ORANGE COUNTY AIRWORTHINESS STATEMENT
FOR THE FREEFLY SYSTEMS ALTA X UAS

Public Aircraft:

The FreeFly Systems Alta X UAS owned by Archer First Response Service and leased to Orange County is a public aircraft operated by the Orange County Fire Department in Orange County, Florida. Orange County acknowledges and accepts all responsibility for ensuring the airworthiness of the aircraft.

This Certification of Authorization application for the FreeFly Systems Alta X UAS, and the FreeFly Systems Alta X UAS airframe and systems, have been reviewed on behalf of Orange County in accordance with the manufacturer's assertions and has been determined to be airworthy to operate in the environment set forth in this application subject to the following restrictions:

- 1) Must be operated in compliance with the manufacturer's recommendations.
- 2) Must be operated in compliance with requirements and restrictions set forth in the Certificate of Authorization or Waiver issued by the FAA for the operations set forth in this application.
