# Edward Juan Lynum

411 Rock Lake Drive, Orlando, Florida 32805

352-561-8292 [ejlynum@gmail.com](mailto:ejlynum@gmail.com)

---

October 22, 2020

The Honorable Mayor Jerry Demings  
201 S. Rosalind Ave.  
Orlando, FL 32802

Re: Daisy W. Lynum

Dear Mayor Demings:

On behalf of the Lynum family, I write sending you and Orange County Government my deepest gratitude and appreciation for the heartfelt expressions of love and appreciation that followed my mother's death. Your remarks at my mother, former Orlando city commissioner, Daisy W. Lynum's funeral service that acknowledged even my father's historical contributions to Florida's law enforcement community were the first I'd ever heard them recounted by anyone.

Mayor, you may know I was that fly on the wall listening to many of the conversations my mother had with you as Orlando's police chief. I know my mother, Daisy Lynum was proud and impressed with you as Orlando's police chief, in part because she never uttered a complaint about your management even during the tough times that played out in the media.

I send my personal thank you for stopping by our home to share your condolences with my family after our loss. Lastly, thank you for being a friend to my family and to our beloved Orange County community. God bless you and the many Orange County residents who now look to your leadership during these unprecedented and uncertain hard times that we together are all facing.

Fraternally, and In Christ, your friend...

Edward "Juan" Lynum

**Cc:** Boyce, Lucas D  
**Subject:** PUBLIC COMMENT ON THE MICROMOBILITY PRESENTATION GOING BEFORE THE BCC ON OCTOBER 27, 2020

**Importance:** High

Public Comment submitted by:

Luann Brooks  
Executive Director  
I-Drive Business Improvement District  
7081 Grand National Drive #105 | Orlando, FL 32819

There are many pro's & con's to allowing the Micromobility device industry (e-scooters) to operate within Orange County and the International Drive area.

**Pros:** Good way to commute short distances; E-scooters are relatively eco-friendly; Convenience of availability; Low cost to the end user to rent and you don't need a driver's license to operate one.

**Cons:** Public and private areas being cluttered with e-scooters that are dropped off anywhere & everywhere – not necessarily back to their origin point; visual clutter; High probability of negative encounters with pedestrians on sidewalks; No dedicated lane for them to operate in; Little to no training is involved; No control over who can use them (i.e.: children vs. adults) and the opportunity of accidents taking place due to the end user not being familiar with the product.

For the I-Drive Business Improvement District, the safety and well-being of our visitors & residents is of the utmost importance. We believe that the possibility of allowing e-scooters to operate within the County needs to be thoroughly researched and investigated before moving forward with an ordinance.

If an ordinance is enacted, which County department will be responsible for administering the ordinance along with being responsible for communicating and reporting issues to the e-scooter operators on a daily basis?

Should the County decide to proceed with moving forward on allowing e-scooters to operate within Orange County, we suggest that the County issue a RFP and select one or two companies to operate for the first year under a pilot program. After the first year, the program would be evaluated to determine if it should continue based on performance, incidents and accidents reported.

Thank you for your time today.

| <b>Subject To Be Addressed:</b><br>Completely oppose substantial change to PD and subdivision plans from what is now first baptist church property. I am opposed because it wasn't what was promised/part of original horizon west community plan. It is a direct violation of FLU4.1.1. This is a green belt buffer zone between church/school and estate homes. We paid a premium for these homes to backup to this green belt buffer. Also opposed because of the increase in traffic which is already horrendous. Not to mention the impact on the environment and drainage. I see deer, coyotes, turtles, birds, etc on a daily basis on this property in question. Plus all the extra runoff from these houses eventually does flow into Lake Mabel. One of our only untouched lakes still in existence for Orange County. Thank you for being against both of these cases. Laura Kleiss |                                       |

| <b>Subject To Be Addressed:</b><br>opposition to the request to change the planning and zoning of this parcel from Townhouse use to a Self Storage garage. In our view, this change of use would only add to the traffic and over-development occurring along Avalon Road and Flamingo Crossing Road and would increase the dangers of residents living and transiting the area. |  |
