Subject: There is a food truck at 11301 South OBT that is one mile from my home. There are cars that park in that parking lot and blast their music every Saturday night for the past FIVE weeks. I understand that there is no ordinance against car stereos. That is stupid and I want to come to the meeting, look you in the eye, tell you about my sleepless nights, and ask you to put an ordinance on the books.	
Have you received or been promised any compensation or anything else of value, including money or gifts, related to the topic you are appearing and speaking about at public comment? No
