<b>Subject:</b> SAND LAKE SOUND - SEMI-PRIVATE BOAT RAMP I have several questions regarding the proposed semi-private boat ramp on Little Sand Lake and would like to express my concern about the project and how it will impact our community, which has been here since 1984. We are concerned about boater traffic, environmental impact, noise and disturbance, security, and the impact on property values with reduced privacy, just to name a few. I'm also very concerned about the lack of transparency in communicating with the surrounding community. We only became aware of this project when an Orange County employee contacted one of our community leaders.
