (1%) of the book value of the net plant in service of the System, (a) an Authorized Issuer Officer and the Consulting Engineers shall each first make a finding in writing determining that one or more of the conditions for sale, lease or other disposition of property provided for in the second paragraph of this Section 5.07 have been met, (b) the Board shall, by resolution, duly adopt, approve and concur in the finding of the Authorized Issuer Officer and the Consulting Engineers, and (c) the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale, lease or other disposition is not in violation of the Act and will not adversely affect the federal tax exempt status of interest on the Bonds (other than Taxable Bonds) or shall not otherwise affect the status of any Outstanding Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to any Outstanding Federal Subsidy Bonds.~~

(D) Except as otherwise required under applicable provisions of the Code, the proceeds from any such sale or other disposition shall be deposited, first, into the Renewal and Replacement Fund to the extent necessary to make the amount therein equal to the Renewal and Replacement Fund Requirement, and, second, into the Utility Reserve Fund. Proceeds from any grant of any license for the operation or grant of easement or other rights or lease of assets of the System shall constitute Gross Revenues and shall be deposited in the Revenue Fund.

(E) The transfer of the System as a whole from the control of the Board to some other board or authority created for the purpose of owning, operating or controlling the System and which constitutes a governmental entity, interest on obligations issued by which are excluded from gross income for purposes of Federal income taxation (other than obligations similar to Taxable Bonds or Federal Subsidy Bonds), shall not be deemed prohibited by this Section 5.07 and such successor board or authority shall fall within the definition of "Issuer" in Section 1.01 hereof.

(F) Notwithstanding the foregoing provisions of this Section 5.07, the Issuer shall have the authority to (1) sell, or (2) transfer out of the System to another department of the Issuer, for fair and reasonable consideration any land comprising a part of the System

~~which is no longer necessary or useful in the operation of the System and the proceeds derived from the sale of such land shall be disposed of in accordance with the provisions of the fourth paragraph of this Section 5.07; provided, however, if any of the land to be sold was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds.~~

~~—— The Issuer may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such contract, license, easement or right does not, in the opinion of the Consulting Engineers, as evidenced by a certificate to that effect filed with the Issuer, impede or restrict the operation by the Issuer of the System, but any payments to the Issuer under or in connection with any such contract, license, easement or right in respect of the System or any part thereof shall constitute Gross Revenues and shall be deposited in the Revenue Fund; provided, however, if that portion of the System was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such action will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds.~~

~~the requirements set forth in Sections 5.07(C) and (D) above have been satisfied.~~"

SECTION 21. GENERAL AUTHORITY. The Mayor, the members of the Board, the Comptroller, the County Attorney, the County Administrator and the officers, attorneys and other agents or employees of the Issuer are hereby authorized to take all actions required of them by this Supplemental Resolution, the Official Statement, the Continuing Disclosure Certificate, the Bond Resolution or desirable or consistent with the requirements of this Supplemental Resolution, the Official Statement, the Continuing Disclosure Certificate and the Bond Resolution for the full, punctual and complete performance of all the terms, covenants and agreements contained herein or therein, and the Mayor and each member, employee, attorney and officer of the Board, County Administrator and the Comptroller are hereby authorized and directed to execute and deliver any and all papers and instruments and to do and cause to be done any and all acts and things necessary or proper for carrying out the transactions contemplated hereunder. The Mayor or County Administrator may, among other things, change the date of any document accompanying this Supplemental Resolution as an exhibit. Execution by the Mayor or County Administrator of such document shall be deemed to be conclusive evidence of approval of such change of date.

SECTION 22. SEVERABILITY AND INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions of this Supplemental Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Series 2026 Bonds.

SECTION 23. EFFECTIVE DATE. This Supplemental Resolution shall become effective immediately upon its adoption.

ADOPTED at a meeting this 4th day of August, 2026.

FORM OF OFFICIAL NOTICE OF BOND SALE

\$[PAR AMOUNT]*
ORANGE COUNTY, FLORIDA
WATER AND WASTEWATER UTILITY REVENUE BONDS,
SERIES 2026

OFFICIAL NOTICE OF BOND SALE

The Series 2026 Bonds are being offered for sale in accordance with this Official Notice of Bond Sale. Bids for the purchase of the Series 2026 Bonds will be received electronically on behalf of Orange County, Florida, via S&P's Parity Bid Submission System ("PARITY") on [BID DATE], 2026, until [11:00] A.M., local Orlando, Florida time (according to the time posted by PARITY), or on such other date and time as may be established by the County Mayor or his designee and communicated through TM3 News Service (www.TM3.com) not less than 18 hours prior to the time the bids are to be received.

[POS DATE], 2026

* Preliminary, subject to change.

OFFICIAL NOTICE OF BOND SALE
\$[PAR AMOUNT]*
ORANGE COUNTY, FLORIDA
WATER AND WASTEWATER UTILITY REVENUE BONDS,
SERIES 2026

NOTICE IS HEREBY GIVEN that Orange County, Florida (the "County") will receive bids only electronically via S&P's Parity Bid Submission System ("PARITY") for the purchase of all \$[PAR AMOUNT]* Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2026 (the "Series 2026 Bonds") dated their date of delivery. The Series 2026 Bonds are being offered for sale in accordance with this Official Notice of Bond Sale. Bids for the purchase of the Series 2026 Bonds will be received electronically via PARITY on [BID DATE], 2026, until [11:00] A.M., local Orlando, Florida time (according to the time posted by PARITY), or on such date and time as may be established by the County Mayor or his designee, as communicated through TM3 News Service (www.TM3.com) not less than 18 hours prior to the time bids are to be received. On such date of receipt, all bids will be publicly opened and read, but no bid will be considered if received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale shall control. To bid on the Series 2026 Bonds, a bidder must be a contracted customer of PARITY. Prospective bidders that do not have a contract with PARITY should call (212) 849-5021 to become a customer and to obtain a list of the bidding rules and procedures. The use of PARITY shall be at the bidder's risk and expense and the County shall have no liability with respect thereto.

BOND DETAILS

The Series 2026 Bonds will be issued initially as fully registered bonds, and when executed and delivered, will be dated their date of delivery and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"), which will act as securities depository for the Series 2026 Bonds. Individual purchases of the Series 2026 Bonds may be made only in book-entry form in denominations of \$5,000 or integral multiples thereof (the "Authorized Denominations"). Purchasers of the Series 2026 Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates. As long as Cede & Co. is the registered owner of the Series 2026 Bonds, as nominee for DTC, payments of principal, redemption premium, if any, and interest with respect to the Series 2026 Bonds will be made to such registered owner which will in turn remit such principal, redemption premium, if any, and interest payments to DTC participants for subsequent disbursement to the Beneficial Owners.

* Preliminary, subject to change.

The Series 2026 Bonds will be dated their date of delivery, and interest will be payable on each April 1 and October 1, commencing April 1, 2027, until maturity, at the rate or rates specified by the successful bidder. The proposed schedule of maturities and amounts are shown on the following table (the "Initial Maturity Schedule"):

\$[PAR AMOUNT]*
 INITIAL PROPOSED MATURITY SCHEDULE
 ORANGE COUNTY, FLORIDA
 WATER AND WASTEWATER UTILITY REVENUE BONDS,
 SERIES 2026

Maturity (October 1)	Principal Amount*
	\$

(NOTE: The County reserves the right to modify the Initial Maturity Schedule shown above. Any such modification will be communicated through TM3 News Service (www.TM3.com). See "Adjustment of Principal Amount" below.)

Term Bonds Option – Bidders may designate the principal amounts of the Series 2026 Bonds maturing on or after October 1, 2037 in the Initial Maturity Schedule above in any two (2) or more consecutive years as a single term maturity which will mature in the latest of the years designated, and will have a stated maturity amount equal to the sum of the annual principal amounts designated as a part of such term maturity. Upon such designation, the Series 2026 Bonds of such term maturity shall be subject to mandatory sinking fund redemption in part by lot on October 1 in the principal amount which would otherwise have matured in such designated years, at the price of par plus accrued interest to the redemption date, without premium.

Adjustment of Principal Amount – The Initial Maturity Schedule represents an estimate of the principal amount and maturities of the Series 2026 Bonds which will be sold. The County reserves the right to change the Initial Maturity Schedule by announcing any such change not later than [5:00] P.M., local Orlando, Florida time, on the date immediately preceding the date set for receipt of bids, through TM3 News Service (www.TM3.com). If no such change is announced, the Initial Maturity Schedule will be deemed the schedule of maturities for the form to be submitted electronically by the bidder. If such a change is announced, then the changes, when incorporated into the Initial Maturity

* Preliminary, subject to change.

Schedule, shall become part of a revised maturity schedule (the "Revised Maturity Schedule"). The Revised Maturity Schedule shall be deemed the principal amounts and maturities for the bid submitted via PARITY.

Furthermore, if after final computation of the bids, the County determines, in its sole discretion, that the funds necessary to accomplish the purposes of the Series 2026 Bonds is either more or less than the proceeds of the sale of the Series 2026 Bonds, the County reserves the right either to increase or decrease: (i) by no more than fifteen percent (15%), the principal amount of any maturity of the Series 2026 Bonds; or (ii) by no more than ten percent (10%), the total principal amount of the Series 2026 Bonds (to be rounded to the nearest Authorized Denomination). An adjustment to the principal amount of any maturity by more than 15% or to the total principal amount of the Series 2026 Bonds by more than 10% will require approval by the successful bidder. Any such increase shall not, in the aggregate, cause the total amount of the Series 2026 Bonds to exceed the maximum principal amount authorized by the County therefor.

In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted. The purchase price of the Series 2026 Bonds will be computed by taking the adjusted par amount of the Series 2026 Bonds and (1) either subtracting the original issue discount or adding the original issue premium, as applicable, computed based on the adjusted par amounts of each maturity of the Series 2026 Bonds and the prices provided by the underwriters, and (2) subtracting the amount obtained by multiplying the per bond amount of the underwriter's spread by the adjusted par amount of the Series 2026 Bonds. However, the award will be made to the bidder whose bid produces the lowest actual true interest cost rate, calculated as specified, solely on the basis of the Series 2026 Bonds offered, without taking into account any adjustment in the amount of Series 2026 Bonds pursuant to this section.

Optional Redemption – The Series 2026 Bonds maturing on or after October 1, 2037, shall be subject to redemption at the option of the County prior to maturity in whole or in part on any date on or after October 1, 2036 (and if in part, in such order of maturities as shall be selected by the County and by lot within maturities), at a redemption price equal to the principal amount thereof, without premium, plus interest accruing on the principal amount to be redeemed to the redemption date.

AUTHORIZATION

The County shall issue the Series 2026 Bonds under the authority of, and in full compliance with, the Constitution of the State of Florida, Chapter 125, Florida Statutes, the Charter of the County and other applicable provisions of law (collectively, the "Act"), Resolution No. 92-B-06 adopted by the Board of County Commissioners of the County (the "Board") on June 12, 1992, as amended, restated and supplemented, in particular as amended and restated by Resolution No. 2016-B-02 adopted by the Board on March 15, 2016, as may be amended and supplemented, and particularly as amended and

supplemented by Resolution No. 2026-[__] adopted by the Board on August [__], 2026 (collectively, the "Resolution"), all as more particularly described in the Preliminary Official Statement (as defined herein) for the Series 2026 Bonds.

PURPOSE

The proceeds of the Series 2026 Bonds will be used by the County to (i) finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utilities system (the "System"), and (ii) pay certain costs and expenses relating to the issuance of the Series 2026 Bonds.

SECURITY FOR THE BONDS

The Series 2026 Bonds are payable solely from and secured by a lien upon and pledge of (i) the Net Revenues (as defined in the Resolution), and (ii) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds and accounts established under the Resolution, except (A) as for the Rebate Fund, (B) to the extent moneys therein shall be required to pay the Operating Expenses of the System in accordance with the terms of the Resolution, and (C) any moneys set aside in a particular subaccount of the Reserve Account if such moneys shall be pledged solely for the payment of a different Series of Bonds for which it was established in accordance with the provisions of the Resolution (collectively, the "Pledged Funds"). The Series 2026 Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account and accordingly, the Reserve Account Requirement for the Series 2026 Bonds shall be set to an amount equal to \$0.

The Series 2026 Bonds shall not be or constitute general obligations or indebtedness of the County as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the County, payable solely from and secured by a lien upon and pledge of the Pledged Funds, in the manner and to the extent provided in the Resolution. No Holder of any Series 2026 Bond shall ever have the right to compel the exercise of any ad valorem taxing power to pay such Series 2026 Bond, or be entitled to payment of such Series 2026 Bond from any moneys of the County except from the Pledged Funds in the manner and to the extent provided in the Resolution. The Series 2026 Bonds and the obligations evidenced thereby shall not constitute a lien upon the System or any other property of the County, but shall constitute a lien only on, and shall be payable solely from, the Pledged Funds.

CONTINUING DISCLOSURE

The County has committed to enter into a written Continuing Disclosure Certificate pursuant to which it will agree to provide certain financial information and operating data relating to the System and the Series 2026 Bonds in each year (the "Annual Report"), and to provide notices of material events as required by Rule 15c2-12 promulgated by the

Securities and Exchange Commission (the "Rule") and as described in the Preliminary Official Statement.

The successful bidder's obligation to purchase the Series 2026 Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Series 2026 Bonds, in form and substance reasonably satisfactory to the successful bidder, a copy of the Continuing Disclosure Certificate which shall constitute a written agreement for the benefit of the holders and beneficial owners of the Series 2026 Bonds as required by the Rule.

MUNICIPAL BOND INSURANCE

The County has not provided for the issuance of municipal bond insurance for the Series 2026 Bonds and will not make provision for such.

PURCHASER'S CERTIFICATION REGARDING INITIAL OFFERING PRICE

In order to provide the County with information required to enable it to comply with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Series 2026 Bonds from the gross income of the holders thereof for federal income tax purposes, the successful bidder will be required to complete, execute and deliver to the County (on the date of delivery of the Series 2026 Bonds) a certificate relating to the manner in which the Series 2026 Bonds were offered for sale and the offering price for such Series 2026 Bonds, substantially in the form of Exhibit B to this Official Notice of Bond Sale. In the event the successful bidder will not reoffer the Series 2026 Bonds for sale or is unable to sell a substantial amount of the Series 2026 Bonds by the date of delivery, such certificate may be modified in a manner approved by the County and Nabors, Giblin & Nickerson, P.A., Tampa, Florida and Ruye H. Hawkins, P.A., Orlando, Florida, Co-Bond Counsel to the County (collectively, "Co-Bond Counsel"). It will be the responsibility of the successful bidder to institute such syndicate or selling group reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty.

LEGAL OPINION AND CLOSING CERTIFICATES

At the time of delivery of the Series 2026 Bonds, the County will deliver to the successful bidder, at the expense of the County, the approving opinions of Co-Bond Counsel, in substantially the form appearing as Appendix F to the Preliminary Official Statement, a no-litigation certificate of the County and other customary closing certificates relating to the issuance of the Series 2026 Bonds.

The actual legal approving opinions to be delivered may vary from the text of Appendix F, if necessary, to reflect facts and law on the date of delivery of the Series 2026

Bonds. The opinions will speak only as of their date and Co-Bond Counsel will not assume any duty to update or supplement their respective opinions to reflect any change in facts or circumstances, including changes in law that may thereafter occur or become effective.

Nabors, Giblin & Nickerson, P.A., Tampa, Florida and Ruye H. Hawkins, P.A., Orlando, Florida, (collectively, "Co-Disclosure Counsel") have advised the County on certain matters relating to disclosure for the issuance of the Series 2026 Bonds and in connection with the preparation of the Preliminary Official Statement and the final Official Statement (as defined herein). The opinions of Co-Disclosure Counsel will also be furnished to the successful bidder, without charge.

GOOD FAITH DEPOSIT

If the County selects a winning bid, then the successful bidder must submit a "Good Faith Deposit" (the "Deposit") to the County in the form of a wire transfer in the amount of 2% of the proposed principal amount of the Series 2026 Bonds as shown on the cover of the Preliminary Official Statement no later than [2:00] P.M., local Orlando, Florida time, on the business day following the award. The Deposit of the successful bidder will be collected and the proceeds thereof retained by the County to be applied as partial payment for the Series 2026 Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the successful bidder shall fail to comply with the terms of the bid, the proceeds thereof will be retained as and for full liquidated damages.

TERMS OF BID AND BASIS OF AWARD

THE COUNTY WILL AWARD THE SERIES 2026 BONDS TO THE BIDDER WHOSE BID PRODUCES THE LOWEST TRUE INTEREST COST, AS DEFINED BELOW. THE COUNTY HAS THE RIGHT TO AWARD ALL OR NONE OF THE SERIES 2026 BONDS.

Proposals must be unconditional and for the purchase of all of the Series 2026 Bonds. The purchase price for the Series 2026 Bonds may not be less than 100% of the aggregate principal amount of the Series 2026 Bonds overall in combination with the underwriter's discount and any original issue premium or discount. The initial public offering price of each maturity shall be not less than 99% of the par amount of such maturity. The true interest cost of the Series 2026 Bonds may not exceed 4.75% per annum. No more than one Proposal from any bidder will be considered.

The Series 2026 Bonds shall bear interest expressed in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). The use of split or supplemental interest coupons will not be considered and a zero rate or blank rate will not be permitted. All Series 2026 Bonds maturing on the same date shall bear the same rate of interest.

The Series 2026 Bonds will be awarded to the bidder offering to purchase the Series 2026 Bonds at the lowest annual interest cost computed on a true interest cost basis (the "TIC"). The annual TIC will be determined by doubling the semi-annual interest rate necessary to discount the semi-annual debt service payments on the Series 2026 Bonds back to the Net Bond Proceeds (defined as the par amount of the Series 2026 Bonds plus accrued interest, if any, thereon and any original issue premium, less any original issue discount, and underwriter's discount calculated on a 360 day year to the Delivery Date, which for purposes of this calculation is assumed to be [CLOSING DATE], 2026 (the "Closing Date"). The TIC must be calculated to four (4) decimal places.

Although the County expects to receive at least three bids from underwriters of municipal bonds with established industry reputations for underwriting new issuances of municipal bonds, it reserves the right to award all or none of the Series 2026 Bonds.

EACH PROPOSAL MUST BE SUBMITTED THROUGH PARITY. EACH BIDDER MUST SPECIFY IN ITS BID THE INTEREST RATE AND PRICE OR YIELD FOR EACH MATURITY OF THE SERIES 2026 BONDS. NO BIDS FOR LESS THAN ALL OF THE SERIES 2026 BONDS OFFERED WILL BE ENTERTAINED. THE COUNTY RESERVES THE RIGHT TO REJECT ALL BIDS OR ANY BID NOT CONFORMING TO THIS OFFICIAL NOTICE OF BOND SALE. THE COUNTY ALSO RESERVES THE RIGHT TO WAIVE, IF PERMITTED BY LAW, ANY IRREGULARITY OR INFORMALITY IN ANY PROPOSAL. THE COUNTY SHALL NOT REJECT ANY CONFORMING BID, UNLESS ALL CONFORMING BIDS ARE REJECTED.

ESTABLISHMENT OF ISSUE PRICE

(a) The winning bidder shall assist the County in establishing the issue price of the Series 2026 Bonds and shall execute and deliver to the County on or prior to the Closing Date an "issue price" or similar certificate setting forth the reasonably expected initial offering prices to the public or the actual sales price or prices of the Series 2026 Bonds, together with the supporting pricing wires or equivalent communications, substantially in the applicable form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and Co-Bond Counsel. All actions to be taken by the County under this Official Notice of Bond Sale to establish the issue price of the Series 2026 Bonds may be taken on behalf of the County by the County's municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County's municipal advisor.

(b) The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Series 2026 Bonds) will apply to the initial sale of the Series 2026 Bonds ("competitive sale requirements") because:

(i) the County has disseminated this Official Notice of Bond Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(ii) all bidders shall have an equal opportunity to bid;

(iii) the County expects to receive bids from at least three underwriters of municipal Series 2026 Bonds who have established industry reputations for underwriting new issuances of municipal Series 2026 Bonds; and

(iv) the County anticipates awarding the sale of the Series 2026 Bonds to the bidder who submits a firm offer to purchase the Series 2026 Bonds at the lowest true interest cost, as set forth in this Official Notice of Bond Sale.

Any bid submitted pursuant to this Official Notice of Bond Sale shall be considered a firm offer for the purchase of the Series 2026 Bonds, as specified in the bid. **BY SUBMITTING A BID FOR THE SERIES 2026 BONDS, A BIDDER REPRESENTS AND WARRANTS TO THE COUNTY THAT THE BIDDER HAS AN ESTABLISHED INDUSTRY REPUTATION FOR UNDERWRITING NEW ISSUANCES OF MUNICIPAL SERIES 2026 BONDS SUCH AS THE SERIES 2026 BONDS AND SUCH BIDDER'S BID IS SUBMITTED FOR AND ON BEHALF OF SUCH BIDDER BY AN OFFICER OR AGENT WHO IS DULY AUTHORIZED TO BIND THE BIDDER TO A LEGAL, VALID AND ENFORCEABLE CONTRACT FOR THE PURCHASE OF THE SERIES 2026 BONDS.** Once the bids are communicated electronically via PARITY to the County, each bid will constitute an irrevocable offer to purchase the Series 2026 Bonds on the terms herein and therein provided.

(c) In the event that the competitive sale requirements are not satisfied, the County shall so advise the winning bidder. In such case, the County shall treat the (i) first price at which 10% of a maturity of the Series 2026 Bonds is sold to the public (the "10% test") as the issue price of that maturity, and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Series 2026 Bonds as the issue price of that maturity (the "hold-the-offering-price" rule), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the Series 2026 Bonds satisfies the 10% test as of the date and time of the award of the Series 2026 Bonds. The County shall promptly advise the winning bidder which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Series 2026 Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation by the bidders in the event that the competitive sale requirements are not satisfied and the County determines to apply the hold-the-offering-price rule to any maturity of the Series 2026 Bonds; provided, however, the County reserves the right to reject any and all bids, for any reason, as set forth under "TERMS OF BID AND BASIS OF AWARD" herein. **BIDDERS SHOULD PREPARE**

THEIR BIDS ON THE ASSUMPTION THAT SOME OR ALL OF THE MATURITIES OF THE SERIES 2026 BONDS WILL BE SUBJECT TO THE HOLD-THE-OFFERING-PRICE RULE IN ORDER TO ESTABLISH THE ISSUE PRICE OF THE SERIES 2026 BONDS.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Series 2026 Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the underwriters participating in the purchase of the Series 2026 Bonds, that the underwriters will neither offer nor sell unsold Series 2026 Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(A) the close of the fifth (5th) business day after the sale date; or

(B) the date on which the underwriters have sold at least 10% of that maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the County promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2026 Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Series 2026 Bonds, the winning bidder agrees to promptly report to the County the prices at which the unsold Bonds of each maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all the Series 2026 Bonds of that maturity have been sold, or (ii) the 10% test has been satisfied as to the Series 2026 Bonds of that maturity, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the County or Bond Counsel.

(f) The County acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series 2026 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-

the-offering-price rule, if applicable to the Series 2026 Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Series 2026 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2026 Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2026 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule if applicable to the Series 2026 Bonds.

(g) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Series 2026 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (1) to report the prices at which it sells to the public the unsold Series 2026 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2026 Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% test has been satisfied as to the Series 2026 Bonds of that maturity, and (2) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires,

(B) to promptly notify the winning bidder of any sales of Series 2026 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2026 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Series 2026 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2026 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2026 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2026 Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% test has been satisfied as to the Series 2026 Bonds of that maturity, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

(h) Sales of any Series 2026 Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Bond Sale. Further, for purposes of this Official Notice of Bond Sale:

(i) "public" means any person other than an underwriter or a related party (as defined in Section 1.150-1(b) of the Treasury Regulations) to an underwriter,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract (i.e. this Official Notice of Bond Sale) with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2026 Bonds to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2026 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2026 Bonds to the public),

(iii) generally, a purchaser of any of the Series 2026 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and

the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date that the Series 2026 Bonds are awarded by the County to the winning bidder.

SETTLEMENT OF BONDS

It is expected that closing for the Series 2026 Bonds will occur in Orlando, Florida, on or after the Closing Date, or on such other later date as shall be appropriate to ensure compliance with the Rule, with certain provisions of the Code, and with certain rules promulgated by the Municipal Securities Rulemaking Board (the "MSRB"). On such date, the Series 2026 Bonds will be delivered to DTC as securities depository and registered in the name of CEDE & CO., as nominee of DTC. The County will assume no obligation for the assignment of CUSIP numbers to the Series 2026 Bonds or for the correctness of any such numbers printed thereon, but the County will permit such printing to be done at the expense of the successful bidder, such that such printing does not result in any delay of the date of delivery of the Series 2026 Bonds. PFM Financial Advisors LLC, the County municipal advisor, will request the assignment of CUSIP numbers prior to the sale of the Series 2026 Bonds. Any delay, error or omission with respect to the CUSIP numbers shall not constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for each of the Series 2026 Bonds awarded by the County in accordance with the terms of this Official Notice of Bond Sale.

FULL PAYMENT OF THE PURCHASE PRICE MUST BE MADE TO THE COUNTY ON SUCH DATE BY THE SUCCESSFUL BIDDER BY FEDERAL RESERVE WIRE TRANSFER, AS DIRECTED BY THE COUNTY, WITHOUT COST TO THE COUNTY.

COMPLIANCE WITH SEC AND MSRB RULES

The successful bidder agrees to take any and all other actions necessary to comply with applicable SEC and MSRB rules governing the offering, sale, delivery and post-issuance trading of the Series 2026 Bonds to the ultimate purchasers.

BLUE SKY LAWS

The successful bidder will be responsible for the payment of any fees and filing of any notices required with respect to the offering of the Series 2026 Bonds for sale under the securities or "Blue Sky" laws of the several states and the preparation of any surveys or memoranda in connection with such sale.

OFFICIAL STATEMENT

The County has authorized the distribution of its Preliminary Official Statement, dated [POS DATE], 2026 (the "Preliminary Official Statement"), relating to the Series 2026 Bonds, which it deems final for purposes of the Rule. The Preliminary Official Statement describes the Series 2026 Bonds and contains information with respect to the County's operations and its obligations and is available for viewing in electronic format at www.MuniOS.com. Upon the sale of the Series 2026 Bonds, the County will deliver a final Official Statement (the "Official Statement") substantially in the same form as the Preliminary Official Statement, subject to such amendments as are necessary to describe the Series 2026 Bonds, to the successful bidder no later than seven business days following the sale of the Series 2026 Bonds or one day prior to the Closing Date for the Series 2026 Bonds. Up to 25 printed copies of the Official Statement (and any supplement thereto) will be made available to the successful bidder at the expense of the County. Additional printed copies may be obtained at the expense of such bidder.

RATINGS

The Series 2026 Bonds are expected to be rated "[____]" by S&P Global Ratings ("S&P"), and "[____]" by Fitch Ratings ("Fitch"), in each case without regard to any municipal bond insurance policy (S&P and Fitch are collectively referred to as the "Rating Agencies"). Such ratings reflect only the respective views of such Rating Agencies, and an explanation of the significance of such ratings may be obtained from the respective Rating Agencies. Any downward change in or suspension or withdrawal of such ratings may have an adverse effect on the market price of the Series 2026 Bonds.

MANDATORY STATE FILING

Section 218.38(1)(b)1, Florida Statutes, as amended, requires that the County file, within 120 days after the delivery of the Series 2026 Bonds, an information statement with the Division of Bond Finance of the Board of Administration of the State containing the following information: (a) the name and address of the managing underwriter, if any, connected with the bond issue; (b) the name and address of any attorney or financial consultant who advised the County with respect to the bond issue; (c) any fee, bonus, or gratuity paid by any underwriter or financial consultant, in connection with the bond issue, to any person not regularly employed or engaged by such underwriter or consultant; and (d) any other fee paid by the County with respect to the bond issue, including any fee paid to attorneys or financial consultants. The successful bidder is expected to provide to the County the information mentioned in (a) and (c) above when the Series 2026 Bonds are delivered, but in no event later than ninety (90) days after delivery of the Series 2026 Bonds as required by Section 218.38(1)(b)2, Florida Statutes. Such information provided pursuant to the cited statute shall be maintained by the Division of Bond Finance and by the County as a public record.

Additionally, Section 218.386, Florida Statutes, as amended, requires the Official Statement for the Series 2026 Bonds to include disclosure of any finder's fees paid in connection with the sale of the Series 2026 Bonds.

TRUTH-IN-BONDING STATEMENT

The successful bidder will be required to complete and sign the Truth-in-Bonding Statement set forth in Exhibit A to this Official Notice of Bond Sale and submit such statement to the County's Municipal Advisor, PFM Financial Advisors LLC (which submission may be by e-mail to gloverj@pfm.com) on the date bids are due prior to the award by the County.

ADDITIONAL INFORMATION

Copies of the Preliminary Official Statement (including the form of the opinions of Co-Bond Counsel) and the Official Notice of Bond Sale and any additional information will be furnished upon request to the office of the Manager, Fiscal and Business Services Division, at the Orange County Administration Center, 201 South Rosalind Avenue, 3rd Floor, Orlando, Florida 32801, (407) 836-5915 or to the Municipal Advisor to the County, PFM Financial Advisors LLC, 200 S. Orange Avenue, Suite 760, Orlando, Florida 32801, (407) 406-5760.

TRUTH-IN-BONDING STATEMENT

In compliance with Section 218.385, Florida Statutes, as amended, the undersigned bidder submits the following Truth-In-Bonding Statement with respect to the Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2026 (the "Series 2026 Bonds") (NOTE: for information purposes only and not a part of the bid):

Orange County, Florida (the "County") is proposing to issue \$_____ of its Series 2026 Bonds in order to provide funds to (i) finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utilities system (the "System"), and (ii) pay certain costs and expenses relating to the issuance of the Series 2026 Bonds. The Series 2026 Bonds are expected to be repaid over a period of approximately ____ years. At a forecasted interest rate of ____%, total interest paid over the life of the Series 2026 Bonds will be \$_____.

The principal source of repayment for the Series 2026 Bonds is a portion of the Net Revenues of the System in the manner and to the extent described in the Preliminary Official Statement and Official Notice of Bond Sale relating to such revenue bonds. The authorization of the Series 2026 Bonds will result in approximately \$_____ of such Net Revenues (average annual debt service) not being available to finance other System related services each year for approximately ____ years.

CERTIFICATE WITH RESPECT TO "ISSUE PRICE"*

\$_____**
ORANGE COUNTY, FLORIDA
WATER AND WASTEWATER UTILITY REVENUE BONDS,
SERIES 2026

The undersigned, on behalf of [NAME OF UNDERWRITER/REPRESENTATIVE] ["([SHORT NAME OF UNDERWRITER])"] [(the "Representative")] [, on behalf of itself and [NAMES OF OTHER UNDERWRITERS] (together, the "Underwriting Group")] hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Series 2026 Bonds").

Alternative I - If Competitive Sale Rule Met:

1. *Reasonably Expected Initial Offering Price*

(a) As of the Sale Date, the reasonably expected initial offering prices of the Series 2026 Bonds to the Public by [SHORT NAME OF UNDERWRITER] are the prices listed in Schedule A (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Series 2026 Bonds used by [SHORT NAME OF UNDERWRITER] in formulating its bid to purchase the Series 2026 Bonds. Attached as Schedule B is a true and correct copy of the bid provided by [SHORT NAME OF UNDERWRITER] to purchase the Series 2026 Bonds.

(b) [SHORT NAME OF UNDERWRITER] was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by [SHORT NAME OF UNDERWRITER] constituted a firm offer to purchase the Series 2026 Bonds.]

Alternative II – If all Maturities use General Rule:

1. *Sale of Bonds under General Rule.*

(a) As of the date of this certificate, for each Maturity of the Series 2026 Bonds, the first price at which at least 10% of such Maturity of the Series 2026 Bonds was sold to the Public is the respective price listed in Schedule A.

* Executed certificate will include paragraph 1 from the applicable Alternative I, II, III or IV, followed by the Total Issue Price (paragraph 2), applicable Defined Terms (paragraph 3) and General Disclaimer and Acknowledgement (paragraph 4).

** Preliminary, subject to change.

Alternative III – If select Maturities use General Rule:

1. *Sale of Bonds under General Rule (Select Maturities).*

(a) As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity of the Series 2026 Bonds was sold to the Public is the respective price listed in Schedule A.

(b) [SHORT NAME OF UNDERWRITER][The Underwriting Group] offered the Hold-the-Offering-Price Maturities to the public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the bid provided by [SHORT NAME OF UNDERWRITER] to purchase the Series 2026 Bonds is attached to this certificate as Schedule B.

(c) As set forth in the Official Notice of Bond Sale and bid award, [SHORT NAME OF UNDERWRITER][the members of the Underwriting Group] [has][have] agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, [it][they] would neither offer nor sell any of the Series 2026 Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Series 2026 Bonds during the Holding Period.

Alternative IV – If all Maturities use Hold-the-Offering-Price Rule:

1. *Sale of Bonds under Hold-the-Offering Price Rule.*

(a) [SHORT NAME OF UNDERWRITER][The Underwriting Group] offered the Series 2026 Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the bid provided by [SHORT NAME OF UNDERWRITER] to purchase the Series 2026 Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Official Notice of Bond Sale and bid award, [SHORT NAME OF UNDERWRITER][the members of the Underwriting Group] [has][have] agreed in writing that, (i) for each Maturity of the Series 2026 Bonds, [it][they] would neither offer nor sell any of the Series 2026 Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group

agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Series 2026 Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Series 2026 Bonds during the Holding Period.

2. *Defined Terms.*

(a) *General Rule Maturities* means those Maturities of the Series 2026 Bonds listed in Schedule A hereto as the "General Rule Maturities."

(b) *Hold-the-Offering-Price Maturities* means those Maturities of the Series 2026 Bonds listed in Schedule A hereto as the "Hold-the-Offering-Price Maturities."

(c) *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date ([BID DATE], 2026), or (ii) the date on which the [SHORT NAME OF UNDERWRITER][the Underwriters] [has][have] sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(d) *Issuer* means Orange County, Florida.

(e) *Maturity* means the Series 2026 Bonds with the same credit and payment terms. The Series 2026 Bonds with different maturity dates, or with the same maturity date but different stated interest rates, are treated as separate Maturities.

(f) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of the Series 2026 Bonds generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) The *Sale Date* of the Series 2026 Bonds is [BID DATE], 2026.

(h) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2026 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2026 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2026 Bonds to the Public).

3. *General Disclaimer and Acknowledgement.*

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [SHORT NAME OF UNDERWRITER]'s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Certificate as to Arbitrage and Certain Other Tax Matters relating to the Series 2026 Bonds and with respect to compliance with the federal income tax rules affecting the Series 2026 Bonds, and by Nabors, Giblin & Nickerson, P.A. and Ruye H. Hawkins, P.A., Co-Bond Counsel, in connection with rendering their respective opinions that the interest on the Series 2026 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that they may give to the Issuer from time to time relating to the Series 2026 Bonds.

In the opinion of Co-Bond Counsel, under existing statutes, regulations, rulings and court decisions and subject to the conditions described herein under "TAX MATTERS," interest on the Series 2026 Bonds is (a) excludable from gross income of the owners thereof for federal income tax purposes except as otherwise described herein under the caption "TAX MATTERS," and (b) not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2026 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Such interest, however, may be subject to other federal income tax consequences referred to herein under "TAX MATTERS." See "TAX MATTERS" herein for a general discussion of Co-Bond Counsel's opinion and other tax considerations.

[\$[PAR AMOUNT]]*
ORANGE COUNTY, FLORIDA
WATER AND WASTEWATER UTILITY REVENUE BONDS,
SERIES 2026

Dated: Date of Delivery

Due: October 1, as shown on the inside cover page

Orange County, Florida (the "County") is issuing its \$[PAR AMOUNT]* Water and Wastewater Utility Revenue Bonds, Series 2026 (the "Series 2026 Bonds") as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof. Interest on the Series 2026 Bonds is payable semiannually on each April 1 and October 1, commencing April 1, 2027, and will be payable by check or draft of U.S. Bank Trust Company, National Association, Orlando, Florida, as Registrar and Paying Agent (the "Registrar" and "Paying Agent"), to the holders in whose names the Series 2026 Bonds shall be registered at the close of business on the fifteenth day (whether or not a business day) of the calendar month next preceding the applicable interest payment date. Principal and premium, if any, of the Series 2026 Bonds is payable to the holder thereof upon presentation and surrender at the designated office of the Paying Agent. Upon initial issuance, the Series 2026 Bonds will be registered in the name of and held by Cede & Co. as nominee for The Depository Trust Company ("DTC"), an automated depository for securities and a clearinghouse for securities transactions. So long as DTC or Cede & Co. is the registered owner of the Series 2026 Bonds, payments of the principal of and interest on the Series 2026 Bonds will be wired directly to DTC or Cede & Co., which is to remit such payments to the Participants (as defined herein), which in turn are to remit such payments to the Beneficial Owners (as defined herein) of the Series 2026 Bonds. See "BOOK-ENTRY ONLY SYSTEM" herein.

As used in this Official Statement, unless otherwise defined herein, all capitalized terms shall have the meanings set forth in "APPENDIX B – FORM OF RESOLUTION" attached hereto.

The Series 2026 Bonds are subject to optional redemption prior to their stated maturities as set forth herein.

The Series 2026 Bonds are being issued to (i) finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utility system (the "System"), and (ii) pay certain costs and expenses relating to the issuance of the Series 2026 Bonds.

The Series 2026 Bonds are issued pursuant to and under the authority of Article VIII, Section 1 of the Constitution of the State of Florida, Section 125.01, Florida Statutes, the Charter of the County, and other applicable provisions of law (collectively, the "Act"), and under and pursuant to Resolution No. 92-B-06 adopted by the Board of County Commissioners of the County (the "Board") on June 12, 1992, as amended, restated and supplemented, in particular as amended and restated by Resolution No. 2016-B-02 adopted by the Board on March 15, 2016, as may be amended and supplemented (the "Master Resolution"), and particularly as amended and supplemented by Resolution No. 2026-[] adopted by the Board on [RESO DATE], 2026, (the "Supplemental Resolution" and together with the Master Resolution, the "Resolution").

The Series 2026 Bonds are payable solely from and secured by a lien upon and pledge of (a) the Net Revenues (as defined herein) and (b) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds and accounts established under the Resolution, except (i) the Rebate Fund, (ii) to the extent moneys therein shall be required to pay the Operating Expenses (as defined herein) of the System in accordance with the terms of the Resolution, and (iii) any moneys set aside in a particular subaccount of the Reserve Account if such moneys shall be pledged solely for the payment of a different Series of Bonds for which it was established in accordance with the provisions of the Resolution (collectively, the "Pledged Funds").

THE SERIES 2026 BONDS SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE COUNTY AS "BONDS" WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, BUT SHALL BE SPECIAL OBLIGATIONS OF THE COUNTY, PAYABLE SOLELY FROM AND SECURED BY A LIEN UPON AND PLEDGE OF THE PLEDGED FUNDS, IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION. NO HOLDER OF ANY SERIES 2026 BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER TO PAY SUCH SERIES 2026 BOND, OR BE ENTITLED TO PAYMENT OF SUCH SERIES 2026 BOND FROM ANY MONEYS OF THE COUNTY EXCEPT FROM THE PLEDGED FUNDS IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION. THE SERIES 2026 BONDS AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE

A LIEN UPON THE SYSTEM OR ANY OTHER PROPERTY OF THE COUNTY, BUT SHALL CONSTITUTE A LIEN ONLY ON, AND SHALL BE PAYABLE SOLELY FROM, PLEDGED FUNDS.

Electronic bids only for the Series 2026 Bonds pursuant to the provisions of the Notice of Sale will be received by the County pursuant to S&P Global's Parity® electronic bid submission system in the manner and at the time and/or date described in the Official Notice of Sale.

A DETAILED MATURITY SCHEDULE IS SET FORTH ON THE INSIDE COVER.

Purchasers of the Series 2026 Bonds, by their purchase and acceptance thereof, are deemed to have expressly and irrevocably consented to and approved the amendment of the terms and provisions of the Resolution by incorporating the amendment (the "Amendment") set forth in the Supplemental Resolution. As provided in the Supplemental Resolution, the Amendment shall become effective upon the consent thereto of the owners of not less than 51% of the aggregate principal amount of the Bonds at the time Outstanding under the Resolution. It is anticipated that the Amendment shall become effective upon the issuance of the Series 2026 Bonds. See "SECURITY FOR THE SERIES 2026 BONDS - Springing Amendment to Resolution" contained herein.

ORANGE COUNTY, FLORIDA
WATER AND WASTEWATER UTILITY REVENUE BONDS,
SERIES 2026

INTRODUCTION

The purpose of this Official Statement, which includes the cover page and the appendices, is to furnish certain information with respect to the sale of \$[PAR AMOUNT]* aggregate principal amount of Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2026 (the "Series 2026 Bonds") being issued by Orange County, Florida (the "County"). The term "County" shall mean Orange County, Florida, and any authority or other governmental entity to which may hereafter be transferred some or all of the powers and responsibilities of the County with respect to the ownership, financing, operation, enlargement, improvement and maintenance of the System (as defined herein).

The Series 2026 Bonds are issued pursuant to and under the authority of Article VIII, Section 1 of the Constitution of the State of Florida, Section 125.01, Florida Statutes, the Charter of the County and other applicable provisions of law (collectively, the "Act"), and under and pursuant to Resolution No. 92-B-06 adopted by the Board of County Commissioners of the County (the "Board") on June 12, 1992, as amended, restated and supplemented, in particular as amended and restated by Resolution No. 2016-B-02 adopted by the Board on March 15, 2016, as may be amended and supplemented (the "Master Resolution"), and particularly as amended and supplemented by Resolution No. 2026-[] adopted by the Board on [RESO DATE], 2026, (the "Supplemental Resolution" and together with the Master Resolution, the "Resolution"). Capitalized terms used but not otherwise defined herein have the same meaning ascribed thereto in the Resolution unless the context would clearly indicate otherwise.

The Series 2026 Bonds are being issued to (i) finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utilities system (as more fully described herein, the "System"), and (ii) pay certain costs and expenses relating to the issuance of the Series 2026 Bonds.

The Series 2026 Bonds are payable solely from and secured by a lien upon and pledge of (a) the Net Revenues (as defined herein) and (b) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds and accounts established under the Resolution, except (i) the Rebate Fund, (ii) to the extent moneys therein shall be required to pay the Operating Expenses of the System in accordance with the terms of the Resolution, and (iii) any moneys set aside in a particular subaccount of the Reserve Account if such moneys shall be pledged solely for the payment

* Preliminary, subject to change.

of a different Series of Bonds for which it was established in accordance with the provisions of the Resolution (collectively, the "Pledged Funds"). The Series 2026 Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account and accordingly, the Reserve Account Requirement for the Series 2026 Bonds shall be set to an amount equal to \$0.

The Series 2026 Bonds, together with any Additional Bonds issued under the Resolution and any Subordinate Indebtedness which accedes to the status of Bonds pursuant to the Resolution are herein collectively referred to as the "Bonds."

Purchasers of the Series 2026 Bonds, by their purchase and acceptance thereof, are deemed to have expressly and irrevocably consented to and approved the amendment of the terms and provisions of the Resolution by incorporating the amendment (the "Amendment") set forth in the Supplemental Resolution. As provided in the Supplemental Resolution, the Amendment shall become effective upon the consent thereto of the owners of not less than 51% of the aggregate principal amount of the Bonds at the time Outstanding under the Resolution. It is anticipated that the Amendment shall become effective upon the issuance of the Series 2026 Bonds. See "SECURITY FOR THE SERIES 2026 BONDS - Springing Amendment to Resolution" contained herein.

The County has covenanted in the Resolution to provide certain continuing disclosure information pursuant to Rule 15c2-12 of the Securities and Exchange Commission relating to the Series 2026 Bonds. See "APPENDIX G - FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached hereto.

Complete descriptions of the terms and conditions of the Series 2026 Bonds are set forth in the Resolution, a form of which is attached as APPENDIX B to this Official Statement. The descriptions of the Series 2026 Bonds, the documents authorizing and securing the same, and the information from various reports and statements contained herein are not comprehensive or definitive. All references herein to such documents, reports and statements are qualified by the entire, actual content of such documents, reports and statements. Copies of such documents, reports and statements referred to herein that are not included in their entirety in this Official Statement may be obtained by contacting Ms. Stephanie Taub, Manager, Fiscal and Business Services Division, Orange County, Florida, County Administration Building, 201 South Rosalind Avenue, Orlando, Florida 32801, (407) 836-5915.

Except as specified otherwise herein, the County specifically disclaims, and does not undertake, any obligation to further supplement, amend or update the information contained in this Official Statement to reflect the occurrence of any event or transaction after the date of this Official Statement. The County has contracted with Digital Assurance Certification LLC ("DAC") to be a supplemental source of information for the County's bond issuances. Such services may be discontinued at any time. Information regarding

this debt issuance may be found at the DAC internet site, www.dacbond.com. See "CONTINUING DISCLOSURE" herein.

To the extent this Official Statement contains certain "forward-looking statements" concerning the County's and the System's operations, performance and financial condition, see "FORWARD LOOKING STATEMENTS" herein.

THE SERIES 2026 PROJECT

The Series 2026 Project consists of various capital improvements to the System, as further described in the Resolution and such other capital projects relating to the System approved by the Board from time to time by inclusion in the capital improvement plan for the System. See "APPENDIX B – FORM OF RESOLUTION" attached hereto.

See also "APPENDIX E - CONSULTING ENGINEER'S REPORT" attached hereto for a more detailed description of the Series 2026 Project.

DESCRIPTION OF SERIES 2026 BONDS

Terms and Form

The Series 2026 Bonds shall be issued only in fully registered form without coupons in principal denominations of \$5,000 each or any integral multiple thereof. The Series 2026 Bonds are dated as of the date of their delivery and bear interest at the rates per annum and mature on the dates set forth on the inside cover page hereof. Interest on the Series 2026 Bonds is payable semiannually on each April 1 and October 1, commencing April 1, 2027 (the "Interest Dates"). Interest payable on the Series 2026 Bonds on any Interest Date shall be paid by check or draft of U.S. Bank Trust Company, National Association, Orlando, Florida, as Registrar and Paying Agent (the "Registrar" or "Paying Agent"), to the holders in whose names the Series 2026 Bonds shall be registered at the close of business on the fifteenth day (whether or not a business day) of the calendar month next preceding the applicable Interest Date. Principal of the Series 2026 Bonds is payable to the holder thereof upon presentation and surrender at the designated corporate trust office of the Paying Agent. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Series 2026 Bonds will be issued initially as book-entry obligations and held by The Depository Trust Company ("DTC") as securities depository. The ownership of one fully registered Series 2026 Bond for each maturity as set forth on the inside cover page hereof, in the appropriate aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as nominee for DTC. For more information regarding DTC and DTC's Book-Entry System, see "BOOK-ENTRY ONLY SYSTEM" herein.

Interchangeability, Negotiability and Transfer

So long as the Series 2026 Bonds are registered in the name of Cede & Co., as the nominee of DTC, the transfer and exchange of any Series 2026 Bonds shall be governed by rules established between DTC and its Direct and Indirect Participants. See "DESCRIPTION OF THE SERIES 2026 BONDS - Book Entry Only System" below. Upon the discontinuance of the book entry only registration system for the Series 2026 Bonds, the following provisions described under this subheading shall apply for Beneficial Owners.

The Series 2026 Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Series 2026 Bonds of the same maturity of any other authorized denominations.

The Series 2026 Bonds issued under the Resolution shall be and have all the qualities and incidents of negotiable instruments under the law merchant and the Uniform Commercial Code of the State of Florida, subject to the provisions for registration and transfer contained in the Resolution and in the Series 2026 Bonds. So long as any of the Series 2026 Bonds shall remain Outstanding, the County shall maintain and keep, at the office of the Registrar, books for the registration and transfer of the Series 2026 Bonds.

Each Series 2026 Bond shall be transferable only upon the books of the County, at the office of the Registrar, under such reasonable regulations as the County may prescribe, by the Holder thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or his duly authorized attorney. Upon the transfer of any such Series 2026 Bond, the County shall issue, and cause to be authenticated, in the name of the transferee a new Series 2026 Bond or Series 2026 Bonds of the same aggregate principal amount and series and maturity as the surrendered Series 2026 Bond. The County, the Registrar and any Paying Agent or fiduciary of the County may deem and treat the Person in whose name any Outstanding Series 2026 Bond shall be registered upon the books of the County as the absolute owner of such Series 2026 Bond, whether such Series 2026 Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if applicable, and interest on such Series 2026 Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Series 2026 Bond to the extent of the sum or sums so paid and neither the County nor the Registrar nor any Paying Agent or other fiduciary of the County shall be affected by any notice to the contrary.

The Registrar, in any case where it is not also the Paying Agent in respect to any Series 2026 Bonds, forthwith (a) following the fifteenth day prior to an interest payment date for the Series 2026 Bonds; (b) following the fifteenth day next preceding the date of first mailing of notice of redemption of any Series 2026 Bonds; and (c) at any other time as reasonably requested by the Paying Agent of such Series 2026 Bonds, shall certify and furnish to such Paying Agent the names, addresses and holdings of Series 2026 Bondholders and any other relevant information reflected in the registration books. Any Paying Agent of any fully registered Series 2026 Bond shall effect payment of interest on such Series 2026 Bonds by mailing a check to the Holder entitled thereto or may, in lieu thereof, upon the request and expense of such Holder, transmit such payment by bank wire transfer for the account of such Holder.

In all cases in which the privilege of exchanging Series 2026 Bonds or transferring Series 2026 Bonds is exercised, the County shall execute and deliver Series 2026 Bonds and the Registrar shall authenticate such Series 2026 Bonds in accordance with the provisions of the Resolution. Execution of Series 2026 Bonds by the Mayor or County Administrator and attestation by the Comptroller for purposes of exchanging, replacing or

transferring Series 2026 Bonds may occur at the time of the original delivery of the Series 2026 Bonds. All Series 2026 Bonds surrendered in any such exchanges or transfers shall be held by the Registrar in safekeeping until directed by the County to be cancelled by the Registrar. For every such exchange or transfer of Series 2026 Bonds, the County or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or transfer. The County and the Registrar shall not be obligated to make any such exchange or transfer of Series 2026 Bonds during the fifteen days next preceding an Interest Date on the Series 2026 Bonds or, in the case of any proposed redemption of the Series 2026 Bonds, then, for the Series 2026 Bonds subject to redemption, during the fifteen days next preceding the date of the first mailing of notice of such redemption and continuing until such redemption date.

Optional Redemption of Series 2026 Bonds

The Series 2026 Bonds maturing on or after October 1, 2037, shall be subject to redemption at the option of the County prior to maturity in whole or in part on any date on or after October 1, 2036 (and if in part, in such order of maturities as shall be selected by the County and by lot within maturities), at a redemption price equal to the principal amount thereof, without premium, plus interest accruing on the principal amount to be redeemed to the redemption date.

Mandatory Redemption

The Series 2026 Bonds maturing October 1, 20__ are subject to mandatory redemption in part by the County by lot prior to their scheduled maturity from moneys in the Term Bonds Redemption Account established under the Resolution in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the date of redemption on October 1 of the years and in the principal amounts set forth below:

<u>Date</u>	<u>Amortization Installments</u>
	\$
*	
<u>*Final Maturity</u>	

Notice of Redemption

Notice of any redemption shall specify the Series 2026 Bonds (or portions thereof) to be redeemed and the date and place for redemption, shall be given by the Registrar on behalf of the County, and (a) shall be filed with the Paying Agent of such Series 2026

Bonds, (b) shall be mailed first class, postage prepaid, not less than 30 days nor more than 45 days prior to the redemption date to all Holders of the Series 2026 Bonds to be redeemed at their addresses as they appear on the registration books kept by the Registrar as of the date of mailing of such notice, and (c) shall be mailed, certified mail, postage prepaid, at least 35 days prior to the redemption date to the registered securities depositories and one or more nationally recognized municipal bond information services as provided in the Resolution. Failure to mail such notice to such depositories or services or the Holders of the Series 2026 Bonds to be redeemed, or any defect therein, shall not affect the proceedings for redemption of Series 2026 Bonds as to which no such failure or defect has occurred. Such notice shall also be mailed to the Insurer, if any, of such redeemed Series 2026 Bonds. Failure of any Holder to receive any notice mailed as provided in the Resolution shall not affect the proceedings for redemption of such Holder's Series 2026 Bonds. Notice of optional redemption of the Series 2026 Bonds shall only be sent if the County reasonably determines it shall have sufficient funds available to pay the Redemption Price of and interest on the Series 2026 Bonds called for redemption on the redemption date.

Each notice of redemption shall state: (a) the CUSIP numbers and any other distinguishing number or letter of all Series 2026 Bonds being redeemed, (b) the original issue date of such Series 2026 Bonds, (c) the maturity date and rate of interest borne by each Series 2026 Bond being redeemed, (d) the redemption date, (e) the Redemption Price, (f) the date on which such notice is mailed, (g) if less than all Outstanding Series 2026 Bonds are to be redeemed, the certificate number (and, in the case of a partial redemption of any Series 2026 Bond, the principal amount) of each Series 2026 Bond to be redeemed, (h) that on such redemption date there shall become due and payable upon each Series 2026 Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Series 2026 Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable, (i) that the Series 2026 Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the Redemption Price at the designated office of the Registrar at an address specified, (j) the name and telephone number of a person designated by the Registrar to be responsible for such redemption, (k) unless sufficient funds have been set aside by the County for such purpose prior to the mailing of the notice of redemption, that such redemption is conditioned upon the deposit of sufficient funds for such purpose on or prior to the date set for redemption, and (l) any other conditions that must be satisfied prior to such redemption.

The County may provide that a redemption may be contingent upon the occurrence of certain condition(s) and that if such condition(s) do not occur the notice of redemption will be rescinded, provided notice of rescission shall be mailed in the manner described above to all affected Series 2026 Bondholders as soon as practicable.

Notwithstanding the foregoing, so long as Cede & Co. or any subsequent securities depository is the registered owner of the Series 2026 Bonds, such notice of redemption will only be sent to Cede & Co. or such subsequent securities depository. Notices are to be provided to the Beneficial Owners pursuant to arrangements established between the Participants and Beneficial Owners. See "BOOK-ENTRY ONLY SYSTEM" herein. Upon the discontinuance of the book-entry-only registration system for the Series 2026 Bonds, the foregoing provisions will apply with respect to the Beneficial Owners of the Series 2026 Bonds.

Purchase in Lieu of Optional Redemption

Notwithstanding anything in the Resolution to the contrary, at any time the Series 2026 Bonds are subject to optional redemption pursuant to the Resolution, all or a portion of the Series 2026 Bonds to be redeemed as specified in the notice of redemption, may be purchased by the Paying Agent, as trustee, at the direction of the County, on the date which would be the redemption date if such Series 2026 Bonds were redeemed rather than purchased in lieu thereof, at a purchase price equal to the redemption price which would have been applicable to such Series 2026 Bonds on the redemption date for the account of and at the direction of the County who shall give the Paying Agent, as trustee, notice at least ten days prior to the scheduled redemption date accompanied by an opinion of Bond Counsel to the effect that such purchase will not adversely affect the exclusion from gross income for federal income tax purposes of interest on such Series 2026 Bonds or any other Outstanding Bonds. In the event the Paying Agent, as trustee, is so directed to purchase Series 2026 Bonds in lieu of optional redemption, no notice to the holders of the Series 2026 Bonds to be so purchased (other than the notice of redemption otherwise required under the Resolution) shall be required, and the Paying Agent, as trustee, shall be authorized to apply to such purchase the funds which would have been used to pay the redemption price for such Series 2026 Bonds if such Series 2026 Bonds had been redeemed rather than purchased. Each Series 2026 Bond so purchased shall not be canceled or discharged and shall be registered in the name of the County. Series 2026 Bonds to be purchased under the Resolution in the manner set forth above which are not delivered to the Paying Agent, as trustee, on the purchase date shall be deemed to have been so purchased and not optionally redeemed on the purchase date and shall cease to accrue interest as to the former holder thereof on the purchase date.

BOOK-ENTRY ONLY SYSTEM

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE COUNTY BELIEVES TO BE RELIABLE, BUT THE COUNTY TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

DTC will act as securities depository for the Series 2026 Bonds. The Series 2026 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2026 Bond certificate will be issued for each maturity of the Series 2026 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934 (the "Exchange Act"). DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2026 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2026 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2026 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2026 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership

interests in the Series 2026 Bonds, except in the event that use of the book-entry system for the Series 2026 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2026 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2026 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2026 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2026 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2026 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2026 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2026 Bond documents. For example, Beneficial Owners of Series 2026 Bonds may wish to ascertain that the nominee holding the Series 2026 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2026 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2026 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2026 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2026 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's

records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2026 Bonds at any time by giving reasonable notice to the County or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2026 Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book entry only transfers through DTC (or a successor securities depository). In that event, Series 2026 Bonds certificates will be printed and delivered to the holders of the Series 2026 Bonds.

So long as Cede & Co. is the registered owner of the Series 2026 Bonds, as nominee for DTC, references herein to the registered owners of the Series 2026 Bonds shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the Series 2026 Bonds.

SECURITY FOR THE SERIES 2026 BONDS

General

The payment of the principal of or Redemption Price, if applicable, and interest on the Series 2026 Bonds shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Funds; provided, however, that a Series of Bonds may be secured independently of any other Series of Bonds by the establishment of a separate subaccount in the Reserve Account for such Series of Bonds or by not being secured in any manner by the Reserve Account as provided in a Supplemental Resolution.

The Pledged Funds shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County.

"Pledged Funds" means (a) the Net Revenues and (b) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds and accounts established under the Resolution, except (i) the Rebate Fund, (ii) to the extent moneys therein shall be required to pay the Operating Expenses of the System in accordance with the terms of the Resolution, and (iii) any moneys set aside in a particular subaccount of the Reserve Account if such moneys shall be pledged solely for the payment of a different Series of Bonds for which it was established in accordance with the provisions of the Resolution. The Resolution authorizes the County to pledge Connection Fees pursuant to Supplemental Resolution; however, Connection Fees are not pledged to the Series 2026 Bonds.

"Net Revenues" means Gross Revenues less Operating Expenses.

"Gross Revenues" means all income and moneys received by the County from the rates, fees, rentals, charges and other income to be made and collected by the County for the use of the products, services and facilities to be provided by the System, including Stormwater Revenues, or otherwise received by the County or accruing to the County in the management and operation of the System, calculated in accordance with generally accepted accounting principles applicable to public utility systems similar to the System, including, without limiting the generality of the foregoing, (a) moneys deposited from the Rate Stabilization Fund into the Revenue Fund in accordance with the terms of the Resolution, provided any moneys transferred from the Rate Stabilization Fund into the Revenue Fund in an amount not to exceed the Rate Stabilization Amount within 60 days following the end of a Fiscal Year may be designated by the County as Gross Revenues of such prior Fiscal Year, (b) proceeds from use and occupancy insurance on the System, (c) Special Assessment Proceeds, to the extent pledged by Supplemental Resolution, and (d) Investment Earnings. "Gross Revenues" shall not include (i) Government Grants, (ii)

proceeds of Bonds or other County debt, (iii) moneys deposited to the Rate Stabilization Fund from the Utility Reserve Fund, including any moneys transferred from the Utility Reserve Fund to the Rate Stabilization Fund within 60 days following the end of a Fiscal Year which the County determines not to be Gross Revenues of such prior Fiscal Year, (iv) Connection Fees, (v) Special Assessments Proceeds, unless subsequently pledged by Supplemental Resolution, (vi) any gain or loss from the sale of assets of the System, (vii) any gain that does not require or result in the receipt of cash and (viii) fees, revenues and income relating to the Orange County Wholesale Water Supply System, if established pursuant to the Resolution. Gross Revenues may include Special Assessments Proceeds and/or other revenues related to the System which are not enumerated in the definition of "Gross Revenues" if so authorized by Supplemental Resolution and if and to the extent the same shall be approved for inclusion by all Insurers and Credit Banks.

"Water Utilities System" or "System" means the Water and Wastewater System, including any and all water production, transmission, treatment and distribution facilities, wastewater collection, transmission, treatment and disposal facilities, and reclaimed water (reuse) facilities now owned or hereafter owned by the County, which Water Utilities System shall also include the Stormwater Management System and all improvements, extensions and additions thereto hereafter constructed or acquired either from the proceeds of Bonds or from any other sources, together with all property, real or personal, tangible or intangible, now or hereafter owned or used in connection therewith, including all contractual rights, rights to capacity and obligations or undertakings associated therewith. "Water Utilities System" or "System" shall also include any other utility facilities if and to the extent the County determines by Supplemental Resolution to include such facilities within the Water Utilities System as described in the Resolution. The Water Utilities System shall not include any property or facilities (or portions thereof) designated by the County as part of the Orange County Wholesale Water Supply System if established pursuant to the Resolution. The Water Utilities System and the Orange County Wholesale Water Supply System may share assets, facilities and property.

"Orange County Wholesale Water Supply System" means all water production, treatment and transmission facilities, including improvements, extensions and additions thereto, together with all property and contractual rights relating thereto, which shall constitute such system, if established pursuant to the Resolution.

"Operating Expenses" means the County's expenses for operation, maintenance and repairs with respect to the System and shall include, without limiting the generality of the foregoing, administration expenses, payments for the purchase of materials essential to or used in the operation of the System including bulk purchases of water or wastewater services, fees for the management of the System or any portion thereof, any insurance and surety bond fees, the fees to the provider of a Reserve Account Insurance Policy or Reserve Account Letter of Credit (but excluding any expenses or reimbursement obligations for draws made thereunder), accounting, legal and engineering expenses, ordinary and current

rentals of equipment or other property, refunds of moneys lawfully due to others, payments to others for disposal of sewage or other wastes, actual payments to pension, retirement, health and hospitalization funds, and any other expenses required to be paid for or with respect to proper operation or maintenance of the System, including appropriate reserves therefor, all to the extent properly attributable to the System in accordance with generally accepted accounting principles applicable to public utility systems similar to the System, and disbursements for the expenses, liabilities and compensation of any Paying Agent or Registrar under the Resolution, but does not include any extraordinary or non-recurring expenses, or any costs or expenses in respect of original construction or improvement other than expenditures necessary to prevent an interruption or continuance of an interruption of service or of Gross Revenues or minor capital expenditures necessary for the proper and economical operation or maintenance of the System, or any provision for interest, depreciation, amortization or similar charges, or any debt issuance costs, or any payments in lieu of taxes or franchise fees made to the County's general fund, or any accruals required to be recognized with respect to pension, retirement, health and hospitalization funds that do not require or result in the expenditure of cash and any loss that does not require or result in the expenditure of cash. Operating expenses of the System and the Orange County Wholesale Water Supply System may be shared by, or allocated between, such Systems.

THE SERIES 2026 BONDS SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE COUNTY AS "BONDS" WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, BUT SHALL BE SPECIAL OBLIGATIONS OF THE COUNTY, PAYABLE SOLELY FROM AND SECURED BY A LIEN UPON AND PLEDGE OF THE PLEDGED FUNDS, IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION. NO HOLDER OF ANY SERIES 2026 BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER TO PAY SUCH SERIES 2026 BOND, OR BE ENTITLED TO PAYMENT OF SUCH SERIES 2026 BOND FROM ANY MONEYS OF THE COUNTY EXCEPT FROM THE PLEDGED FUNDS IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION. THE SERIES 2026 BONDS AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON THE SYSTEM OR ANY OTHER PROPERTY OF THE COUNTY, BUT SHALL CONSTITUTE A LIEN ONLY ON, AND SHALL BE PAYABLE SOLELY FROM PLEDGED FUNDS.

Outstanding Bonds

On May 29, 2025, the County issued its \$142,465,000 Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2025 (the "Series 2025 Bonds") to finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utility system. The principal amount of Series 2025 Bonds outstanding as of October 1, 2025 is \$142,465,000.

On December 10, 2020, the County issued its \$140,740,000 Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2020 (the "Series 2020 Bonds") to finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utility system. The principal amount of Series 2020 Bonds outstanding as of October 1, 2025 is \$120,880,000.

On May 26, 2016, the County issued its \$89,035,000 Orange County, Florida Water and Wastewater Utility Revenue Bonds, Series 2016 (the "Series 2016 Bonds") to finance certain costs relating to the acquisition, construction and equipping of various capital improvements to the County's water and wastewater utility system. The principal amount of Series 2016 Bonds outstanding as of October 1, 2025 is \$57,850,000.

Funds and Accounts

The following funds and accounts have been created under the Resolution:

- (1) the Orange County, Florida Water and Wastewater Construction Fund and within the Water and Wastewater Construction Fund, the "Series 2026 Account;"
- (2) the Orange County, Florida Water and Wastewater Revenue Fund;
- (3) the Orange County, Florida Water and Wastewater Operation and Maintenance Fund;
- (4) the Orange County, Florida Water and Wastewater Sinking Fund. The County shall maintain four separate accounts in the Sinking Fund: the "Interest Account," the "Principal Account," the "Term Bonds Redemption Account" and the "Reserve Account."
- (5) the Orange County, Florida Water and Wastewater Connection Fees Fund;
- (6) the Orange County, Florida Water and Wastewater Special Assessments Fund;
- (7) the Orange County, Florida Water and Wastewater Renewal and Replacement Fund;
- (8) the Orange County, Florida Water and Wastewater Utility Reserve Fund;
- (9) the Orange County, Florida Water and Wastewater Rebate Fund; and
- (10) the Orange County, Florida Water and Wastewater Rate Stabilization Fund.

Moneys in the aforementioned funds and accounts (except for moneys in the Rebate Fund and the Connection Fees Fund (unless pledged pursuant to Supplemental Resolution)), until applied in accordance with the provisions of the Resolution, shall be

subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders to the extent provided in the Resolution. The Series 2026 Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account and accordingly, the Reserve Account Requirement for the Series 2026 Bonds shall be set to an amount equal to \$0.

Notwithstanding the foregoing, none of the aforementioned funds and accounts is required to be established prior to the time any such fund or account is required to be funded or otherwise utilized under the Resolution.

Investments

Moneys on deposit in the Revenue Fund, the Construction Fund, the Sinking Fund, the Connection Fees Fund, the Operation and Maintenance Fund, the Special Assessments Fund, the Utility Reserve Fund, the Rate Stabilization Fund and the Renewal and Replacement Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Construction Fund, the Revenue Fund, the Operation and Maintenance Fund, the Special Assessments Fund, the Principal Account, the Interest Account, the Term Bonds Redemption Account, the Renewal and Replacement Fund, the Connection Fees Fund, the Rate Stabilization Fund and the Utility Reserve Fund shall be invested and reinvested by the County in Authorized Investments, maturing not later than the dates on which such moneys will be needed for the purposes of such fund or account. Moneys on deposit in the Reserve Account shall be invested in Authorized Investments, maturing no later than ten years from the date of investment. All investments shall be valued at the market price thereof on an annual basis as of September 30 of each year.

Any and all income received from the investment of moneys in each separate account of the Revenue Fund, the Construction Fund, the Interest Account, the Principal Account, the Term Bonds Redemption Account, the Utility Reserve Fund, the Renewal and Replacement Fund (to the extent such income and other amounts in such Fund do not exceed the Renewal and Replacement Fund Requirement), the Connection Fees Fund, the Special Assessments Fund, the Utility Reserve Fund, the Rate Stabilization Fund and the Reserve Account (to the extent such income and the other amounts in the Reserve Account does not exceed the Reserve Account Requirement) shall be retained in such respective Fund or Account.

Any and all income received from the investment of moneys in the Renewal and Replacement Fund (only to the extent such income and the other amounts in such Fund exceed the Renewal and Replacement Fund Requirement) and the Reserve Account (only to the extent such income and the other amounts in the Reserve Account exceeds the Reserve Account Requirement) shall be deposited upon receipt thereof in the Revenue Fund.

Nothing in the Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under the Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Flow of Funds

(1) (a) Into the Revenue Fund, the County shall deposit promptly, as received, all Gross Revenues (other than any subsequently pledged Special Assessments Proceeds). Moneys in the Revenue Fund shall first be used each month to deposit in the Operation and Maintenance Fund such sums as are necessary to pay Operating Expenses for the ensuing month and to maintain an operating reserve equal to 60 days of Operating Expenses; provided the County may transfer moneys from the Revenue Fund to the Operation and Maintenance Fund at any time to pay Operating Expenses and to maintain an operating reserve to the extent there is a deficiency in the Operation and Maintenance Fund for such purpose. Amounts in the Operation and Maintenance Fund shall be paid out from time to time by the County for Operating Expenses. The remaining moneys in the Revenue Fund shall be applied in accordance with (2) below.

(b) To the extent Special Assessments Proceeds are made a component of the Gross Revenues, the County shall deposit promptly, as received, all Special Assessment Proceeds into the Special Assessments Fund. In the event the County by Supplemental Resolution provides for all or a portion of any Special Assessments to secure the payment of all or a portion of a particular Series of Bonds, the County may establish separate accounts or subaccounts for the deposit and application of such Special Assessments if necessary to provide for the payment and/or earlier redemption of such Bonds from such Special Assessments.

(2) Any deposits remaining in the Revenue Fund after the aforementioned transfers to the Operation and Maintenance Fund and all moneys at any time on deposit in the Special Assessments Fund (subject to the provisions in the Resolution regarding earlier redemption of Bonds) shall be disposed of by the County on or before the 15th day of each month, commencing in the month immediately following the delivery of any of the Bonds to the purchasers thereof, or such later date as hereinafter provided, first from the Special Assessments Fund and then from the Revenue Fund in the following manner and in the following order of priority:

(a) *Interest Account.* The County shall deposit or credit to the Interest Account the sum which, together with the balance in said Account, shall equal the interest on all Bonds Outstanding (except as to Capital Appreciation Bonds) accrued and unpaid and to accrue to the end of the then current calendar month. All Federal Subsidy Payments shall be deposited directly to the Interest Account upon receipt. Moneys in the Interest Account shall be applied by the County for deposit with the Paying Agents to pay the interest on the Bonds on or prior to the date the same shall become due. Any Federal Subsidy Payments deposited to the Interest Account shall

be deemed to have been applied to the payment of interest on the Federal Subsidy Bonds to which such Payments relate. The County shall adjust the amount of the deposit to the Interest Account not later than a month immediately preceding any Interest Date so as to provide sufficient moneys in the Interest Account to pay the interest on the Bonds coming due on such Interest Date. No further deposit need be made to the Interest Account when the moneys therein are equal to the interest coming due on the Outstanding Bonds on the next succeeding Interest Date. In computing the interest on Variable Rate Bonds which shall accrue during a calendar month, the interest rate on such Variable Rate Bonds shall be assumed to be (i) if such Variable Rate Bonds have been Outstanding for at least 24 months prior to the commencement of such calendar month, the highest average interest rate borne by such Variable Rate Bonds for any 30-day period, and (ii) if such Variable Rate Bonds have not been Outstanding for at least 24 months prior to the date of calculation, the Bond Buyer Revenue Bond Index most recently published prior to the commencement of such calendar month.

(b) *Principal Account.* Commencing no later than the month which is one year prior to the first principal payment date, the County shall next deposit into the Principal Account the sum which, together with the balance in said Account, shall equal the principal amounts on all Bonds Outstanding due and unpaid and that portion of the principal next due which would have accrued on such Bonds during the then current calendar month if such principal amounts were deemed to accrue monthly (assuming that a year consists of 12 equivalent calendar months having 30 days each), except for the Sinking Fund Installments to be deposited pursuant to the Resolution, in equal amounts from the next preceding principal payment due date, or, if there be no such preceding principal payment due date, from a date no later than one year preceding the due date of such principal amount. Moneys in the Principal Account shall be applied by the County for deposit with the Paying Agents to pay the principal of the Bonds on or prior to the date the same shall mature, and for no other purpose. Serial Capital Appreciation Bonds shall be payable from the Principal Account in the years in which such Bonds mature and monthly payments into the Principal Account on account of such Bonds shall commence in the twelfth month immediately preceding the maturity date of such Bonds. The County shall adjust the amount of the deposit to the Principal Account not later than the month immediately preceding any principal payment date so as to provide sufficient moneys in the Principal Account to pay the principal on Bonds becoming due on such principal payment date. No further deposit need be made to the Principal Account when the moneys therein are equal to the principal coming due on the Outstanding Bonds on the next succeeding principal payment date.

(3) Term Bonds Redemption Account. Commencing in the month which is one year prior to the first Sinking Fund Installment due date, there shall be deposited to the Term Bonds Redemption Account the sum which, together with the balance in such

Account, shall equal the Sinking Fund Installments on all Bonds Outstanding due and unpaid and that portion of the Sinking Fund Installments of all Bonds Outstanding next due which would have accrued on such Bonds during the then current calendar month if such Sinking Fund Installments were deemed to accrue monthly (assuming that a year consists of 12 equivalent calendar months having 30 days each) in equal amounts from the next preceding Sinking Fund Installment due date, or, if there is no such preceding Sinking Fund Installment due date, from a date not later than one year preceding the due date of such Sinking Fund Installment. Moneys in the Term Bonds Redemption Account shall be used to purchase or redeem Term Bonds in the manner provided in the Resolution, and for no other purpose. Term Capital Appreciation bonds shall be payable from the Term Bonds Redemption Account in the years in which such Bonds mature and monthly payments into the Term Bonds Redemption Account on account of such Bonds shall commence in the twelfth month immediately preceding the due date of the related Sinking Fund Installments. The County shall adjust the amount of the deposit to the Term Bonds Redemption Account in the month immediately preceding any Sinking Fund Installment due date so as to provide sufficient moneys in the Term Bonds Redemption Account to pay the Sinking Fund Installments becoming due on such date. Payments to the Term Bonds Redemption Account shall be on parity with payments to the Principal Account.

Amounts accumulated in the Term Bonds Redemption Account with respect to any Sinking Fund Installment (together with amounts accumulated in the Interest Account with respect to interest, if any, on the Term Bonds for which such Sinking Fund Installment was established) may be applied by the County, on or prior to the 60th day preceding the due date of such Sinking Fund Installment, (a) to the purchase of Term Bonds of the Series and maturity for which such Sinking Fund Installment was established, or (b) to the redemption at the applicable Redemption Prices of such Term Bonds, if then redeemable by their terms. Amounts in the Term Bonds Redemption Account which are used to redeem Term Bonds shall be credited against the next succeeding Sinking Fund Installment which shall become due on such Term Bonds. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Term Bonds Redemption Account until such Sinking Fund Installment due date, for the purposes of calculating the amount of such Account. As soon as practicable after the 60th day preceding the due date of any such Sinking Fund Installment, the County shall proceed to call for redemption on such due date, by causing notice to be given as provided in the Resolution, Term Bonds of the Series and maturity for which such Sinking Fund Installment was established (except in the case of Term Bonds maturing on a Sinking Fund Installment due date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment. The County shall pay out of the Term Bonds Redemption Account and the Interest Account to the appropriate Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such

redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds shall be paid by the County from the Operation and Maintenance Fund.

(4) Reserve Account. The Series 2026 Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account and accordingly, the Reserve Account Requirement for the Series 2026 Bonds shall be set to an amount equal to \$0. There shall be deposited to the Reserve Account an amount which would enable the County to restore the funds on deposit in the Reserve Account to an amount equal to the Reserve Account Requirement applicable thereto. All deficiencies in the Reserve Account must be made up no later than 12 months from the date such deficiency first occurred, whether such shortfall was caused by an increase in the applicable Reserve Account Requirement, a decrease in the aggregate market value of the investments therein of more than 5% or withdrawal (whether from cash or a Reserve Account Insurance Policy or Reserve Account Letter of Credit). On or prior to each principal payment date and Interest Date for the Bonds (in no event earlier than the 15th day of the month next preceding such payment date), moneys in the Reserve Account shall be applied by the County to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds to the extent moneys in the Interest Account, the Principal Account and the Term Bonds Redemption Account shall be insufficient for such purpose, but only to the extent the moneys transferred from the Utility Reserve Fund for such purposes pursuant to the Resolution shall be inadequate to fully provide for such insufficiency. Whenever there shall be surplus moneys in the Reserve Account by reason of a decrease in the Reserve Account Requirement or as a result of a deposit in the Reserve Account of a Reserve Account Letter of Credit or a Reserve Account Insurance Policy, such surplus moneys, to the extent practicable, shall be deposited by the County into the Utility Reserve Fund and applied as directed by Bond Counsel. The County shall promptly inform each Insurer and Credit Bank of any draw upon the Reserve Account for purposes of paying the principal of and interest on the Bonds.

Upon the issuance of any Series of Bonds under the terms, limitations and conditions as provided in the Resolution, the County shall fund the Reserve Account in an amount at least equal to the applicable Reserve Account Requirement to the extent such Series of Bonds are to be secured by the Reserve Account or any subaccount therein; provided, however, nothing in the Resolution shall be construed to require the County to fund the Reserve Account or any subaccount for any Series of Bonds. Upon the adoption of the Supplemental Resolution authorizing the issuance of a Series of Bonds, the County shall determine whether such Series of Bonds shall be secured by the Reserve Account or any subaccount therein and, if the County determines that the Series of Bonds will be secured by a separate subaccount therein, the County shall also establish the Reserve Account Requirement applicable thereto. Such required amount, if any, shall be paid in full or in part from the proceeds of such Series of Bonds or may be accumulated in equal monthly payments to the Reserve Account or subaccount therein over a period of months from the date of issuance of such Series of Bonds, which shall not exceed 36 months.

The County may also establish a separate subaccount in the Reserve Account for any Series of Bonds and such subaccount shall be pledged to the payment of such Series of Bonds apart from the pledge provided in the Resolution. To the extent a Series of Bonds is secured separately by a subaccount of the Reserve Account, the Holders of such Bonds shall not be secured by any other moneys in the Reserve Account. Moneys in a separate subaccount of the Reserve Account shall be maintained at the Reserve Account Requirement applicable to such Series of Bonds secured by the subaccount; provided the Supplemental Resolution authorizing such Series of Bonds may establish the Reserve Account Requirement relating to such separate subaccount of the Reserve Account at such level as the County deems appropriate. In the event the County by Supplemental Resolution establishes the Reserve Account Requirement for a particular Series of Bonds to be zero dollars (\$0.00) or it shall determine that such Series are not to be secured in any manner by the Reserve Account or a subaccount, then it shall not be required to establish a separate subaccount; provided, however, such Series of Bonds shall have no lien on or pledge of any moneys on deposit in the Reserve Account. Moneys used to replenish the Reserve Account shall be deposited in the separate subaccounts in the Reserve Account and in the Reserve Account on a pro-rata basis.

In the event the County shall maintain a Reserve Account Insurance Policy or Reserve Account Letter of Credit and moneys in the Reserve Account or any subaccount, the moneys shall be used prior to making any disbursements under such Reserve Account Insurance Policy or Reserve Account Letter of Credit. See "APPENDIX B - FORM OF RESOLUTION" attached hereto for more information regarding the use of Reserve Account Insurance Policies and Reserve Account Letters of Credit.

(5) Renewal and Replacement Fund. There shall be deposited to the Renewal and Replacement Fund monthly such sums as shall be sufficient to pay 1/12 of the Renewal and Replacement Fund Requirement until the amount accumulated in such Fund is equal to the Renewal and Replacement Fund Requirement, taking into account the market value of investments in such Fund; provided, however, that (a) such Renewal and Replacement Fund Requirement may be increased or decreased as the Consulting Engineers shall certify to the County is necessary for the purposes of the Renewal and Replacement Fund, and (b) in the event that the Consulting Engineers shall certify that the Renewal and Replacement Fund Requirement is excessive for the purposes of the Renewal and Replacement Fund such excess amount as may be on deposit therein may be transferred by the County from the Renewal and Replacement Fund for deposit into the Utility Reserve Fund. The moneys in the Renewal and Replacement Fund shall be applied by the County for the purpose of paying the cost of major extensions, improvements or additions to, or the replacement or renewal of capital assets of, the System, or extraordinary repairs of the System; provided, however, that on or prior to each principal and interest payment date for the Bonds (in no event earlier than the 15th day of the month next preceding such payment date), moneys in the Renewal and Replacement Fund shall be applied for the payment into the Interest Account, the Principal Account, and the Term Bonds Redemption Account when the

moneys therein are insufficient to pay the principal of and interest on the Bonds coming due, but only to the extent moneys transferred from the Utility Reserve Fund for such purpose pursuant to the Resolution, together with moneys available in the Reserve Account for such purpose pursuant to the Resolution, shall be inadequate to fully provide for such insufficiency.

(6) Subordinated Indebtedness. Gross Revenues in the Revenue Fund shall next be applied by the County for the payment of any accrued debt service on Subordinated Indebtedness incurred by the County in connection with the System and in accordance with the proceedings authorizing such Subordinated Indebtedness.

(7) Utility Reserve Fund. The balance of any Gross Revenues remaining in said Revenue Fund shall be deposited in the Utility Reserve Fund and applied to the payment, on or prior to each principal and interest payment date for the Bonds (in no event earlier than the 15th day of the month next preceding such payment date), into the Interest Account, the Principal Account and the Term Bonds Redemption Account when the moneys therein shall be insufficient to pay the principal of and interest on the Bonds coming due. Moneys not required to meet such a deficiency shall be deposited to the Reserve Account to make up any deficiency therein, and thereafter to the Rebate Fund to the extent moneys are required to be deposited therein. Thereafter, except as otherwise provided in the Resolution, moneys in the Utility Reserve Fund may be applied for any lawful purpose relating to the System including but not limited to, payments in lieu of taxes, payments in lieu of franchise fees and other similar payments, including, but not limited to, purchase or redemption of Bonds, payment of Subordinated Indebtedness, payment of other obligations incurred with respect to the System, deposit to the Rate Stabilization Fund and improvements, renewals and replacements to the System; provided, however, that none of such revenues shall ever be used for the purposes provided in the Resolution unless all payments required in the Resolution, including any deficiencies for prior payments, have been made in full to the date of such use. If the County is current in all payments required by the Resolution, the County may at any time during a Fiscal Year withdraw any unencumbered moneys in the Utility Reserve Fund and apply the same to any purpose of the County, but only up to, and not exceeding, such maximum amount as may be determined by resolution adopted from time to time by a majority plus one of the members of the Board of County Commissioners of the County.

Connection Fees Fund

To the extent permitted by law and imposed by the County, for so long as there are any Bonds Outstanding which are secured by the Resolution, there shall be deposited into the Connection Fees Fund all Connection Fees, if any, charged and collected by the County and pledged by the County pursuant to Supplemental Resolution. Connection Fees have not been pledged by Supplemental Resolution and are not pledged to the Series 2026 Bonds. The moneys, if any, on deposit in the Connection Fees Fund, together with investment earnings thereon, shall be used by the County, to the extent permitted by State

law and if pledged by Supplemental Resolution, in the following manner and order of priority:

FIRST, for deposit into the Interest Account, the Principal Account and the Term Bonds Redemption Account, as needed, in order to make payments of principal of, redemption premium, if any, and interest on that portion of the Bonds allocable to financing of the Costs of the Project in respect of which the Connection Fees have been imposed; and

SECOND, to pay the costs of expanding, oversizing, separating or constructing improvements in respect of which the Connection Fees have been imposed.

Moneys on deposit in the Connection Fees Fund may also be pledged to the payment of principal of, redemption premium, if any, and interest on Subordinated Indebtedness but only to the extent permitted by law and only on a basis of such pledge being subordinate and junior to the pledge made under the Resolution to the Bonds.

Construction Fund

The County shall establish within the Orange County, Florida Water and Wastewater Construction Fund a separate account with respect to the Series 2026 Project to be deemed the "Series 2026 Account." There shall be paid into the Series 2026 Account the amounts required to be so paid by the provisions of the Resolution, and there may be paid into the Series 2026 Account, at the option of the County, any moneys received for or in connection with the Series 2026 Project by the County from any other source. The Cost of the Series 2026 Project is to be paid in whole or in part out of the Series 2026 Account.

Moneys in the Construction Fund, until applied in payment of any item of the Cost of a Project in the manner provided in the Resolution, shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

Rate Stabilization Fund

The County may transfer into the Rate Stabilization Fund such moneys which are on deposit in the Utility Reserve Fund as it deems appropriate. The County may transfer such amount of moneys from the Rate Stabilization Fund to the Revenue Fund as it deems appropriate; provided, however, that on or prior to each principal and interest payment date for the Bonds (in no event earlier than the 15th day of the month next preceding such payment date), moneys in the Rate Stabilization Fund shall be applied for the payment into the Interest Account, the Principal Account and the Term Bonds Redemption Account when the moneys therein are insufficient to pay the principal of and interest on the Bonds coming due, but only to the extent moneys transferred from the Utility Reserve Fund and Renewal and Replacement Fund for such purposes pursuant to the Resolution, together

with moneys available in the Reserve Account for such purpose pursuant to Resolution, shall be inadequate to fully provide for such insufficiency.

Rate Covenant

The County shall fix, establish, maintain and collect such rates, fees and charges for the product, services and facilities of the System, and revise the same from time to time, whenever necessary, so as always to provide in each Fiscal Year:

(1) Net Revenues and Connection Fees (if pledged by Supplemental Resolution) equal to at least 120% of the Annual Debt Service becoming due in such Fiscal Year; provided

(2) such Net Revenues shall be adequate at all times to pay in each Fiscal Year at least (a) 110% of the Annual Debt Service becoming due in such Fiscal Year, and (b) 100% of any amounts required by the terms of the Resolution to be deposited in the Reserve Account or with any issuer of a Reserve Account Letter of Credit or Reserve Account Insurance Policy in such Fiscal Year to pay Policy Costs.

Such rates, fees or other charges shall not be so reduced so as to be insufficient to provide adequate Net Revenues and Connection Fees (if pledged by Supplemental Resolution) for the purposes provided therefor by the Resolution and to satisfy the rate covenant set forth in the Resolution.

If, in any Fiscal Year, the County shall fail to comply with the rate covenant contained in the Resolution, it shall promptly cause the Rate Consultant to review its rates, fees, charges, income, Gross Revenues, Operating Expenses, Connection Fees (if pledged by Supplemental Resolution) and methods of operation and to make written recommendations as to the methods by which the County may seek to comply with these requirements. The County shall forthwith commence to implement such recommendations to the extent required so as to cause it to thereafter comply with said requirements. So long as the County implements such recommendations in a timely manner so that the County shall be in compliance with the rate covenant described above by the end of the immediately succeeding Fiscal Year, the County's failure to comply with said requirements shall not be considered an Event of Default under the Resolution.

Additional Bonds

No Additional Bonds, payable on parity with the Bonds then Outstanding pursuant to the Resolution, shall be issued except upon the conditions and in the manner provided in the Resolution. The County may issue one or more Series of Additional Bonds for any one or more of the following purposes: (i) financing or refinancing the Cost of a Project, or the completion thereof, or (ii) refunding any or all Outstanding Bonds, any Subordinated

Indebtedness of the County, or any other indebtedness of the County that it may lawfully refund with proceeds of Bonds.

No such Additional Bonds shall be issued unless the following conditions are complied with:

(1) Except in the case of Additional Bonds issued for the purpose of refunding Outstanding Bonds, the County shall certify that it is current in all deposits into the various funds and accounts established by the Resolution and all payments theretofore required to have been deposited or made by it under the provisions of the Resolution, including all due and payable Policy Costs, have been deposited or made, and the County is in compliance with the covenants and agreements of the Resolution.

(2) The Comptroller or Rate Consultant shall certify that the amount of the Net Revenues (excluding Investment Earnings with respect to the Construction Fund) and Connection Fees (if pledged by Supplemental Resolution) received by the County during the immediately preceding Fiscal Year or any 12 consecutive months selected by the County of the 24 months immediately preceding the issuance of said Additional Bonds, adjusted as provided in the Resolution, were equal to at least 120% of the Maximum Annual Debt Service of the Outstanding Bonds and the Additional Bonds then proposed to be issued; provided the amount of the Net Revenues (excluding Investment Earnings with respect to the Construction Fund), adjusted as provided in the Resolution, received by the County during such 12-month period, will be equal to at least (a) 110% of the Maximum Annual Debt Service of the Outstanding Bonds and the Additional Bonds then proposed to be issued, and (b) 100% of any amounts required by the terms of the Resolution to be deposited in the Reserve Account or with any issuer of a Reserve Account Letter of Credit or Reserve Account Insurance Policy to pay any Policy Costs during such 12-month period.

(3) For the purpose of determining the Debt Service under this Section, the interest rate on Additional Bonds that are proposed to be as Variable Rate Bonds shall be deemed to be the Bond Buyer Revenue Bond Index most recently published prior to the sale of such Additional Bonds.

(4) For the purpose of determining the Debt Service under this Section, the interest rate on Outstanding Variable Rate Bonds shall be deemed to be (a) if such Variable Rate Bonds have been Outstanding for at least 12 months prior to the date of sale of such Additional Bonds, the highest of (i) the actual rate of interest borne by such Variable Rate Bonds on the date of sale, and (ii) the average interest rate borne by such Variable Rate Bonds during the 12-month period preceding the date of sale, or (b) if such Variable Rate Bonds have not been Outstanding for at least 12 months prior to the date of sale of such Additional Bonds, the higher of (i) the actual rate of interest borne by the Variable Rate Bonds on the date of sale, and (ii) the Bond Buyer Revenue Bond Index most recently published prior to the sale of such Additional Bonds.

(5) For the purpose of this Section, the phrases "12 consecutive months" or the "12-month period" shall mean the "immediately preceding Fiscal Year or any 12 consecutive months selected by the County of the 24 months immediately preceding the issuance of said Additional Bonds."

(6) The Net Revenues and the Connection Fees (if pledged by Supplemental Resolution) calculated pursuant to the foregoing Section may be adjusted upon the written advice of the Rate Consultant, at the option of the County, as follows:

(a) If the County, prior to the issuance of the proposed Additional Bonds, shall have increased the rates, fees or other charges for the product, services or facilities of the System, the Net Revenues and the Connection Fees (if pledged by Supplemental Resolution) for the 12 consecutive months shall be adjusted to show the Net Revenues and the Connection Fees (if pledged by Supplemental Resolution) which would have been derived from the System in such 12 consecutive months as if such increased rates, fees or other charges for the product, services or facilities of the System had been in effect during all of such 12 consecutive months.

(b) If the County shall have acquired or has contracted to acquire any privately or publicly owned existing water and/or wastewater system that will become part of the System, the cost of which shall be paid from all or part of the proceeds of the issuance of the proposed Additional Bonds, then the Net Revenues derived from the System during the 12 consecutive months shall be increased by adding to the Net Revenues for said 12 consecutive months the Net Revenues which would have been derived from said existing water and/or wastewater system as if such existing water and/or wastewater system had been a part of the System during such 12 consecutive months. For the purposes of this paragraph, the Net Revenues derived from said existing water and/or wastewater system during such 12 consecutive months shall be adjusted to determine such Net Revenues by deducting the cost of operation and maintenance of said existing water and/or wastewater system from the gross revenues of said system. Such Net Revenues shall take into account any increase in rates imposed on customers of such water and/or wastewater system on or prior to the acquisition thereof by the County.

(c) If the County, in connection with the issuance of Additional Bonds, shall enter into a contract (with a duration not less than the final maturity of such Additional Bonds) with any public or private entity whereby the County agrees to furnish services in connection with any water and/or wastewater system, then the Net Revenues of the System during the 12 consecutive months immediately preceding the issuance of said Additional Bonds shall be increased by the least amount which said public or private entity shall guarantee to pay in any one year for the furnishing of said services by the County, after deducting therefrom the proportion of operating expenses and repair, renewal and replacement cost attributable in such year to such services.

(d) If the County covenants to levy Special Assessments against property to be benefitted by the improvements, the cost of which shall be paid from the proceeds of the proposed Additional Bonds, then the Special Assessments Proceeds (which have been or are expected to be pledged as Gross Revenues under the Resolution) derived from the System during the 12 consecutive months shall be increased by an amount equal to the least amount which the Rate Consultant estimates will be received in any one year subsequent to completion of such improvements from the levy of said Special Assessments, said amount to be the total received, assuming no prepayments, from the installment payments on the Special Assessments plus the interest paid on the unpaid portion of the Special Assessments. The estimate of the Rate Consultant shall be based upon the preliminary assessment roll filed with the County prior to the construction of such improvements.

(e) In the event the County shall be constructing or acquiring additions, extensions or improvements to the System from the proceeds of such Additional Bonds and shall have established fees, rates or charges to be charged and collected from users of such facilities when service is rendered, such Net Revenues and Connection Fees (if pledged by Supplemental Resolution) may be adjusted by adding thereto 100% of the Net Revenues and Connection Fees (if pledged by Supplemental Resolution) estimated by the Rate Consultant to be derived during the first 12 months of operation after completion of the construction or acquisition of said additions, extensions and improvements from the customers of the facilities to be financed by Additional Bonds together with other funds on hand or lawfully obtained for such purpose; provided such customers must represent existing occupied structures that will be added to the System upon completion of the proposed additions, extensions or improvements.

(f) If the County shall add new customers subsequent to the commencement of the 12 consecutive month period, the Rate Consultant may adjust the Net Revenues and Connection Fees (if pledged by Supplemental Resolution) to reflect the Net Revenues and Connection Fees (if pledged by Supplemental Resolution) that would have been received by the County if such customers had been in place for the entire 12 consecutive months.

(g) The Net Revenues and Connection Fees (if pledged by Supplemental Resolution) shall be adjusted for any period the System or any portion thereof was not owned by the County to reflect government ownership of the System or such portion.

(7) Additional Bonds shall be deemed to have been issued pursuant to the Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of the Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to the Resolution. Except as provided in the Resolution, all Bonds,

regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other.

(8) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of Section (2) above shall not apply, provided that the issuance of such Additional Bonds shall result in a reduction of the aggregate debt service. The conditions of Section (2) above shall apply to Additional Bonds issued to refund Subordinated Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of this paragraph.

Subordinated Indebtedness

The County will not issue any other obligations, except under the conditions and in the manner provided in the Resolution, secured by or payable from the Pledged Funds or the Gross Revenues or any component thereof or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The County may at any time or from time to time issue evidences of indebtedness payable in whole or in part out of Pledged Funds and which may be secured by a pledge of Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all respects to the pledge of the Pledged Funds created by the Resolution and provided further that the issuance of such Subordinated Indebtedness shall be subject to any provisions contained in financing documents securing outstanding Subordinated Indebtedness to the extent such provisions impact on the ability of the County to issue Subordinated Indebtedness. The County shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued under the provisions of the Resolution. The County agrees to pay promptly any Subordinated Indebtedness as the same shall become due.

The County has \$68,394,868 of subordinated debt issued pursuant to the State of Florida Revolving Fund Loan Program (the "SRF Loan Program"), which is a self-perpetuating loan program to accelerate the implementation of water pollution control projects. Projects and activities that may be funded under the SRF Loan Program are those eligible under section 603 of the Federal Water Pollution Control Act, as amended. The County has utilized such Subordinated Indebtedness to construct transmission facilities for the International Drive Force Main and Reclaimed Water Main Improvements Project and to construct collection sewer facilities for the West Southwood Sewer Replacement and Water System Improvements Project, the South and East Service Areas – Potable and Reclaimed Water Mains Project, the Eastern Water Reclamation Facility Phase V Improvements Project, the East Southwood Sewer Replacement and Water System Improvements Project, the Huggins Street Master Wastewater Pump Station Improvements Project, the Lake Lawne Gravity Sewer Rehabilitation Project, the Holden Heights

Infrastructure Improvements Phase 2 Project, the Holden Heights Infrastructure Improvements Phase 3 –Northwest Quadrant Project, and the Hidden Springs Water Supply Facility Improvements Project. Each loan under the SRF Loan Program is payable from and secured by System operating revenues, including investment income thereon, on deposit in the revenue account established pursuant to Resolution No. 92-B-06 and is intended to be Subordinated Indebtedness under the Resolution. In the event pledged revenues are insufficient to make the subordinated loan payments when due, the County has agreed to budget other legally available funds which will be sufficient, together with budgeted pledged revenues, to make the subordinated loan payments.

Operation and Maintenance

The County will maintain or cause to be maintained the System and all portions thereof in good condition and will operate or cause to be operated the same in an efficient and economical manner, making or causing to be made such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof. The County may contract with a responsible Person which has experience in the operation of utility systems similar to the System for the operation and maintenance of the System; provided, however, prior to entering any operating agreement with respect to any substantial part of the System the County shall consult with Bond Counsel.

Annual Budget

The County shall annually prepare and adopt, prior to the beginning of each Fiscal Year, an Annual Budget in accordance with applicable law. If for any reason the County shall not have adopted the Annual Budget before the first day of any Fiscal Year, other than the first Fiscal Year, the preliminary budget for such year, if it be approved by the Consulting Engineers or Rate Consultant, or otherwise the Annual Budget for the preceding Fiscal Year, shall be deemed to be in effect for such Fiscal Year until the Annual Budget for such Fiscal Year is adopted.

The County shall mail copies of or make available such Annual Budgets and amended Annual Budgets and all resolutions authorizing increased expenditures for Operating Expenses to any Credit Bank or Insurer of Bonds who shall file its address with the Comptroller and request in writing that copies of all such Annual Budgets and resolutions be furnished to it and shall make available all such Annual Budgets and resolutions and ordinances authorizing increased expenditures for Operating Expenses of the System at all reasonable times to any Holder or Holders of Bonds or to anyone acting for and on behalf of such Holder or Holders.

Books and Records

The County shall keep books, records and accounts of the revenues and operations of the System, which shall be kept separate and apart from all other books, records and accounts of the County, and the Holders of any Bonds Outstanding or the duly authorized representatives thereof shall have the right at all reasonable times to inspect all books, records and accounts of the County relating thereto.

Annual Audit

The County has agreed in the Resolution to, immediately after the close of each Fiscal Year, cause the books, records and accounts relating to the System to be properly audited by a recognized independent firm of certified public accountants, and shall require such accountants to complete their report of such Annual Audit in accordance with applicable law. Each Annual Audit shall be in conformity with generally accepted accounting principles as applied to governmental entities. A copy of each Annual Audit shall regularly be furnished or made available to any Credit Bank or Insurer who shall have furnished its address to the Comptroller and requested in writing that the same be furnished to it.

No Mortgage or Sale of the System

The County has irrevocably covenanted, bound and obligated itself in the Resolution not to sell, lease, encumber or in any manner dispose of the System as a whole or any substantial part thereof (except as provided below) until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with the Resolution.

The foregoing provision notwithstanding, the County shall have and reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System in the following manner, if any one of the following conditions exist: (1) such property is not necessary for the operation of the System, (2) such property is not useful in the operation of the System, (3) such property is not profitable in the operation of the System, or (4) in the case of a lease of such property, such lease will be advantageous to the System and will not materially adversely affect the security for the Bondholders.

Prior to any such sale, lease or other disposition of said property: (1) if the amount to be received therefor is not in excess of one percent (1.0%) of the book value of the net plant in service of the System, (a) an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions for sale, lease or disposition of property provided for in the paragraph above have been met, and (b) if any of the property to be sold, leased or otherwise disposed of was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the County shall obtain an opinion of Bond Counsel to the effect that such sale, lease or other disposition will not

adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the County's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds; or (2) if the amount to be received from such sale, lease or other disposition of said property shall be in excess of one percent (1.0%) of the book value of the net plant in service of the System, (a) an Authorized Issuer Officer and the Consulting Engineers shall each first make a finding in writing determining that one or more of the conditions for sale, lease or other disposition of property provided for in the paragraph above have been met, (b) the Board shall, by resolution, duly adopt, approve and concur in the finding of the Authorized Issuer Officer and the Consulting Engineers, and (c) the County shall obtain an opinion of Bond Counsel to the effect that such sale, lease or other disposition is not in violation of the Act and will not adversely affect the federal tax exempt status of interest on the Bonds (other than Taxable Bonds) or shall not otherwise affect the status of any Outstanding Bonds issued as Federal Subsidy Bonds or the County's receipt of Federal Subsidy Payments with respect to any Outstanding Federal Subsidy Bonds.

Except as otherwise required under applicable provisions of the Code, the proceeds from any such sale or other disposition shall be deposited, first, into the Renewal and Replacement Fund to the extent necessary to make the amount therein equal to the Renewal and Replacement Fund Requirement, and, second, into the Utility Reserve Fund. Proceeds from any lease of assets of the System shall constitute Gross Revenues and shall be deposited in the Revenue Fund.

The transfer of the System as a whole from the control of the Board to some other board or authority created for the purpose of owning, operating or controlling the System and which constitutes a governmental entity, interest on obligations issued by which are excluded from gross income for purposes of Federal income taxation (other than obligations similar to Taxable Bonds or Federal Subsidy Bonds), shall not be deemed prohibited by the Resolution and such successor board or authority shall fall within the definition of "Issuer" in the Resolution.

Notwithstanding the foregoing provisions, the County shall have the authority to sell for fair and reasonable consideration any land comprising a part of the System which is no longer necessary or useful in the operation of the System and the proceeds derived from the sale of such land shall be disposed of in accordance with the provisions of the paragraph above; provided, however, if any of the land to be sold was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the County shall obtain an opinion of Bond Counsel to the effect that such sale will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the County's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds.

The County may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such contract, license, easement or right does not, in the opinion of the Consulting Engineers, as evidenced by a certificate to that effect filed with the County, impede or restrict the operation by the County of the System, but any payments to the County under or in connection with any such contract, license, easement or right in respect of the System or any part thereof shall constitute Gross Revenues and shall be deposited in the Revenue Fund; provided, however, if that portion of the System was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the County shall obtain an opinion of Bond Counsel to the effect that such action will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the County's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds.

See, "SECURITY FOR THE 2026 BONDS - Springing Amendment to Resolution" below for a discussion of potential springing amendment to these provisions upon the consent thereto of the owners of not less than 51% of the aggregate principal amount of the Bonds at the time Outstanding.

Insurance

The County has agreed in the Resolution to carry such insurance as is ordinarily carried by private or public entities owning and operating utilities similar to the System with a reputable insurance carrier or carriers, in such amounts as the County shall determine to be sufficient and such other insurance against loss or damage by fire, explosion, hurricane, tornado or other hazards and risks, and said property loss or damage insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, properties, furniture, fixtures and equipment of the System, or such other amount or amounts as the Consulting Engineers or an insurance consultant who has a favorable reputation and experience and is qualified to survey risks and to recommend insurance coverage for Persons engaged in operations similar to the System, shall recommend or approve as sufficient.

The County may establish certain levels of insurance for which the County may self-insure. Such levels of insurance shall be in amounts as recommended by an insurance consultant who has a favorable reputation and experience and is qualified to survey risks and to recommend insurance coverage for Persons engaged in operations similar to the System.

The proceeds from property loss and casualty insurance shall be deposited in the Renewal and Replacement Fund or other appropriate fund or account, and, together with other available funds of the County, shall be used to repair or replace the damaged portion of the System; provided, however, if the County makes a determination in accordance with the Resolution that such portion of the System is no longer necessary or useful in the

operation of the System, such proceeds shall (1) if such proceeds equal or exceed \$500,000, (a) be applied to the redemption or purchase of Bonds or (b) be deposited in irrevocable trust for the payment of Bonds in the manner set forth in the Resolution, provided the County has received an opinion of Bond Counsel to the effect that such deposit shall not adversely affect the exclusion, if any, from gross income of interest on the Outstanding Bonds for purposes of federal income taxation (other than Taxable Bonds) and will not otherwise affect the status of any Outstanding Bonds issued as Federal Subsidy Bonds or the County's receipt of Federal Subsidy Payments with respect to any Outstanding Federal Subsidy Bonds, or (2) if such proceeds are less than \$500,000, be deposited in the Revenue Fund.

No Free Service

The County has agreed in the Resolution not to render or cause to be rendered any free services of any nature by its System, nor will any preferential rates be established for users of the same class; provided, however, the foregoing clause shall not be construed to prevent the County from establishing various classes of users based on any factors deemed necessary or desirable by the County. Different rates may be established for different classes. Whenever the County, including its departments, agencies and instrumentalities, shall avail itself of the product, facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged to the County and any such department, agency or instrumentality. Such charges shall be paid as they accrue, and the County shall transfer from its general funds to the Revenue Fund sufficient sums to pay such charges. The revenues so received shall be deemed to be Gross Revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other Gross Revenues derived from such operation of the System.

No Impairment of Rights

The County will not enter into any contract or contracts, nor take any action, the results of which might impair the rights of the Holders of the Bonds in any material respect and will not permit or grant a franchise for the operation of any competing water or wastewater or reclaimed water service facilities in the County; provided, however, the County reserves the right to permit the ownership and operation of water or wastewater or reclaimed water service facilities or any of them by itself or by others in any territory which is not then served by the System unless such franchise or permit will have a material adverse effect on the County's ability to meet its obligations under the Resolution.

Compulsory Connections

In order better to secure the prompt payment of principal and interest on the Bonds, as well as for the purpose of protecting the health and welfare of the residents of the County, and acting under authority of the general laws of Florida, the County, to the extent

permitted by law, will require, where service by the System is available, the owner of every lot or parcel of land within the jurisdiction of the County to connect to the water and/or wastewater facilities of the System. The County may establish reasonable rules and regulations regarding such connections and may provide for reasonable exemptions from such connection policy.

Enforcement of Charges

The County has agreed in the Resolution to compel the prompt payment of rates, fees and charges imposed in connection with the System, and to that end will vigorously enforce all of the provisions of any ordinance or resolution of the County having to do with wastewater and water connections and charges, and all of the rights and remedies permitted the County under law, including the requirement for the making of a reasonable deposit by each user, the requirement for lawful disconnection of services for all premises delinquent in the payment of any duly invoiced bill, and the securing of injunction against the disposition of sewage or industrial waste into the wastewater facilities of the System by any premises delinquent in the payment of such charges.

Unit Bills

In every instance in which a building or structure on a lot is connected to the wastewater facilities of the System, which building or structure is also connected to the water facilities of the System and receives water therefrom, the County shall submit to the owner or occupant of such lot a single bill for both water and wastewater service. Notwithstanding the above, the County may accept partial payments of rates, fees and charges imposed in connection with the System provided the County will initiate lawful disconnection of services for all premises delinquent in the payment of any duly invoiced bill by its due date.

Collection of Connection Fees

The County has agreed in the Resolution to proceed diligently to perform legally and effectively all steps required in the collection of the Connection Fees, if and only to the extent such Connection Fees are levied by the County. Upon the due date of any such Connection Fees, the County shall diligently proceed to collect the same and shall exercise all legally available remedies to enforce such collections now or hereafter available under State law. Notwithstanding any provision of this paragraph to the contrary, the County may waive the levy or collection of a Connection Fee provided such waiver is in accordance with applicable law.

Consulting Engineers

The County has agreed in the Resolution to engage Consulting Engineers from time to time, whose duties shall be to make any certificates and perform any other acts required

or permitted of the Consulting Engineers under the Resolution, and also to review the construction and operation of the System, to make an inspection of the System as requested by the County from time to time, and to submit to the County a report with recommendations as to the proper maintenance, repair and operation of the System, including recommendations for expansion and additions to the System to meet anticipated service demands, and an estimate of the amount of money necessary for such purposes. The Consulting Engineers shall, from time to time, recommend the amount of the Renewal and Replacement Fund Requirement. Copies of such reports, recommendations and estimates made as hereinabove provided shall be filed with the County for inspection by Bondholders, if such inspection is requested.

Amendments Without Bondholder Consent

Subject to the terms and provisions contained in the Resolution, under certain circumstances described in the Resolution, the County may make amendments to the Resolution without Bondholder consent. See "APPENDIX B – FORM OF RESOLUTION" attached hereto.

Springing Amendment to Resolution

The Supplemental Resolution provides that upon the consent thereto of the owners of not less than 51% of the aggregate principal amount of the Bonds at the time Outstanding, the provisions of the Resolution relating to no mortgage or sale of the System shall be amended and restated as set forth below. **Each owner of the Series 2026 Bonds shall be deemed to have irrevocably and expressly consented in writing to the below amendments.** Upon the issuance of the Series 2026 Bonds, the Series 2025 Bonds, together with the Series 2026 Bonds, will constitute at least 51% of the aggregate principal amount of the Bonds Outstanding under the Bond Resolution. Accordingly, the amendments below will be effective upon issuance of the Series 2026 Bonds.

Additions are indicated by double underlining and deletions are indicated by ~~double strikethrough~~.

(A) The County has irrevocably covenanted, bound and obligated itself in the Resolution not to sell, lease, encumber or in any manner dispose of the System as a whole or any substantial part thereof (except as provided below) until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with the Resolution.

(B) The foregoing provision notwithstanding, the County shall have and reserves the right to sell, lease or otherwise dispose of (including the ~~or~~ granting of rights via contract, license, or easement) any of the property comprising a part of the System in the following manner, if any one of the

following conditions exist: (1) such property is not necessary for the operation of the System, (2) such property is not useful in the operation of the System, (3) such property is not profitable in the operation of the System, or (4) in the case of a lease ~~of, contract, license for the operation of, or grant of easements or other rights with respect to such property, such such property, such lease will be advantageous to disposition will not impede or restrict the operation of the System and will not materially adversely affect the security for the Bondholders, in all cases subject to satisfying the requirements of (C) below.~~

(C) Prior to any such sale, lease, or other disposition of said property:

(1) if the amount to be received therefor is not in excess of one percent (1%) of the book value of the ~~net~~gross plant in service of the System, ~~(a)~~ an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions ~~for~~ provided for in Section 5.07(B) above have been met (provided that if the book value of the property net of depreciation is zero and the property is being disposed of, then no such finding is necessary and the requirements of this Section 5.07(C) shall not apply); or

(2) if the amount to be received from such sale, lease, or other disposition of property said property shall be in excess of one percent (1%) of the book value of the gross plant in service of the System, (a) an Authorized Issuer Officer and the Consulting Engineers shall each first make a finding in writing determining that one or more of the conditions provided for in the second paragraph of this Section 5.07(B) above have been met, and (b) the Board shall, by resolution, duly adopt, approve, and concur in the findings; and

(3) in the case of either (1) or (2) above, if any of the property to be sold, leased, or otherwise disposed of was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale, lease, or other disposition will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds; or (2) if the amount to be received from such sale, lease or other disposition of said property shall be in excess of one percent (1%) of the book value of the net plant in service of the System, (a) an Authorized Issuer Officer and the Consulting Engineers shall each first make a finding in writing determining that one or more of the conditions for sale, lease or other disposition of property provided for in the second paragraph of this Section 5.07 have been met, (b) the Board shall, by resolution, duly adopt, approve and concur in the finding of the Authorized Issuer Officer and the Consulting Engineers, and

~~(c) the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale, lease or other disposition is not in violation of the Act and will not adversely affect the federal tax exempt status of interest on the Bonds (other than Taxable Bonds) or shall not otherwise affect the status of any Outstanding Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to any Outstanding Federal Subsidy Bonds.~~

(D) Except as otherwise required under applicable provisions of the Code, the proceeds from any such sale or other disposition shall be deposited, first, into the Renewal and Replacement Fund to the extent necessary to make the amount therein equal to the Renewal and Replacement Fund Requirement, and, second, into the Utility Reserve Fund. Proceeds from any grant of any license for the operation or grant of easement or other rights or lease of assets of the System shall constitute Gross Revenues and shall be deposited in the Revenue Fund.

(E) The transfer of the System as a whole from the control of the Board to some other board or authority created for the purpose of owning, operating or controlling the System and which constitutes a governmental entity, interest on obligations issued by which are excluded from gross income for purposes of Federal income taxation (other than obligations similar to Taxable Bonds or Federal Subsidy Bonds), shall not be deemed prohibited by this Section 5.07 and such successor board or authority shall fall within the definition of "Issuer" in Section 1.01 hereof.

(F) Notwithstanding the foregoing provisions of this Section 5.07, the Issuer shall have the authority to (1) sell, or (2) transfer out of the System to another department of the Issuer, for fair and reasonable consideration any land comprising a part of the System which is no longer necessary or useful in the operation of the System and the proceeds derived from the sale of such land shall be disposed of in accordance with the provisions of the fourth paragraph of this Section 5.07; provided, however, if any of the land to be sold was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such sale will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds, provided that the requirements set forth in Sections 5.07(C) and (D) above have been satisfied.

~~—The Issuer may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such contract, license, easement or right does not, in the opinion of the Consulting Engineers, as evidenced by a certificate to that effect filed with the Issuer, impede or restrict the operation by the Issuer of the System, but any payments to the Issuer under or in connection with any such contract, license, easement or right in respect~~

~~of the System or any part thereof shall constitute Gross Revenues and shall be deposited in the Revenue Fund; provided, however, if that portion of the System was financed in whole or in part with proceeds of Bonds (other than Taxable Bonds) that remain Outstanding then the Issuer shall obtain an opinion of Bond Counsel to the effect that such action will not adversely affect the federal tax exempt status of interest on such Bonds or shall not otherwise affect the status of any such Bonds issued as Federal Subsidy Bonds or the Issuer's receipt of Federal Subsidy Payments with respect to said Outstanding Federal Subsidy Bonds.~~

THE SYSTEM

Overview of the System

The following descriptions of the System have been excerpted from the Consulting Engineer's Report dated June __, 2026 (the "Engineer's Report") by Carollo Engineers, Inc. (the "Consulting Engineer"). Such report should be read in its entirety for additional information regarding the System. See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto.

The County owns a number of facilities for providing water, wastewater, and reclaimed water services to customers within unincorporated areas of the County. The System is operated and managed by Orange County Utilities ("OCU"), a department of the County government. In addition to its direct customers, OCU provides a portion of the water, wastewater, and/or reclaimed water services for the following customers for wholesale and emergency purposes: the City of Apopka ("Apopka"), the City of Ocoee ("Ocoee"), the Orange County Research and Development Authority, the City of Orlando ("Orlando"), the City of Winter Park ("Winter Park"), the City of Winter Garden ("Winter Garden"), the Orlando Utilities Commission ("OUC"), the Central Florida Tourism Oversight District ("CFTOD"), Seminole County, the Toho Water Authority ("TWA"), the University of Central Florida ("UCF"), and Sunshine Water Services.

OCU is comprised of four operating divisions (Water, Water Reclamation, Field Services and Solid Waste) and three support divisions (Customer Service, Engineering, and Fiscal and Operational Support).

Marc Cannata was appointed Director of the Utilities Department in July 2026 after serving as Deputy Director over the Water and Water Reclamation Divisions since 2019. Mr. Cannata has over 35 years of experience in engineering, construction, and financial management and is a licensed Professional Engineer in the State of Florida. His Orange County career began in 2015 at the Convention Center, where he served as Manager of Capital Planning and Building Systems. Mr. Cannata holds master's degrees in business administration and environmental engineering from the University of Central Florida. He is an active member of several professional organizations and serves on the Florida Water Environment Association Utility Council Board. As Director, Mr. Cannata oversees four operating divisions (Water, Water Reclamation, Field Services, and Solid Waste Management) and three support divisions (Customer Service, Engineering, and Fiscal and Operational Support).

Water System

General. OCU operates the County's potable water treatment, storage, and distribution system. As of September 2025, OCU provided potable water service to 164,957 premises, including both residential and commercial users. In addition, OCU has

interconnects with regional municipalities for wholesale and emergency purposes. Potable water wholesale partners include Ocoee, the Orange County Research and Development Authority, OUC, Central Florida Tourism Oversight District ("CFTOD"), Seminole County, TWA, UCF, Sunshine Water Services, Winter Garden, and Winter Park. The Engineer's Report states that overall, based on site visits and discussions with OCU staff, the County's Water Supply Facilities are in good to very good condition.

OCU presently supplies potable water to areas of the County separated into four service areas: East, South, Southwest, and West. OCU also maintains agreements with customers that establish emergency interconnects and/or allow OCU to provide or purchase water, depending on the agreement.

Wholesale Water Supply Contracts and Emergency Interconnects. OCU has established agreements with several neighboring utilities that allow interconnects for wholesale use and emergency purposes. Wholesale interconnects provide water from OCU to the wholesale partner and allow OCU to purchase water from the partner. OCU has wholesale agreements to sell potable water to Ocoee, the Orange County Research and Development Authority, OUC, Seminole County, UCF, Sunshine Water Services, TWA, Winter Garden, and Winter Park. OCU has wholesale agreements to purchase potable water from OUC, CFTOD, Seminole County, TWA, Winter Garden, and Winter Park. OCU has emergency interconnects with the Orange County Research and Development Authority, OUC, TWA, Seminole County, UCF, and Winter Park. All of the wholesale users maintain the components of their individual treatment, transmission, and distribution systems. See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for a description of such agreements.

Potable Water Supply. Groundwater from the Upper Floridan aquifer has historically served as the State's primary potable water supply. While the Florida Department of Environmental Protection ("FDEP") is responsible for water quality regulation, the State's water management districts oversee water supply and permitting. In OCU's case, this includes the South Florida Water Management District ("SFWMD") and the St. Johns River Water Management District ("SJRWMD"). OCU operates under water use permits ("WUP") issued by SFWMD and a consumptive use permit ("CUP") issued by SJRWMD.

Alternative water supply sources may include seawater, brackish groundwater, surface water, stormwater, reclaimed water, aquifer storage and recovery ("ASR"), and any other nontraditional supply source as identified in a water management district's regional water supply plan. OCU has developed AWS projects in compliance with their water use permits ("WUPs") issued by the South Florida Water Management District ("SFWMD") and a consumptive use permit ("CUP") issued by the St. Johns River Water Management District ("SJRWMD"). The table below summarizes each permit, including permitted maximum annual and, monthly water allocations in million gallons ("MG").

Groundwater Supply. Like most utilities in Florida, OCU currently relies on groundwater from the Floridan aquifer for its potable water supply. The potable water system includes 73 permitted public supply wells, of which 57 are actively operated and maintained, 10 are permitted but not constructed, and 6 are currently inactive. The table below summarizes OCU's permitted groundwater wells, including active, planned, and inactive wells and the pumping capacity of the 57 active and planned wells in million gallons per day ("MGD").

Alternative Water Supply. To meet future water supply needs and comply with their water use permits and consumptive use permit, OCU has developed initiatives for alternative water supply projects that use reclaimed water, surface water, brackish groundwater, and aquifer storage and recovery.

To meet future water supply needs and comply with permit requirements, OCU is advancing alternative water supply initiatives that include reclaimed water, surface water, and brackish groundwater. Under WUP 48 00134-W and CUP 3317, OCU is required to provide 40.9 million gallons per day (mgd) and 41.8 mgd annual average daily flow (AADF) of reclaimed water for land application (e.g., irrigation), respectively, with CUP 3317 also requiring 0.7 mgd AADF for aquifer recharge.

In addition, OCU is a partner in developing the St. Johns River/Taylor Creek Reservoir water supply project, which includes constructing a new surface water intake on the St. Johns River and expanding storage volume in the Taylor Creek Reservoir. This project is expected to provide up to approximately 50 mgd to the project partners, with OCU receiving at least 10 mgd.

OCU is also participating in the Cypress Lake Wellfield project, a cooperative regional project that includes brackish groundwater supply from the Lower Floridan aquifer. Water supplied by this project will be shared by the project partners, which are

involved in construction of the facilities. The project has a total permitted annual average withdrawal allocation of 13,688 million gallons (MG), with OCU receiving an estimated 4,106.4 MG, or 11.25 mgd.

In 2010, OCU partnered with and received co-funding from the SJRWMD to advance a regional ASR program, including construction and pilot testing of an ASR well as a potential alternative water supply source. The ASR well was intended to store approximately one billion gallons of treated potable water during wet-season periods for recovery during dry conditions or supply constraints. Following a multi-year cycle testing program, an operating permit was issued. However, elevated arsenic levels were identified in recovered water, consistent with naturally occurring geologic conditions. Although treatment and alternative use options were evaluated, they were determined to be cost-prohibitive or impractical, and OCU has taken the ASR system out of service, while continuing to maintain the facility and comply with its operating permit through its 2028 expiration.

Historical Water Demand. OCU operates 12 active water supply facilities within its four service areas.

Occasionally, OCU purchases water from other utilities for operational purposes. In Fiscal Year 2025, OCU purchased potable water from CFTOD, OUC, TWA, and Winter Garden. The table below summarizes the historical water production for each water supply facility by service area, including the total annual amount of purchased potable water for Fiscal Years 2021 to 2025.

Potable Water Demand Projections. OCU provided the County's water demand projections, which were recently reviewed and updated as part of their ongoing Water, Wastewater, and Reclaimed Water Master Plan Update project. The table below summarizes the projected water demands through 2045. A portion of the projected demand (approximately 1.2 mgd) reflects water purchased from other neighboring utilities, which has historically been used to supplement OCU's water supply and is expected to continue through the planning horizon. Based on these projections and existing WSF production capacities, OCU is expected to have sufficient water production capacity to meet its anticipated service demands through 2045.

Water System. The potable water distribution system includes finished water high service pump ("HSP") stations at the WSFs, 11 active storage and repump facilities (SRF)/booster pump stations (BPS) and one under construction, 26 operational ground storage tanks ("GSTs") and one under construction, and approximately 2,055 miles of pipelines ranging from 1 inch to 60 inches in diameter. OCU coordinates with the County's Public Works Department and others to install, repair, and replace water mains during scheduled roadway projects. All WSFs are connected to a centralized SCADA system for monitoring and control, which can be operated from any of the regional facilities. This system-wide connectivity enhances operational flexibility and redundancy. In addition, each WSF is fully automated and equipped with load-shedding emergency generators capable of maintaining full operations during power outages, further supporting system reliability and resiliency. See "APPENDIX E - CONSULTING ENGINEER'S REPORT" attached hereto for a description of ongoing and planned future improvements to each of the water supply facilities.

The Eastern Regional WSF is the only active WSF in the East Service Area. The following are ongoing projects:

- The Bonneville SRF Improvements project includes replacing HSPs and variable frequency drives (VFDs); removing the baffle curtain; coating the interior of GST 1; replacing exterior ladders with stairways; installing overflow and vent screens; replacing the HSP building instrumentation, roof, and HVAC; and adding isolation valves, a generator with fuel tank, and stormwater improvements. Final design is expected to be completed by Fall 2026.
- The Bithlo Rural Area Water Phase 1 West project will provide water service to a portion of Bithlo south of State Road 50. Construction is expected to be completed by Summer 2026.

- Final design of an aeration-mixing system for total trihalomethane (TTHM) reduction at the Bonneville SRF and East SRF was completed in Spring 2026.

The Eastern Regional Water Supply Facility has a permitted maximum design capacity of 62.5 MGD and includes 16 active production wells. The final improvement to increase the facility's capacity from 50.0 MGD to 62.5 MGD was completed in 2022 and included converting the sodium hypochlorite system from on-site generation to bulk storage and feed. With this improvement, the FDEP has re-rated the facility's capacity to 62.5 MGD.

There are several ongoing projects at potable water facilities in the East Service Area including: (i) Improvements to the ground storage tanks ("GSTs") and variable frequency drivers ("VFDs"), including installing new level transmitters, replacing exterior ladders with stairways, coating the interior and exterior of the GSTs, replacing the VFDs and soft starts for HSPs 1 to 6, and installing a new concrete injection vault and chemical injector with construction expected to begin by the end of 2026; (ii) Final design for improvements to the emergency power system was completed in Fall 2025 and the project is awaiting bidding; and (iii) the Central Laboratory Building project includes construction of a new building to replace the existing laboratory building which was constructed in the late 1990s and will include new facilities systems needed to perform facility permit compliance testing.

The South Water Service Area is comprised of five water supply facilities: Southern Regional, Orangewood, Hunter's Creek, Vistana, and Cypress Walk. Projects in the South Service Area include construction of an access road to the I-Drive BPS and the South Service Area GSTs project is in design and includes cleaning and coating the interior and exterior of GSTs at the Hunters Creek, Vistana, and Cypress Walk WSFs. Also, plans exist to improve the ozone system, HVAC systems, chemical feed system, SCADA systems, emergency power systems, and total organic carbon ("TOC") removal at the Southern Remote Wellfield.

The Southern Regional WSF is permitted for a design capacity of 30.0 MGD and includes eight active production wells. Six wells are on site and two are located at the Southern Remote Wellfield.

The Orangewood Water Supply Facility is permitted for a maximum day capacity of 6.48 MGD and includes two active production wells. The Hunters Creek WSF is permitted for a maximum day capacity of 6.366 MGD and includes two active production wells. The Vistana WSF is permitted for a maximum day capacity of 4.841 MGD and includes three active production wells. The Cypress Walk WSF is permitted for a maximum day capacity of 3.456 MGD and includes two active production wells.

There are three active WSFs in the Southwest Service Area: Hidden Springs, Malcolm Road, and CR 535. Phase I of the Southwest Service Area SRF is under construction and completion is planned for Summer 2026. The Hidden Springs Water Supply Facility is permitted for a maximum day capacity of 8.640 MGD and includes two active production wells. The CR 535 Water Supply Facility is permitted for a capacity of 4.0 MGD and includes three active production wells. An additional facility, The Malcolm Road WSF was completed in 2021. It has a permitted maximum day capacity of 8.64 MGD and six production wells. Projects in the Southwest Service Area include improvements to the Malcolm Road WSF consisting of designing and constructing an activated carbon treatment system for TOC and per- and polyfluoroalkyl substances ("PFAS") removal, a new operations building with more office space, removing the septic tank and connecting the wastewater system to the Hamlin WRF, and adding high service pumps.

There are three active water supply facilities in the West Service Area: Western Regional, Oak Meadows, and Lake John Shores. The Western Regional Water Supply Facility is permitted for a maximum day capacity of 25.8 MGD and includes nine active production wells. The Oak Meadows Water Supply Facility is permitted for a maximum day capacity of 8.76 MGD and includes three active production wells. The Lake John Shores Water Supply Facility is permitted for a treatment capacity of 0.014 MGD and includes one active production well. Projects on the West Service Area include improvements to the Western Regional WSF consisting of adding a new ozone treatment system for hydrogen sulfide removal, upgrading the switchgear and stepdown transformer, and replacing the generators and associated fuel tanks. Design is expected to be completed by Spring 2027.

For additional descriptions of the water supply facilities and their treatment processes, see "APPENDIX E - CONSULTING ENGINEER'S REPORT" attached hereto.

Regulatory Compliance. The Environmental Protection Agency ("EPA") and FDEP regulate the operation of public water systems in the State. The EPA established minimum drinking water standards which are divided into primary regulations (standards required for public health) and secondary regulations (aesthetic qualities). The State has adopted the secondary regulations as enforceable standards. FDEP has the primary role of regulating public water systems in the State. FDEP has promulgated rules within the Florida Administrative Code ("FAC"), Chapter 62 for regulation of public water supplies. The OCU System complies with the rules of FAC Chapter 62.

The EPA finalized the National Primary Drinking Water Regulation for PFAS in April 2024, establishing enforceable maximum contaminant levels ("MCLs") for select PFAS compounds and requiring public water systems to conduct monitoring, provide public notification of results, and implement treatment if MCLs are exceeded. In accordance with these requirements, OCU has initiated and continues PFAS monitoring in coordination with FDEP, consistent with state implementation of the federal program.

OCU also complies with the Lead and Copper Rule and subsequent revisions. These regulations require monitoring at customer taps and implementation of additional actions if levels are exceeded, including public notification and potential service line replacement. In accordance with requirements, OCU completed a comprehensive inventory of all water service lines within its system and has classified all service lines as non-lead based on records review and field verification. OCU continues to monitor lead and copper at the tap and maintain its service line inventory in compliance with regulatory requirements.

In 2025, the State of Florida enacted Senate Bill 700, which prohibits the addition of fluoride and other non-water-quality additives to public drinking water systems and took effect on July 1, 2025. Prior to this legislation, OCU added fluoride to its drinking water as part of its treatment process. In response to the law, OCU paid for the proper disposal of all remaining fluoride and cleaned, disconnected, and removed all fluoride treatment equipment from service.

OCU regularly monitors pH, temperature, free chlorine, and fluoride using online instrumentation at the water supply facilities. Comprehensive water quality tests are also performed annually using OCU's National Environmental Laboratory Program certified laboratory. OCU is currently in compliance with all applicable regulations relating to water quality. OCU routinely funds annual renewal and replacement improvements to their public water system facilities.

In accordance with the Safe Drinking Water Act requirements, the County publishes and distributes a consumer confidence report (i.e., drinking water report) annually that outlines OCU's compliance with the water quality standards established by the EPA. To maintain compliance with standards, OCU routinely funds annual renewal and replacement improvements to their public water system facilities.

To the Consulting Engineer's knowledge, OCU is in full compliance with all federal and state regulatory requirements relating to the provisions of water services and has no outstanding consent orders requiring corrective actions issued by any regulatory agency relating to any component of the water system. OCU operates its wellfields and WSFs according to permits issued by the regulatory agencies and has maintained current permits for all its potable water facilities.

Wastewater System

General. OCU is the operator of the County's wastewater collection and treatment system. OCU operates four water reclamation facilities: the Eastern Water Reclamation Facility ("EWRF"), the Northwest Water Reclamation Facility ("NWRf"), the South Water Reclamation Facility ("SWRF"), and the Hamlin Water Reclamation Facility ("HWRF"). In general, flows in the East, South, Southwest, and West service areas are directed to EWRF, SWRF, HWRF, and NWRf, respectively. The Engineer's Report states that, overall, the County's water reclamation facilities are generally in good condition. See

"APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for a description and condition of such facilities.

As of September 2025, OCU provided wastewater collection and treatment services to 180,343 premises, including residential, commercial, and industrial users, and provided reclaimed water services to 38,037 premises. In addition, OCU has interconnects with regional municipalities for wholesale and emergency purposes. Wastewater wholesale partners include Ocoee, Orlando, CFTOD, Seminole County, TWA, and Winter Park. Reclaimed water wholesale partners include Apopka, Ocoee, Orlando, OUC, CFTOD, TWA, and Winter Garden.

Wastewater and Reclaimed Water Agreements. OCU has agreements with neighboring utilities that allow for wastewater and reclaimed water wholesale or emergency service. Wastewater agreements allow OCU to accept wastewater from a partner or convey wastewater to a partner for wholesale or emergency purposes. Wholesale reclaimed water agreements allow the purchase or sale of reclaimed water between OCU and wholesale partners, in accordance with the terms of each agreement.

OCU can provide wastewater service to Ocoee, Seminole County, and Winter Park and can purchase wastewater service from Orlando, CFTOD, Seminole County, and TWA. OCU can provide reclaimed water service to Apopka, Ocoee, Orlando, OUC, and Winter Garden and can purchase reclaimed water from Orlando, CFTOD, and TWA. OCU has an emergency wastewater interconnect with Orlando. See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for a description of such agreements.

All wholesale users maintain the components of their individual wastewater and reclaimed water systems, which may consist of wastewater and reclaimed water lines, pipes, lift stations, pumping stations, and other facilities.

Historical Wastewater Flows. OCU owns and operates four water reclamation facilities that have a combined current permitted capacity of 96.25 MGD Average Annual Daily Flow ("AADF"). The historical Fiscal Year annual flows for each water reclamation facility from 2021 to 2025 are listed in the table below.

Wastewater Flow Projections. The County's wastewater flow projections were recently reviewed and updated as part of the Master Plan project. The projected flows through 2045 are summarized in the table below. Based on these projections, the existing WRF treatment capacities, and planned capacity expansion projects, OCU is expected to have sufficient treatment capacity to meet its anticipated service needs through 2045.

The Phase 6B improvements at EWRF will expand its treatment capacity to 31.0 MGD while the Phase 2 expansion of HWRF will increase the treatment capacity to 10.0 MGD.

Wastewater Flow Projections

Wastewater System. OCU's wastewater collection system consists of approximately 1,495 miles of gravity mains, 676 miles of force mains, and 884 pump

stations across its four service areas. The larger pump stations have on site backup power supply and odor control systems, and the County owns several portable generators in case of power failure at smaller pump stations. Additionally, all pump stations are equipped with remote terminal units and monitored through the supervisory control and data acquisition system.

Gravity mains range in diameter from 4 inches to 54 inches and are mostly made of PVC and vitrified clay. Force mains range in diameter from 1 inch to 48 inches and are mostly made of PVC and ductile iron. OCU coordinates with the Public Works Department and others to install, repair, and replace wastewater pipes during scheduled roadway projects.

See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for a summary of OCU's reclaimed water storage facilities by service area and a description of planned and ongoing capital improvements.

Reclaimed Water Management. OCU's reclaimed water system is permitted and regulated by FDEP under the individual facility permits. Each WRF is permitted to discharge certain volumes of reclaimed water for various reuse purposes based on the effluent water quality. Reclaimed water applied in publicly accessible areas must meet more stringent public access reuse ("PAR") standards. Generally, reclaimed water that does not meet PAR standards is diverted to reject storage or to a different reuse system such as rapid infiltration basins ("RIBs"). RIBs enable beneficial recharge of groundwater and provide operational flexibility during wet weather conditions. Water quality and flows are measured at permitted compliance points (e.g., R 001).

See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for a summary of OCU's permitted discharge capacities by WRF.

Reclaimed Water Transmission, Distribution, and Storage. The reclaimed water transmission and distribution system includes the Water Conserv II Distribution Center ("WCIIDC"), HSP stations at the WRFs, three active SRFs and one in design, 16 operational GSTs and three under construction, and approximately 723 miles of pipelines ranging from 2 to 54 inches in diameter. As with water and wastewater, OCU coordinates with the Public Works Department and others to install, repair, and replace reclaimed water pipes during scheduled roadway projects.

Pipelines and HSPs convey reclaimed water to OCU customers and wholesale connections, while repump facilities maintain system pressures. The East Service Area includes the East SRF which was completed in 2016 and is being expanded due to rapid development in the area. The South Service Area includes the Meadow Woods SRF, Hidden Springs SRF (which is currently not needed and out of service), and a reclaimed water repump station dedicated to the Orange Tree Country Club.

GSTs provide balance and capacity to manage fluctuations in reclaimed water demand. There are 16 active reclaimed water GSTs with a total existing storage volume of 67.5 MG. Additional GSTs are under construction at the EWRF and are expected to be operational by the end of summer 2026. Construction of additional GSTs at the East SRF is planned to begin in summer 2026 to expand storage capacity in the East Service Area. In addition, the Avalon Road SRF project is designed and ready for bidding and includes one 6-MG GST.

The WCIIDC receives reclaimed water from SWRF, HWRF, and the City of Orlando's Water Conserv II WRF via a 54-inch diameter transmission main and includes four 5-MG GSTs, RIBs for aquifer recharge, a 130-mgd HSP station, a monitoring and control building, and over 70 miles of distribution pipelines.

The table below summarizes the reclaimed water GSTs by storage area.

Reclaimed Water Storage

Permits.

To operate, each water reclamation facility is required to have a current permit issued by FDEP that regulates discharged reclaimed water quality. OCU initiates the permit renewal application process well before permit expiration dates. All four WRFs and the WCIIDC, a reclaimed water distribution center jointly owned by the County and the City of Orlando, are properly permitted.

Water Reclamation Facility Permit Summary

Eastern WRF	FL0038849	September 10, 2030
Northwest WRF	FLA010798	May 22, 2033
South WRF	FLA107972	March 6, 2029
Hamlin WRF	FLAB07049	September 5, 2034
WCIIDC	FLA010795	July 26, 2030

Regulatory Compliance

The following sections outline regulatory compliance matters for the water reclamation facilities over the past five years. See "APPENDIX E – CONSULTING ENGINEER'S REPORT" attached hereto for additional details and descriptions of minor permit infractions by discharge location for Fiscal Year 2025.

Eastern Service Area and Water Reclamation Facility

On August 12, 2020, FDEP issued EWRF a consent order (Office of General Counsel (OGC) File No. 20-1194) in response to three sanitary sewer overflows (SSO) that occurred between August 2019 and May 2020. The consent order requires several force main, gravity, and lift station projects to be completed within an allotted time and payment of a fine or completion of a pollution prevention project. OCU has completed several projects and completed three pollution prevention projects in lieu of a fine: OCU has purchased two fully electric vehicles to replace internal combustion vehicles, installed a battery-charging station, and replaced 77 sodium vapor or fluorescent light units with high efficiency light-emitting diode (LED) motion activated lights at both EWRF and NWRF. OCU has requested an extension to the deadline through December 2027 to complete remaining projects.

In addition, two SSOs occurred at EWRF between October 2024 and September 2025 resulting in spills of approximately 30,000 gallons of partially treated wastewater and 2,000 gallons of untreated wastewater.

Northwest Water Reclamation Facility

On January 22, 2021, FDEP issued NWRF a consent order (OGC File No. 20-1495) in response to three SSOs that occurred between October 2019 and August 2020. The consent order requires several force main, gravity, and lift station projects to be completed within an allotted time and payment of a fine or completion of a pollution prevention project. OCU has completed several projects including three pollution prevention projects. OCU has requested an extension to the deadline through June 2027 to complete remaining projects.

SWRF and South Service Area

On January 22, 2021, FDEP issued SWRF a consent order (OGC File No. 20-1494) in response to eight SSOs that occurred between July 2019 and January 2020. The consent order requires several force main, gravity, and lift station projects to be completed within an allotted time and payment of a fine or completion of a pollution prevention project. OCU is continuing to work with the FDEP to complete projects by agreed upon deadlines.

The SWRF permit was renewed on March 7, 2024 and was accompanied by an administrative order (No. OB-24-001) requiring more stringent nutrient limits. This order was issued to confirm SWRF can comply with the nutrient limits established by the Lake Okeechobee Basin Management Action Plan. To comply with the nutrient limits, SWRF is required to meet advanced wastewater treatment standards by September 1, 2028.

Permit violations occurred between October 2024 and September 2025 at the R-001 (PAR/Old Winter Garden Road RIBs), the R-002 (Water Conserv II RIBs), and the R-003 (Water Conserv II PAR). In addition, one SSO occurred at SWRF between October 2024 and September 2025 resulting in the spill of 5,000 gallons of treated effluent water.

HWRP and Southwest Service Area

Permit violations occurred between October 2024 and September 2025 at the R-001 (Water Conserv II RIBs), the R-002 (PAR), and the R-003 (Water Conserv II PAR). In addition, two SSOs occurred at HWRP between October 2024 and September 2025 resulting in spills of approximately 800 gallons of untreated wastewater and 800 gallons of reject water and biosolids.

Industrial Compliance Programs

In support of Chapter 37, Article XX, Orange County Code Public and Private Sewer System Use Requirements ("Ordinance"), the Water Reclamation Division's Environmental Compliance Section administers the Industrial Pre-treatment Program, the Environmental Surcharge Program, and the Oil and Grease Prevention Program. Additionally, the County's Ordinance establishes discharge standards for users of the OCU sewer system and sets contaminant concentration limits to protect the wastewater system and help the water reclamation facilities comply with regulatory standards. Examples of contaminants include, but are not limited to, heavy metals, biochemical oxygen demand, grease, and oils.

OCU monitors 26 industrial users, including some groundwater remediation sites, under its EPA approved Industrial Pre-treatment Program. OCU expects to add eight industrial facilities to this program in the next year with good potential for additional facilities as surveying of industries continues. Through this program, OCU surveys industries in its service areas to assess actual or potential discharge of harmful constituents.

Additionally, industries are monitored through industrial wastewater discharge permits, compliance inspections, and sampling events.

Commercial and industrial facilities that discharge more than 300,000 gallons per day of high strength wastewater or require monitoring under the Industrial Pre-treatment Program must participate in the Environmental Surcharge Program. Through this program, OCU staff collect and test a representative wastewater sample from each participating facility each quarter. If the sample is found to violate certain pollutant limits, a surcharge is added to the customer's monthly utility bill. These fees supplement OCU for treating high strength wastewater that is more costly to treat than typical domestic-strength wastewater. Currently, 197 commercial facilities are monitored under this program.

Commercial sources that discharge oil and grease to the sewer system are required to participate in the Oil and Grease Prevention Program. This program is designed to eliminate SSOs caused by controllable actions, such as removing grease and oil from wastewater before it is discharged into the sewer system. Through this program, OCU issues registration certificates to premises that set a minimum pump out frequency for grease traps, interceptors, oil/water separators, and private pump stations. OCU also performs regular facility inspections to make sure premises comply with the requirements. Currently, 3,071 premises are monitored through this program.

Conclusions of the Consulting Engineer

The Consulting Engineer made the following conclusions based on the considerations, assumptions, study results, and analyses summarized in the Engineer's Report. The below conclusions represent opinions based on the Engineer's Report as a whole and are judgments based exclusively on the presented information, and the Engineer's Report should be read in its entirety.

1. OCU is expected to be able to retain and renew current permits for the System, provided that operations, maintenance, and permit reporting continue consistent with practices demonstrated in the past 5-years.

2. To the Consulting Engineer's knowledge, OCU is in compliance with all applicable federal and state regulatory requirements relating to the provisions of System services. Other than those items identified in the report, there are no known outstanding regulatory orders requiring corrective action that have been issued by any regulatory agency with respect to the existing System.

3. Based on WSF capacities, planned expansions, existing CUP/WUP allocations, and projected potable water demands presented in the report, OCU is expected to have sufficient water supply and system capacity to meet anticipated service needs over the next 20-year planning period.

4. Based on the Consulting Engineer's knowledge, planned and ongoing alternative water supply projects are expected to assist in meeting water supply demands beyond the 20-year planning horizon.

5. Based on available WRF capacities, planned facility expansions, and projected wastewater flows, OCU is expected to have adequate wastewater treatment capacity to meet anticipated service needs over the next 20 years.

6. Based on above-ground inspections of System facilities and discussions with operations staff, the existing potable water facilities appear to be in overall good condition and comparable to facilities of similar age and capacity. The wastewater and reclaimed water facilities likewise appear to be in good condition and consistent with industry norms for similar facilities. Various projects are underway to address ongoing facility needs.

7. The System facilities appear to be adequately operated and maintained, and OCU is taking appropriate steps to continue prudent utility practices, as described throughout the report. Accordingly, the County appears capable of providing sufficient and reliable System service to its customers.

8. OCU's Capital Improvement Plan ("CIP") projects are necessary and appropriate to meet current regulatory requirements, maintain reliable System service to existing customers, and provide adequate capacity for anticipated growth in utility service areas, as discussed in the report.

9. While the Consulting Engineer did not independently evaluate cost estimates of CIP projects as part of the report, the CIP cost estimates presented for the projects identified in the five-year CIP budget appear reasonable.

FINANCIAL FEASIBILITY REPORT

In connection with the proposed issuance of the Series 2026 Bonds, the County has retained Stantec Consulting Services Inc. ("Stantec"), as financial feasibility consultant (the "Feasibility Consultant") to develop the financial Feasibility Report (the "Feasibility Report"). The Feasibility Report provides, among other things, an analysis of the System, the Capital Improvement Program and certain financial matters, including forecasted financial results for the System through Fiscal Year 2030, particularly, the forecast sufficiency of Revenues of the System to pay debt service on the Series 2026 Bonds. The Feasibility Report is included herein as APPENDIX D in reliance upon the knowledge and experience of the Feasibility Consultant as experts in utility systems, feasibility analyses, revenue forecasting, and related financial matters.

The Feasibility Consultant has assembled financial forecasts of Revenues of the System available for debt service through Fiscal Year 2030 based upon OCU's estimates of the most probable results of operations and debt service coverage for each year of the

forecast period. The forecast reflects OCU's judgment, based upon present circumstances, as to the most likely set of conditions and County management's most likely course of action. The financial forecast set forth in the Feasibility Report indicates that, based upon the assumptions presented therein, sufficient revenues are projected to be generated by the System to meet its operations and maintenance, debt service and coverage, and capital cost requirements through Fiscal Year 2030. Based upon its analysis, the Feasibility Consultant believes that the financial forecast set forth in the Feasibility Report is presented in conformity with generally accepted guidelines for presentation of a financial forecast and that the underlying assumptions provide a reasonable basis for OCU's forecast.

The Feasibility Report should be read in its entirety for a discussion of historical and forecast financial results of the System, and an understanding of all of the assumptions and rationale underlying the forecasts and the conclusions contained therein. No assurances can be given that the assumptions on which the forecasts in the Feasibility Report are based will materialize. Inevitably, some assumptions used to develop the forecasts will not be realized and unanticipated events and circumstances will occur. Therefore, actual results achieved during the forecast period will vary from those set forth in the Feasibility Report and the variations may be material. Further, the forecast period covered by the Feasibility Report does not cover the entire period through maturity of the Series 2026 Bonds. See "APPENDIX D - FINANCIAL FEASIBILITY REPORT" attached hereto.

RATES, FEES AND CHARGES

The County has established rates, fees and charges to recover the cost of providing water, wastewater, and reclaimed water service, as well as the authority to establish and collect charges and fees for connection to each system. The current rates, fees and charges have been established through a series of resolutions and are not subject to approval by any other local or state agency.

Water, Wastewater and Reclaimed Water Rates

The County collects fixed and variable monthly charges for recovering the cost of operating, maintaining, and expanding the System, including operating and maintenance costs, capital project requirements (including renewal and replacement), debt service expenses and corresponding net income to debt service coverage ratios, and adequate levels of operating reserves. The tables on the following pages present the current schedules of water, wastewater, and reclaimed water rates, effective October 1, 2025.

Financial Feasibility Report dated July 10, 2026.

Furthermore, the County recently updated its reclaimed water rate structure with the goal to achieve full cost recovery (compared to the prior recovery level of 73%), while promoting responsible use of the resource, and with minimal impact to the County's reclaimed water customer who uses reclaimed water responsibly. The updated structure consolidated monthly fixed charges to one schedule by meter size for all customer classes, removed monthly volume allowances, and created volumetric tiers for the small retail customers. The new reclaimed water rate structure went into effect on October 1, 2025.

The tables on the following pages present the history of annual water, wastewater, and reclaimed water fixed and volumetric rate adjustments implemented and in effect on October 1 of each respective fiscal year, beginning in Fiscal Year 2017.

⁽²⁾ Effective October 1, 2025, the updated structure consolidated monthly fixed charges to one schedule by meter size for all customer classes, removed monthly volume allowances, and created volumetric tiers for the small retail customers.

It is important to note that in 2022, the County completed the evaluation of its commercial water and wastewater volumetric rates and fixed monthly charges in an effort to achieve greater interclass equity gradually over time, by addressing the interclass differentials in effective rates. Per results of this analysis, the County adopted a rate plan which increased the percentage of revenue to be recovered from commercial customers beginning in Fiscal Year 2024 and ending in Fiscal Year 2028. This resulted in 5% volumetric increases for commercial water customers and 10% volumetric increases for

commercial wastewater customers. However, in 2026, per the results of the County’s most recent Utilities Rate Study (Final Report dated January 20, 2026), the County adopted a new five-year plan of annual water and wastewater rates, effective October 1, 2026, sufficient to fund the identified requirements of the System through Fiscal Year 2031, while also continuing to work toward interclass equity through separate commercial volumetric rates.

The tables on the following pages present the annual water and wastewater, fixed and volumetric rate adjustments effective on October 1 of each respective fiscal year, beginning in Fiscal Year 2027 and ending in Fiscal Year 2031.

The County requires that all new and expanded capacity connections to the water and wastewater systems pay connection fees, also commonly referred to as capital charges, impact fees, capacity charges, or system development charges, to recover the County's investment in expansion-related capital projects. These fees are one-time charges that are required to be maintained in separate accounts and used solely for system expansions.

The tables on the following pages compare the County's current water and wastewater connection fees per equivalent residential connection ("ERC") and equivalent residential unit ("ERU"), respectively. The fees utilized for the utilities shown were calculated based upon the Fiscal Year 2026 water and wastewater connection fees.

HISTORICAL AND PROJECTED OPERATING RESULTS

The historical revenues and expenses of the System for Fiscal Years 2021 through 2025 are summarized in the table below. The historical results are based upon audited information from the County's Annual Comprehensive Financial Reports ("ACFR") for Fiscal Years 2021 through 2025 and reflects the requirements of the Resolution. The projections are based on certain assumptions and estimates and no representation is made that any of the assumptions or estimates are valid or that any of such projections will be realized. While the Feasibility Consultant believes its assumptions and estimates are reasonable, said assumptions and estimates are dependent on future events and actual conditions may differ from those assumed. To the extent that actual conditions differ from those assumed by the Feasibility Consultant, the actual operating results of the System will vary from such projections. There can be no assurance that such projections will be realized. In summary, as provided in the Resolution, Gross Revenues less Operating Expenses results in Net Revenues available for debt service.

THE CAPITAL IMPROVEMENT PROGRAM

The County identified approximately \$371 million in capital improvement expenditures for the water system, \$1.02 billion for the wastewater system, \$117 million for the reclaimed water system, and \$55 million in other CIP projects related to utility operations for Fiscal Year 2026 through Fiscal Year 2030 (five-year period ending September 30, 2030). Over the next five years, the total planned CIP expenditures amount to approximately \$1.57 billion, not including funds carried over from previous years. The table on the following page summarizes capital improvement plan funding amounts on an annual basis from 2026 through 2030.

⁽¹⁾ Fiscal Year is the five-year period ending on September 30th each year.

⁽²⁾ Projects categorized as “other” include projects related to customer support, asset management, information management, and building improvements, among others. Some of the major projects classified as “other” include Utility Operation Center East, Utilities Admin Building Pond Solar Array, and CIS System Development - Software Project Requirements and Phase 4 Implementation.

Source: Engineer's Report.

The capital improvement plan includes water, wastewater, and reclaimed water facilities projects; collection system, distribution, and force main repair and replacement projects; new transmission projects; alternative water supply projects; meter replacement projects; and more. Major water projects include improvements at the County's WSFs as listed in the report and major water pipeline improvement projects. The County, as a regional partner, is also partially funding the design and construction of the new Cypress Lake Wellfield and WSF. Upgrading SWRF to meet advanced wastewater treatment standards and expansion projects at EWRF and HWRF make up much of the wastewater facilities' improvement budget. Meanwhile, the new SRFs in the East and Southwest service areas, as well as various alternative water supply and pipeline improvement projects, make up much of the reclaimed water budget. A detailed listing of all capital improvement plan projects and funding sources are provided in "APPENDIX D - FINANCIAL FEASIBILITY REPORT" attached hereto.

Conclusions of the Feasibility Consultant

The Feasibility Consultant concludes based upon the principal considerations and assumptions and the results of their analyses, as summarized in their report, that:

1. The System is financially well managed, and the administrative staff is capable of addressing the administrative and financial needs of the System.
2. Historical operating revenues and expenses reflect favorable results for Fiscal Years 2021 through 2025.
3. Gross Revenue for Fiscal Years 2026 through 2030 under the System's existing rates and proposed annual rate adjustments are projected to be sufficient to: (i) pay projected Operating Expenses; (ii) pay Annual Debt Service; (iii) maintain the minimum Renewal and Replacement Fund requirement; (iv) maintain the minimum operating reserve balance equal to at least 60 days of Operating Expenses; (v) provide positive annual

contributions to the reserve fund for future System needs; and (vi) provide Net Revenues that exceed one hundred twenty percent (120%) of the Debt Service on its Bonds in each respective Fiscal Year.

4. The existing and projected Gross Revenues and Operating Expenses, described in the Feasibility Report, are reasonable based on the System's historic data, anticipated changes in accounts and billed usage, and the approved rate adjustments discussed in the Feasibility Report.

5. The County's charges for monthly water and wastewater service as well as its water and wastewater connection fees, are reasonable when compared to other local municipalities and counties throughout the State.

6. Adopted annual rate increases through Fiscal Year 2030 are reasonable and are anticipated to support charges for services that are expected to remain generally comparable to other local municipalities and counties throughout Florida.

7. Nothing has come to the Feasibility Consultant's attention that would adversely affect the continued operating and financial condition of the System.

8. The System will evaluate the capital budget on an annual basis to allow for the incorporation of updated information and changes in economic conditions and demands so that any necessary adjustments can be made to allow the Utility to meet its requirements during the projection period and minimize impacts from future events which occur differently than currently projected.

PENSION AND OTHER POST EMPLOYMENT BENEFITS

All of the OCU's employees participate in the Florida Retirement System (the "FRS"). As provided by Florida statute, the FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement including the FRS Pension Plan (the "Pension Plan") and the Retiree Health Insurance Subsidy (the "HIS Plan"). As required by statute, FRS also provides a defined contribution plan alternative to the Pension Plan (the "Investment Plan"), which is administered by the State Board of Administration. The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000 or from the website: www.dms.myflorida.com/workforce_operations/retirement/publications.

The System's contribution to the Pension Plan totaled \$6,434,122 for the fiscal year ended September 30, 2025 and the System reported a liability of \$32,450,398 for its proportionate share of the Board's Pension Plan's net pension liability as of September 30,

2025. The System's contribution to the HIS Plan totaled \$1,203,907 as of September 30, 2025 and the System reported a liability of \$16,969,975 for its proportionate share of the Board's HIS Plan's net pension liability as of September 30, 2025. The System's Investment Plan pension expense totaled \$1,876,687 for the fiscal year ended September 30, 2025. See "APPENDIX C – AUDITED BASIC FINANCIAL STATEMENTS AND REQUIRED SUPPLEMENTARY INFORMATION OF THE ORANGE COUNTY, FLORIDA WATER UTILITIES SYSTEM FOR THE FISCAL YEARS ENDED SEPTEMBER 30, 2025 AND 2024" attached hereto.

In addition to the pension benefits, the System offers a postemployment benefit ("OPEB") plan that subsidizes the cost of health care for its retirees and eligible dependents. In 2007, the County established the Orange County Health Care Benefit Trust (the "Trust"), a qualified irrevocable trust and single employer defined benefit OPEB plan for, and administered by, the Board and five of the County's six constitutional officers (the County Comptroller, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector). The Trust established by the County will cover benefits that have been approved by the Board for county employees and the constitutional officers, with the exception of the Clerk of Courts who is responsible for the establishment of her own trust fund. The Board has the authority to establish and amend the OPEB plan and engages an actuarial firm to determine each participant's estimated obligation and actuarially determined contribution ("ADC").

The County's net OPEB liability was measured to be \$46,778,662 as of September 30, 2025, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation of that date. Funding the actuarially determined OPEB costs of the County and the Clerk has not had a significant impact on operating costs or financial position. A full presentation of the Trust and OPEB plan assets, liabilities, and actuarial methods and assumptions is included in the Orange County, Florida Annual Comprehensive Financial Report which may be found at <https://www.occompt.com/221/Annual-Comprehensive-Financial-Reports/>. Separate stand-alone financial statements for the Trust are not prepared.

For Fiscal Year 2025, the System's ADC payment was \$424,623, representing 0.70% of the System's covered payroll amount of \$61,063,516. The System recognized OPEB expense of \$1,604,092 for Fiscal Year 2025. See, "APPENDIX C - AUDITED BASIC FINANCIAL STATEMENTS AND REQUIRED SUPPLEMENTARY INFORMATION OF THE ORANGE COUNTY, FLORIDA WATER UTILITIES SYSTEM FOR THE FISCAL YEARS ENDED SEPTEMBER 30, 2025 AND 2024" attached hereto.

RISK FACTORS

The future financial condition of the System could be affected adversely by, among other things, legislation, environmental and other regulatory actions as set forth above, changes in demand for services, economic conditions, demographic changes and litigation. The County's System is subject to regulation and control by numerous federal, state and local governmental agencies. The County cannot predict future policies such agencies may adopt. Future changes could result in the County having to discontinue operations at certain facilities or to make unanticipated and significant capital expenditures and could generate substantial litigation.

Cybersecurity

Computer networks and systems used for data transmission and collection are vital to the efficient operations of the County and the System. There have been numerous attempts to gain unauthorized access to electronic systems of local governments for the purposes of misappropriating assets or personal, operational, financial or other sensitive information, or causing disruption. These attempts include highly sophisticated efforts to electronically circumvent security measures or freeze assets as well as more traditional intelligence gathering aimed at obtaining information necessary to gain access. The County has established various procedures and systems to mitigate the risk and vulnerability of cyberattacks and threats. However, no assurances can be given that the County's security measures will prevent cyberattacks, and no assurances can be given that any cyberattacks, if successful, will not have a material adverse effect on the operations or financial condition of the County.

Natural Disasters

The State of Florida is naturally susceptible to the effects of extreme weather events and natural disasters, including floods, droughts, and hurricanes, which could result in negative economic impacts on communities, including the County. Such effects can be exacerbated by a longer-term shift in the climate over several decades (commonly referred to as climate change), including increasing global temperatures and rising sea levels. The County's Office of Emergency Management has experience with and has taken steps to mitigate and protect against these natural disasters; however, the occurrence of such extreme weather events could damage local infrastructure that provides essential services to the County. The economic impacts resulting from extreme weather events could include a loss of revenue, interruption of service, and escalated recovery costs.

LITIGATION

Other than as disclosed herein, there is no pending or, to the knowledge of the County, any threatened litigation against the County which in any way questions or affects the validity of the Series 2026 Bonds, or any proceedings or transactions relating to their issuance, sale or delivery, or the adoption of the Resolution, or the source of security described herein.

The County experiences claims, litigation, and various legal proceedings which individually are not expected to have a material adverse effect on the operations or financial condition of the County or the System, but may, in the aggregate, have a material impact thereon. In the opinion of the Acting County Attorney, however, the County will either successfully defend such actions or otherwise resolve such matters without any material adverse consequences to the financial condition of the County.

CONTINUING DISCLOSURE

The County has agreed to execute a Continuing Disclosure Certificate, a form of which is attached hereto as APPENDIX G, concurrently with the issuance of the Series 2026 Bonds. Under the Continuing Disclosure Certificate, the County, as an "obligated party" under Rule 15c2-12(b)(5) of the Securities Exchange Act of 1934 (the "Rule") and, initially, the sole obligated party under the Continuing Disclosure Certificate, will provide certain financial information and operating data (the "Annual Information") relating to the County and notices of the occurrence of certain enumerated events with respect to the Series 2026 Bonds.

The Annual Information will be filed by or on behalf of the County to the Municipal Securities Rulemaking Board (the "MSRB") via its Electronic Municipal Market Access System ("EMMA"), or with such other repository as designated from time to time by the SEC. See "APPENDIX G - FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached hereto. The nature of the information to be provided in the Annual Information and the notices of such enumerated events is set forth in "APPENDIX G - FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached hereto. The Continuing Disclosure Certificate further provides that a default under the Continuing Disclosure Certificate shall not constitute an Event of Default under the Resolution.

In the previous five-year period beginning [MONTH DAY], 2021 and ending [MONTH DAY], 2026, the County has not failed to comply, in any material respects, with any previous continuing disclosure undertakings entered into pursuant to the Rule.

The County has contracted with Digital Assurance Certification LLC ("DAC") to be a supplemental source of information for the County's bond issuances. Such services

may be discontinued at any time. Information regarding this debt issuance may be found at the DAC internet site, www.dacbond.com.

MUNICIPAL ADVISOR

The County has retained PFM Financial Advisors LLC, Orlando, Florida as Municipal Advisor in connection with the preparation of the County's plan of financing and with respect to the authorization and issuance of the Series 2026 Bonds. The Municipal Advisor is not obligated to undertake and has not undertaken to make an independent verification of the accuracy, completeness or fairness of the information contained in this Official Statement.

LEGAL MATTERS

Certain legal matters incident to the issuance of the Series 2026 Bonds and with regard to the tax-exempt status of the interest on the Series 2026 Bonds are subject to the legal opinions of Nabors, Giblin & Nickerson, P.A., Tampa, Florida and Ruye H. Hawkins, P.A., Orlando, Florida, whose legal services as Co Bond Counsel have been retained by the County. See "TAX MATTERS" herein. The signed legal opinions, dated and premised on law in effect as of the date of original delivery of the Series 2026 Bonds, will be delivered at the time of original delivery of the Series 2026 Bonds.

The proposed text of the legal opinions is set forth as "APPENDIX F - FORM OF CO-BOND COUNSEL OPINION" attached hereto. The actual legal opinions to be delivered may vary from that text if necessary to reflect facts and law on the date of delivery. The opinions will speak only as of their date and subsequent distribution by re-circulation of the Official Statement or otherwise shall create no implication that Co-Bond Counsel has reviewed or expresses any opinion concerning any of the matters referenced in the opinion subsequent to its date.

Certain legal matters will be passed upon for the County by the Acting County Attorney or their designee. Certain legal matters will be passed upon by the County's Co-Disclosure Counsel, Nabors, Giblin & Nickerson, P.A., Tampa, Florida and Ruye H. Hawkins, P.A., Orlando, Florida.

TAX MATTERS

Opinion of Co-Bond Counsel

In the opinion of Co-Bond Counsel, the form of which is included as APPENDIX F hereto, the interest on the Series 2026 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for

purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2026 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the County to comply subsequent to the issuance of the Series 2026 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2026 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2026 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The County has covenanted in the Bond Resolution to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2026 Bonds for purposes of federal income taxation. In rendering its opinion, Co-Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2026 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2026 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2026 Bonds to the Treasury of the United States of America. Noncompliance with such provisions may result in interest on the Series 2026 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Co-Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2026 Bonds. Prospective purchasers of Series 2026 Bonds should be aware that the ownership of Series 2026 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2026 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2026 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2026 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2026 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2026 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE

CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2026 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD

Other Tax Matters

Interest on the Series 2026 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2026 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2026 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations for tax years beginning after December 31, 2022. Interest on the Series 2026 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2026 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2026 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2026 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2026 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2026 Bonds.

Original Issue Discount

Certain of the Series 2026 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest

excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he holds such Discount Bonds and will increase its adjusted basis in such Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bonds. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Original Issue Premium

Certain of the Series 2026 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for Federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

RATINGS

The Series 2026 Bonds have been assigned ratings of "[____]" by S&P Global Ratings and "[____]" by Fitch Ratings Inc. (collectively, the "Rating Agencies"). Such ratings reflect only the respective views of such Rating Agencies, and an explanation of the significance of such ratings may be obtained from the respective Rating Agencies. Any downward change in or suspension or withdrawal of such ratings may have an adverse effect on the market price of the Series 2026 Bonds.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2026 Bonds upon an Event of Default under the Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by the Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds, including Co-Bond Counsel's approving opinion, will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by (i) bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery, (ii) principles of equity, and (iii) exercise of governmental police powers. See "APPENDIX B – FORM OF RESOLUTION" attached hereto for a description of events of default and remedies.

UNDERWRITING

The Series 2026 Bonds are being purchased by [THE UNDERWRITER] (the "Underwriter"), subject to certain terms and conditions.

The Underwriter shall purchase the Series 2026 Bonds at an aggregate price of \$[_____.00] (equal to the principal amount of the Series 2026 Bonds in the amount of \$[_____.00], less Underwriter's discount of \$[_____.00], plus net bond premium of \$[_____.00]). The Series 2026 Bonds are offered for sale to the public at the prices set forth on the inside front cover page of this Official Statement. The Series 2026 Bonds may be offered and sold to certain dealers at prices lower than such offering prices, and such public offering prices may be changed, from time to time, by the Underwriter.

FINANCIAL REPORTS

The audited basic financial statements and required supplementary information of the County for the years ended September 30, 2025 and 2024 attached hereto as "APPENDIX C – AUDITED BASIC FINANCIAL STATEMENTS AND REQUIRED SUPPLEMENTARY INFORMATION OF THE ORANGE COUNTY, FLORIDA WATER UTILITIES SYSTEM FOR THE FISCAL YEARS ENDED SEPTEMBER 30, 2025 AND 2024", have been audited by Cherry Bekaert, L.L.P., independent auditors, as stated in their report included in APPENDIX C attached hereto. The consent of the County's auditor to include in this Official Statement the aforementioned report was not requested, and the general purpose financial statements of the County are provided only as publicly available documents. The auditor was not requested nor did they perform any other procedures with respect to the preparation of this Official Statement or the information presented herein.

The Series 2026 Bonds are payable solely from the Pledged Funds as described in the Resolution and the Series 2026 Bonds are not otherwise secured by, or payable from, the general revenues of the County. The basic financial statements and required supplementary information attached hereto as APPENDIX C are presented for general information purposes only.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a "conduit" issuer). The County is not and has not been, since December 31, 1975, in default as to principal and interest on bonds or other debt obligations which it has issued, whether as the principal obligor or as a conduit.

There are several special-purpose governmental authorities in the County that have served as conduit issuers of "private activity" bonds for such purposes as housing, industrial development, and health care. Defaults have occurred in connection with some of those bonds. However, these governmental authorities are legally separate and distinct from the County, and the County has no liability whatsoever for the payment of such defaulted bonds.

FORWARD LOOKING STATEMENTS

The Official Statement contains certain "forward looking statements" concerning the County's and the System's operations, performance and financial condition, including its future economic performance, plans and objectives and the likelihood of success. These statements are based upon a number of assumptions and estimates which are subject to significant uncertainties, many of which are beyond the control of the County. The words "may," "would," "could," "will," "expect," "anticipate," "believe," "intend," "plan," "estimate," and similar expressions are meant to identify these forward-looking statements. Actual results may differ materially from those expressed or implied by these forward-looking statements.

CONTINGENT AND OTHER FEES

The County has retained Co-Bond Counsel, Co-Disclosure Counsel and the Municipal Advisor with respect to the authorization, sale, execution and delivery of the Series 2026 Bonds. Payment of the fees to such professionals and an underwriting discount to the Underwriter (including the fees of their counsel) to be paid by the County are each contingent upon the issuance of the Series 2026 Bonds.

ACCURACY AND COMPLETENESS OF OFFICIAL STATEMENT

The references, excerpts, and summaries of all documents, statutes, and information concerning the County and certain reports and statistical data referred to herein do not purport to be complete, comprehensive and definitive and each such summary and reference is qualified in its entirety by reference to each such document for full and complete statements of all matters of fact relating to the Series 2026 Bonds, the security for the payment of the Series 2026 Bonds and the rights and obligations of the owners thereof and to each such statute, report or instrument. Copies of such documents may be obtained from the County's Municipal Advisor, PFM Financial Advisors LLC, 200 South Orange Avenue, Suite 760, Orlando, Florida 32801, telephone (407) 406-5760.

The information contained in this Official Statement has been compiled from official and other sources deemed to be reliable and is believed to be correct as of the date of the Official Statement but is not guaranteed as to accuracy or completeness by and is not to be construed as a representation by, the Underwriter.

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Neither this Official Statement nor any statement that may have been made verbally or in writing is to be construed as a contract with the owners of the Series 2026 Bonds.

The appendices attached hereto are integral parts of this Official Statement and must be read in their entirety together with all foregoing statements.

MISCELLANEOUS

All information included herein has been provided by the County except where attributed to other sources. The information herein has been compiled from official and other sources and, while not guaranteed by the County, is believed to be correct. So far as any statements made in this Official Statement and the appendices attached hereto which involve matters of opinion or of estimates, whether or not expressly stated, they are set forth as such and not as representation of fact, and no representation is made that any of the estimates will be realized. Except as specified otherwise herein, the County specifically disclaims, and does not undertake, any obligation to further supplement, amend or update the information contained in this Official Statement to reflect the occurrence of any event or transaction since the date of this Official Statement. See "APPENDIX G - FORM OF CONTINUING DISCLOSURE CERTIFICATE" attached hereto.

FORM OF CONTINUING DISCLOSURE CERTIFICATE

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (this "Disclosure Certificate") is executed and delivered as of [MONTH] 1, 2026, by Orange County, Florida (the "County"), in connection with the sale of the County's \$[PAR AMOUNT] Water and Wastewater Utility Revenue Bonds, Series 2026 (the "Series 2026 Bonds") to be issued pursuant to and under the authority of Article VIII, Section 1 of the Constitution of the State of Florida, Section 125.01, Florida Statutes, the Charter of the County, and other applicable provisions of law (collectively, the "Act"), and under and pursuant to Resolution No. 92-B-06 adopted by the Board of County Commissioners of the County (the "Board") on June 12, 1992, as amended, restated and supplemented, in particular as amended and restated by Resolution No. 2016-B-02 adopted by the Board on March 15, 2016, as may be amended and supplemented, and particularly as amended and supplemented by Resolution No. 2026-[] adopted by the Board on [RESO DATE], 20[] (collectively, the "Resolution").

SECTION 1. Purpose of Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the County for the benefit of owners and Beneficial Owners of the Series 2026 Bonds. The financial information and operating data forming the basis of the annual reporting requirements of Sections 4 and 5 of this Disclosure Certificate are derived from the Official Statement (as defined herein).

SECTION 2. Definitions. In addition to the definitions set forth in the Resolution which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined herein, the following capitalized terms used in this Disclosure Certificate have the following meanings:

"**Actual Knowledge**" as used herein, and for the purposes hereof, a party shall be deemed to have "actual knowledge" of the occurrence of any event only if and to the extent the individual or individuals employed by such party and directly responsible for the administration of this Disclosure Certificate on behalf of such party have actual knowledge of or receive written notice of the occurrence of such event.

"**Annual Financial Information**" shall mean the information with respect to the County described in Section 5 of this Disclosure Certificate.

"**Beneficial Owner**" shall mean any individual beneficial owner of the Series 2026 Bonds. Beneficial ownership is to be determined consistent with the definition thereof contained in Rule 13d-3 of the Securities and Exchange Act of 1934, as amended, or, in the event such provisions do not adequately address the situation at hand (in the opinion of nationally recognized bond counsel), beneficial ownership is to be determined based upon ownership for federal income tax purposes.

"Business Day" means a day other than: (a) Saturday or a Sunday, (b) a day on which banks are authorized or required by law to close, or (c) a day on which the County is authorized or required to be closed.

"Dissemination Agent" shall mean the County or any Dissemination Agent designated by the County pursuant to Section 8 hereof.

"EMMA" means the Electronic Municipal Market Access system, a service of the MSRB, or any successor thereto.

"Financial Obligation" shall mean a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

"Fiscal Year" shall mean the fiscal year of the County, which currently is the twelve-month period beginning October 1 and ending on September 30 of the following year or any such other twelve-month period designated by the County, from time to time, to be its fiscal year.

"GAAP" shall mean generally accepted accounting principles promulgated by the Governmental Accounting Standards Board as in effect from time to time in the United States.

"MSRB" means the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, as amended. All documents provided to the MSRB shall be in an electronic format and accompanied by identifying information, as prescribed by the MSRB. Initially, all document submissions to the MSRB pursuant to this Continuing Disclosure Certificate shall use the MSRB's Electronic Municipal Market Access (EMMA) system at www.emma.msrb.org.

"Notice Event" shall mean any of the events listed in Section 6(a) hereof.

"Obligated Person" shall mean the County and any person who is either generally or through an enterprise, fund, or account of such person committed by contract or other arrangement to support payment of all, or part of the obligations on the Series 2026 Bonds (other than providers of municipal bond insurance, letters of credit, or other liquidity facilities). The County confirms that, as of the date hereof, it is the only Obligated Person with respect to the Series 2026 Bonds.

"Official Statement" shall mean the Official Statement of the County, dated [SALE DATE], 2026, delivered in connection with the offering of the Series 2026 Bonds and any amendment or supplement thereto.

"Participating Underwriter" means, collectively, the original purchasers of the Series 2026 Bonds required to comply with the Rule in connection with the offering of the Series 2026 Bonds.

"Rule" shall mean Rule 15c2-12(b)(5) promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as such rule may be amended from time to time and any successor provisions thereto.

"SEC" shall mean the Securities and Exchange Commission.

"State" shall mean the State of Florida.

SECTION 3. Scope of this Disclosure Certificate.

(a) The County has agreed to enter into this Disclosure Certificate and undertake the disclosure obligations hereunder, at the request of the Participating Underwriter and as a condition precedent to the Participating Underwriter's original purchase of the Series 2026 Bonds, in order to assist the Participating Underwriter with compliance with the Rule. The disclosure obligations of the County under this Disclosure Certificate relate solely to the Series 2026 Bonds. Such disclosure obligations are not applicable to any other securities issued or to be issued by the County, nor to any other securities issued by or on behalf of the County.

(b) Neither this Disclosure Certificate, nor the performance by the County of its obligations hereunder, shall create any third-party beneficiary rights, shall be directly enforceable by any third-party, or shall constitute a basis for a claim by any person except as expressly provided herein and except as required by law, including, without limitation, the Rule; provided, however, the Participating Underwriter and each Beneficial Owner are hereby made third-party beneficiaries hereof (collectively, and each respectively, a "Third-Party Beneficiary") and shall have the right to enforce the obligations of the parties hereunder pursuant to Section 11 hereof.

SECTION 4. Provision of Annual Financial Information. Except as otherwise provided herein, the County shall, or shall cause the Dissemination Agent to, provide the Annual Financial Information for each Fiscal Year ending on or after September 30, 2026, not later than the following June 1, to the MSRB. The Annual Financial Information may be submitted as a single document or as separate documents comprising a package, and may include by cross-reference other information as provided in Section 5 hereof; provided, however, that if the financial statements of the County are audited, then such audited financial statements must be submitted, but they may be submitted separately from the balance of the Annual Financial Information and later than the date required above for the filing of the Annual Financial Information if they are not available by such date. If the Fiscal Year changes, the County shall give written notice of such change in the same manner as for a Notice Event in Section 6 hereof. If the financial

statements of the County specified in the manner described hereof are not available by the time the Annual Financial Information must be provided, unaudited Financial Statements of the County shall be provided by the County as part of the Annual Financial Information and such audited financial statements of the County, when and if available, will be provided by the County to the MSRB immediately upon such audited financial statements becoming available.

Any or all of the items above may be included by specific reference to other documents, including official statements of debt issues with respect to which the County is an "Obligated Person", which have been filed with MSRB or the SEC. If the document included by reference is a final official statement, it must be available from the MSRB. The County shall clearly identify each such other document so included by reference.

The requirements of this Section do not necessitate the preparation of any separate annual report addressing only the Series 2026 Bonds. These requirements may be met by the filing of a combined bond report or the County's Annual Comprehensive Financial Report; provided, such report includes all of the information required by this Disclosure Certificate to be provided and is available by June 1.

SECTION 5. Content of Annual Financial Information. The Annual Financial Information of the County shall consist of or cross-reference the following:

(a) Basic financial statements for the County prepared in accordance with GAAP.

(b) Operating data or financial information, consisting of, to the extent not included in the audited financial statements, updates of the following information contained in the Official Statement:

(i) The general information set forth under the heading "THE SYSTEM" but excluding (A) biographical information, (B) projected information and (C) the information under the heading "THE SYSTEM – Conclusions of the Consulting Engineer";

(ii) The chart entitled "Water and Wastewater Rate Schedule" under the heading "RATES, FEES AND CHARGES – Water, Wastewater and Reclaimed Water Rates";

(iii) The chart entitled "Reclaimed Water Rate Schedules" (consisting of a Retail Rate Schedule and a Wholesale Rate Schedule) under the heading "RATES, FEES AND CHARGES – Water, Wastewater and Reclaimed Water Rates"; and

(iv) The chart entitled "Historical Operating Results – Last Five Fiscal Years" under the heading "HISTORICAL AND PROJECTED OPERATING RESULTS".

The County reserves the right to modify from time to time the specific types of information provided in its Annual Financial Information or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

SECTION 6. Reporting of Notice Events.

(a) In accordance with the Rule, the County or the Dissemination Agent shall file a Notice Event Filing with the MSRB, in the appropriate format required by the MSRB and in a timely manner not in excess of ten (10) Business Days after it has Actual Knowledge of the occurrence of any of the following Notice Events with respect to the Series 2026 Bonds:

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2026 Bonds, or other material events affecting the tax status of the Series 2026 Bonds;
- (vii) Modifications to rights of holders of the Series 2026 Bonds, if material;
- (viii) Bond Calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution or sale of property securing repayment of the Series 2026 Bonds, if material;
- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership, or similar proceeding of the County. For purposes of this clause (xii), any such event shall be considered to have

occurred when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the County in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County;

(xiii) The consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;

(xv) Incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the obligated person, any of which affect security holders, if material; or

(xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

(b) Each notice given pursuant to this Section 6 shall prominently state the date, title and CUSIP numbers of the affected Series 2026 Bonds.

SECTION 7. Termination of Reporting Obligation.

(a) The obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Series 2026 Bonds.

(b) If in the opinion of nationally recognized bond counsel satisfactory to the County, the Rule shall be amended, modified or changed so that all or any part of the information currently required to be provided thereunder shall no longer be required to be provided thereunder, then such information shall no longer be required to be provided hereunder; and if and to the extent in the opinion of nationally recognized bond counsel satisfactory to the County, the Rule, or any provisions thereof, shall be declared by a federal court of competent and final, non-appealable jurisdiction to be, in whole or in part, invalid,

unconstitutional, null and void, or otherwise inapplicable to the Series 2026 Bonds, then the information required to be provided hereunder, insofar as it was required to be provided by a provision of the Rule so declared, shall no longer be required to be provided hereunder.

(c) If a termination or cessation described in either Section 7(a) or (b) hereof occurs prior to the final maturity of the Series 2026 Bonds, the County shall give or cause to be given notice of such event in the same manner as for a Notice Event under Section 6 hereof.

SECTION 8. Dissemination Agent. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

SECTION 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the County may unilaterally amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 4, 5 or 6 hereof, it may only be made in connection with a change in circumstances that arises from a change in applicable legal requirements, change in law, any subsequent change in or applicable and binding interpretation of the Rule, or change in the identity, nature or status of the County or any other Obligated Person or the type of business conducted;

(b) this Disclosure Certificate, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2026 Bonds after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the amendment or waiver does not materially impair the interests of the owners or Beneficial Owners of the Series 2026 Bonds, as determined either by parties unaffiliated with the County or any other Obligated Persons (i.e., nationally recognized bond counsel satisfactory to the County).

Notwithstanding the foregoing, the County shall have the right to adopt amendments to this Disclosure Certificate necessary to comply with any then applicable provisions of securities law and modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the County shall describe such amendment in the next Annual Financial Information relating to the County, and shall include a narrative explanation of the reason

for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being provided by or in respect of the County. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Notice Event under Section 6 hereof, and (ii) the Annual Financial Information relating to the County for the year in which the change is made shall present a comparison (in narrative form and also, if feasible in quantitative form) between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the County to meet its obligations. To the extent reasonably feasible, the comparison also shall be quantitative.

SECTION 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the County from disseminating any other information, using the means of dissemination set forth herein or any other means of communication, or including any other information in any Annual Financial Information or notice of occurrence of a Notice Event, in addition to that which is required by this Disclosure Certificate. If the County chooses to include any information in any Annual Financial Information or notice of occurrence of a Notice Event, in addition to that which is specifically required by this Disclosure Certificate, the County shall have no obligation hereunder to update such information or include it in any future Annual Financial Information or notice of occurrence of a Notice Event.

SECTION 11. Default. In the event of a failure of the County to comply with any provision of this Disclosure Certificate, the sole remedy available to any holder, owner or Beneficial Owner of Series 2026 Bonds shall be to seek specific performance by court order to cause the County to comply with its obligations under this Disclosure Certificate, it being the County's position that money damages would be inadequate recompense and/or difficult to ascertain. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution.

SECTION 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the County, the Dissemination Agent, if any, all holders, owners and Beneficial Owners from time to time of the Series 2026 Bonds for the benefit of such holders, owners and Beneficial Owners, and shall create no rights in any other person or entity.

SECTION 13. Sources of Payment. The County shall be required to use only Pledged Revenues to pay any costs and expenses to be incurred in the performance of its obligations under this Disclosure Certificate and the performance of its obligations hereunder shall be subject to the availability of Pledged Revenues for that purpose. None

of the members or employees of the County shall be charged personally with any liability, or held liable under any term or provision of this Disclosure Certificate because of its execution or attempted execution, or because of any breach or attempted or alleged breach thereof.

THE OBLIGATIONS UNDER THIS DISCLOSURE CERTIFICATE ARE NOT OBLIGATIONS OF THE STATE OF FLORIDA OR GENERAL OBLIGATIONS OF THE COUNTY, OR ANY POLITICAL SUBDIVISION OF THE STATE OF FLORIDA AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF THE OBLIGATIONS, OR THE INTEREST OR PREMIUM, IF ANY, THEREON.

SECTION 14. Obligated Persons. Any change in Obligated Persons shall be reported by the County in connection with the Annual Financial Information. If any person, other than the County, becomes an Obligated Person relating to the Series 2026 Bonds, the County shall use its reasonable best efforts to require such Obligated Person to comply with all provisions of the Rule applicable to such Obligated Person; provided, however, the County takes no responsibility for the accuracy or completeness of any financial information or operating data or other filings by any future Obligated Person.

SECTION 15. Governing Law. This Disclosure Certificate shall be governed by and construed in accordance with the internal laws of the State of Florida (without regard to conflict of law principles thereof), provided that, to the extent this Disclosure Certificate addresses matters of federal securities laws, including the Rule, this Disclosure Certificate shall be construed in accordance with such federal securities laws and official interpretations thereof.

SECTION 16. Severability. In case any part of this Disclosure Certificate is held to be illegal or invalid, such illegality or invalidity shall not affect the remainder or any other section of this Disclosure Certificate. This Disclosure Certificate shall be construed or enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application of this Disclosure Certificate affect any legal and valid application.
