Subject: Non Response from various Orange County Departments including Utilities and Development Services. Roger with Zoning Department has been the only one that has returned Mr. Godfrey's phone calls. He is involved in a very time sensitive process with respect to purchasing land on which he is going to build his home on. He has a 15 day window that started on December 23rd to find resolution. This is in reference to a utility matter adjacent to his property. He needs to know how much it will cost so he can move forward with his project.
