Previous Contact with Orange County Staff (If Any) Regarding This Matter (Name/Department): Code enforcement roger kppas	
Submitted By: Lawrence Hunter	
Subject: Persistent racism, discrimination, stalking, and profiling and zero tolerance policy only towards directed family/persons, namely, myself and interracial spouse. Roger Kopas has verbally threatening me, to the point where I am concerned for my family's well being. Previous contact attempts with code enforcement have been unsuccessful. I have several witnesses and video and picture information of his profiling and actions. He has threaten to kick me out of my home on at least 3 different occasions and also inquired to my landlord asking, "why haven't you kicked them out yet?". Under Florida statutes for stalking and discrimination, I feel i have just cause for both. I please request a meeting or hearing with the board or code enforcement , or to whomever it may concern before hiring an attorney. Thank you and I appreciate your time and help.
