SUBJ: Approval to Decrease the Speed Limit on Lake Butler Boulevard

Concerned citizens have requested Orange County to review the posted speed along Lake Butler Boulevard from Clarice Court to County limits (460 feet west of Sunbitten Court). They expressed that the posted speed is too high and presents a safety risk.

Vehicular/pedestrian safety and accident statistics were the primary considerations for a speed reduction analysis along the Lake Butler Boulevard corridor within County limits. Observations of prevailing speeds and USLIMITS2 analysis indicates that the 45 mph posted speed limit should be set to 35 mph. Based on this review, it is recommended that the posted speed limit on Lake Butler Boulevard within the County limits (e.g., between Clarice Court to 460 feet west of Sunbitten Court) be reduced to 35 mph.

Action Requested: Approval to decrease the speed limit on Lake Butler Boulevard from Clarice Court to County limits (460 feet west of Sunbitten Court) from 45 mph to 35 mph. District 1.
