SUBJ: Approval to Decrease the Speed Limit on Bloomfield Drive

Concerned citizens have requested Orange County to review the posted speed along Bloomfield Drive from North Dean Road to Rouse Road. They expressed that the posted speed is too high and presents a safety risk.

Vehicular/pedestrian safety and accident statistics were the primary considerations for a speed reduction analysis along the Bloomfield Drive corridor. Based on the results from the prevailing speed method (including allowable adjustments), the presence of the horizontal curves, the school uncontrolled crossing, and the context classification, it is recommended that the 45 mph posted speed limit be reduced to 35 mph.

Action Requested: Approval to decrease the speed limit on Bloomfield Drive from North Dean Road to Rouse Road from 45 mph to 35 mph. District 4.
