

RESOLUTION

of the

ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS

regarding

ESTABLISHING CORRECTED RATES FOR 2022 FOR CONTRACT HAULERS FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES; PROVIDING FOR A TRUE-UP PAYMENT FOR SERVICES RENDERED IN 2022; AND PROVIDING FOR AN EFFECTIVE DATE.

Resolution No. 2023-M-05

WHEREAS, Section 32-160(j)(1), Orange County Code, addresses full solid waste and recycling collection service (full service) and requires that all persons owning property entitled to full service shall be obligated to pay a charge established by the Board for such full service; and

WHEREAS, Section 32-160(j)(1), Orange County Code, requires that the assessments necessary to fund the program shall be established by resolution of the Orange County Board of County Commissioners (the "Board") after public hearing with public notice in the same manner as for County ordinances; and

WHEREAS, the Board adopted Resolution No. 2021-M-32 (the "Resolution") at a duly noticed public hearing on September 9, 2021, establishing the calendar year 2022 full service special assessment rate; and

WHEREAS, the Resolution also established the compensation rates for the contract haulers for residential solid waste collection and recycling services in unincorporated Orange County; and

WHEREAS, such compensation rates were based on a methodology outlined in the hauler contracts using two indexes published by the Bureau of Labor Statistics (the "BLS"); and

WHEREAS, the BLS data is published in a preliminary status and may change for up to four months after each month's data is first published; and

WHEREAS, the index data used to calculate the price adjustments for the 2022 hauler compensation rates changed after being initially published, resulting in a slight change in the calculation for each hauler compensation rate; and

WHEREAS, the index data changed after the hauler compensation rates were calculated and sent to the Board in the Resolution so that the adopted rates are slightly lower than the finalized calculation; and

WHEREAS, the Board now desires to make a one-time year-end true up payment to each hauler in order to complete the compensation owed to each hauler for services rendered in 2022; and

WHEREAS, the Board also desires to correct the 2022 hauler payment rates so that any compensation adjustments for 2022 and made after 2022 will be based on the correct compensation rates; and

WHEREAS, nothing herein shall alter or amend the calendar year 2022 full service special assessment rate.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY

COMMISSIONERS OF ORANGE COUNTY:

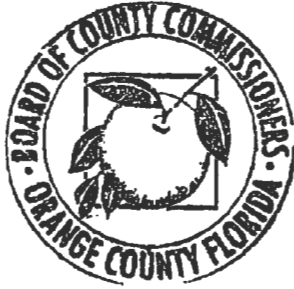

Section 1. The annual rate of compensation paid to the contract haulers for solid waste collection and recycling services provided in calendar year 2022 is revised and set as follows:

ZONE 1	\$141.45 PER RESIDENTIAL UNIT
ZONE 2	\$174.97 PER RESIDENTIAL UNIT
ZONE 3	\$152.34 PER RESIDENTIAL UNIT
ZONE 4	\$123.55 PER RESIDENTIAL UNIT
ZONE 5	\$125.74 PER RESIDENTIAL UNIT

Section 2. The Board authorizes a one-time true-up payment for each zone made to the contract haulers in order to complete their compensation for calendar year 2022. Such true-up payments will be determined by calculating the payments that were due each month to each contract hauler for each zone for services rendered in 2022 based on the revised compensation rates listed herein and subtracting the actual monthly payments made for each zone to each hauler for services rendered in 2022.

Section 3. This resolution shall take effect immediately.
