SUBJ: **Approval to Decrease the Speed Limit on Town Loop Boulevard**

Concerned citizens have requested Orange County to analyze the posted speed along Town Loop Boulevard from John Young Parkway to East Town Center Boulevard. They expressed that the posted speed is too high and presents a safety risk.

Vehicular/pedestrian safety and recent accident statistics were the primary considerations for a speed reduction analysis along the Town Loop Boulevard corridor. Based on the results from the prevailing speed method (including allowable adjustments) and USLIMITS2 analysis, it is recommended that the speed limit be reduced from 35 mph to 30 mph.

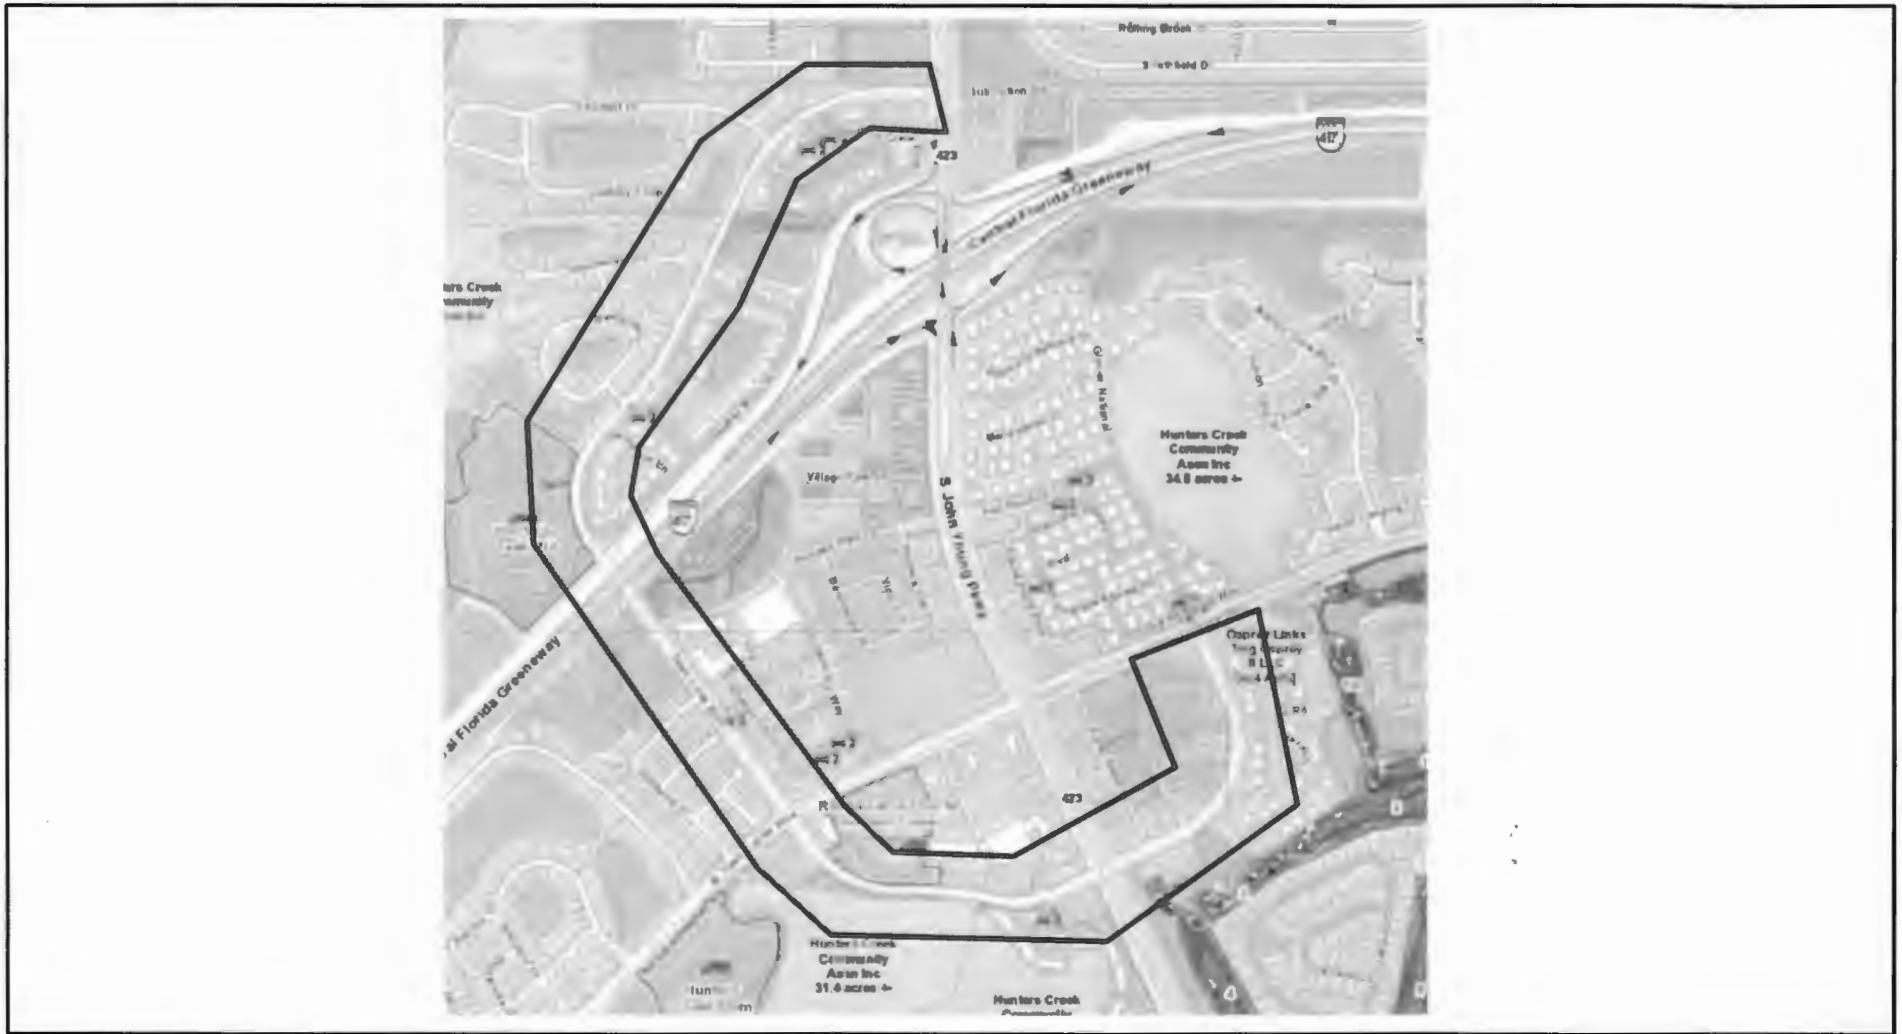

Action Requested: Approval to decrease the speed limit on Town Loop Boulevard from John Young Parkway to East Town Center Boulevard from 35 mph to 30 mph. District 1.
