

**CAPITAL IMPROVEMENTS AND INFRASTRUCTURE
SUBRECIPIENT AGREEMENTS LIST**

**COMMUNITY DEVELOPMENT BLOCK GRANT – DISASTER RECOVERY (CDBG-DR)
(B-25-UN-12-0003)**

| Organization | Project Name | Description | Awarded Amount |
|-----------------------|--|---|---------------------|
| City of Winter Park | W/WWW Lift Station Project – Ravaudage & Wymore | General construction activities associated with the construction of a new pumpstation at Ravaudage and upgrading the pumpstation at Wymore, with approximately 7500 feet of 12-inch sanitary force main to provide increased flow capacity to nearly 3000 low to moderate income residents in the growing Lee Road corridor. Cost include force main, pump station and electrical equipment | \$5,157,507 |
| City of Winter Garden | Bethune, Edgeway, Basin, Maxey & Dunbar Drainage Project | The project aims to mitigate flooding in East Winter Garden by adding stormwater inlets and upgrading ponds and piping systems. It includes surveying low-lying areas, conducting stormwater modeling, and developing plans to maximize stormwater collection and implement necessary improvements. | \$6,562,500 |
| Town of Eatonville | Eatonville Resilience & Recovery | General construction activities associated with the expansion of the existing wetland for increased stormwater storage capacity in combination with increasing the number of downstream outfall pipes to reduce the maximum flood stage in Lake King and construction of a green infrastructure system in the existing park surrounding the lake. Additionally, the project includes replacing storm-damaged and deteriorated walkways, trails, boardwalks, and other passive infrastructure as part of the new green infrastructure and in accordance with best practices for floodplain management. | \$8,291,743 |
| TOTAL: | | | \$20,011,750 |
