Animal Services Advisory Board

Licences/Certificates Information: Not Listed

Personal History: I began fostering with OCAS in 2018 after seeing a plea for fosters on social media. I've always been an animal lover, but fostering struck a cord in me I wasn't aware existed; it catapulted me into a passion, purpose and overall want for better. I have now fostered for 3 organizations, fostered over 300 cats & dogs, currently fostering, serving as an administrator and board member with ADORE Pet Rescue. I am the foster/intake coordinator, which means I find the fosters for the animals we agree to take in as well as make the decisions regarding which animals we can take in. I have seen first hand how integral the work we do is. I am honored to be considered for a position on this board and the opportunity to make real, positive change in our county.

I have been employed by Fender Marine Construction for 4 years responsible for sales, of docks, seawalls/ shoreline protection, erosion control and the design and engineering and subsequent permitting of our projects. So, I have very hands-on knowledge of the lakes and water bodies within Orange County. I am also City Council President for the City of Edgewood.
