**APPROVALS:**

The Utilities Water Reclamation and Business Development Divisions concur with this recommendation.

**REMARKS:**

Two bids were received in response to this Invitation for Bids and were evaluated for responsiveness, responsibility, and price reasonableness. The bid submitted by Metro Equipment Service, Inc., was deemed non-responsive for not submitting a complete bid bond. This solicitation was issued as an emergency due to the critical need to address valves that have failed and are in a partially closed position. This restricts the amount of flow that is being pumped out of the effluent pump station. References provided were satisfactory for this type of work and Cathcart Construction Company – Florida LLC has been determined to be responsible. Therefore, award is recommended to Cathcart Construction Company – Florida LLC.
