Subject: Unfair yogi bear resort impact fees in Apopaka (Clarcona Resort) . With these impact fees of \$10,000 on small park homes for college students , I am unable to provide affordable housing for these college students . The homes and land are much less expensive than the impact fees ? Let us not pass these fees onto the already financially challenged students . I do not have any financial personal gain for myself . I am trying to provide affordable housing for my college son and other UCF students . Pleases help me make this a reality for these young people as they further their education and become responsible citizens. Thank You for your attention and consideration of this request . Sincerely, FRANK P DELISI

Subject: We ask the County Commissioners and Mayor to vote against this proposed inter-local agreement that will remove our Fire Station 29 or at minimum table the approval until the new mayor and commissioners are in office. Additionally provide proper notice to all effected so support or opposition can be truly voiced. As county resident's, business owners and visitor to the area, we expect and deserve the county to uphold and provide services to the citizens in unincorporated Orange County. We have received over many signed petitions in support of keeping this fire station opened.
