Notice is hereby given to all owners of lands located within the boundaries of Orange County, Florida that the Orange County Board of County Commissioners intends to use the ad valorem method for collection of millage assessments levied by the Orange County Board of County Commissioners.

This ad valorem assessment would be levied for and would be collected by the Tax Collector on the November 2023 real estate tax bill and each and every year thereafter until notification of discontinuance by the Orange County Board of County Commissioners.
