Traffic Engineering Division  
Public Works Department  
(407) 836-7891**

A handwritten signature in blue ink, appearing to read "Humberto", written over the printed name of Humberto Castillero.

SUBJECT: **September 13, 2022 – Public Hearing  
Golf Cart Ordinance Amendment**

The BCC adopted Ordinance #2020-07 (the "Golf Cart Ordinance"), effective April 1, 2020, which allows operation of golf carts on designated public roads and streets in certain single-family residential developments (a "Golf Cart Community") is subject to certain restrictions.

In the course of responding to inquiries from the Horizon West community, the Orange County Sheriff's Office ("OCSO") and Public Works staff determined that the ordinance does not specify the agency or entity responsible for enforcement of the registration provision. Neither the OCSO nor Public Works staff have the expertise or resources to perform this task during the Golf Cart Community application and approval process.

In consultation with both OCSO and the Orange County Attorney's Office, it was determined that the deletion of the registration provision would not affect, materially or logistically, the implementation of the Golf Cart Ordinance.

**ACTION REQUESTED: Approval and execution of the Golf Cart Ordinance Amendment by the Orange County Board of County Commissioners to delete the Registration provision under Section 21-294. All Districts.**
