<b>Submitted By:</b> Tonja Jones-Blount	
<b>Subject:</b> Local nonprofit Dre's Pathway to Possibilities, Inc. is launching its Supportive living affordable housing program for adults with autism and other intellectual and developmental disabilities who have "aged out" of school. our mandatory 6-month independent living training program has 28 enrolled consumers and begins on May 1. Dre's Pathway is requesting this board's assistance in acquiring a building and/or funding for our project; Envision at Dre's Pathway. We are fortunate to have Senator Bracy and House Representative Ramon Alexander representing our local Funding Initiative and bill, respectively, in this session. Even though Orlando is now rated as the worst city in the nation for affordable housing, it appears that funding will most likely be allocated to areas in the Panhandle.
