Subject: Wekiva River Basin Commission Vacancy
DISCUSSION AGENDA ITEM FEBRUARY 26, 2019

The Wekiva River Basin Commission monitors and ensures implementation of state, regional, and local efforts consistent with the recommendations of the Wekiva River Basin Coordinating Committee for the Wekiva Study Area. The Commission reports annually to the Governor, the Florida Legislature, and the Department of Community Affairs. The membership of the Commission is appointed by the Governor.

The enabling legislation for the Commission designates a seat for one member of each of the Boards of County Commissioners for Lake, Orange, and Seminole Counties. The Orange County seat is currently vacant. On February 26, 2019, the Board will be asked to endorse one its members as the Orange County representative to fill the current vacancy. As noted in Mayor Demings' memo on Board assignments dated February 14, 2019, he recommends appointing Commissioner Moore. Following the Board's action the endorsement shall be sent to the Governor for consideration.

Please call if you have any questions.
