Project Administration Subrecipient Agreements

On August 11, 2020, the Board approved Orange County's 2020-2021 Action Plan for housing and community development activities under federal Community Development Block Grant and Emergency Solutions Grant funded by the United States Department of Housing and Urban Development (HUD). The Action Plan utilizes some of the funding to support the delivery of social services and homeless activities. These activities are targeted to low-income persons and include, but are not limited to, home delivered meals for the elderly, subsidized childcare, job training and placement for disabled individuals, and emergency shelter for the homeless.

To implement the projects in the HUD approved 2020-2021 Action Plan, Project Administration Subrecipient Agreements must be must executed with the public service agencies. A list of the agreements with the amount funded for each agency is attached. The agreements have been reviewed by the County Attorney's Office as to form.

The backup documentation for this item has been delivered under separate cover. It may also be accessed online as part of the eAgenda by clicking [here](#).
