SUBJ: **Approval to Decrease the Speed Limit on Dora Drive**

Concerned citizens have requested Orange County to review the posted speed along Dora Drive from Beauclair Avenue to Sadler Road. They expressed that the posted speed is too high and presents a safety risk.

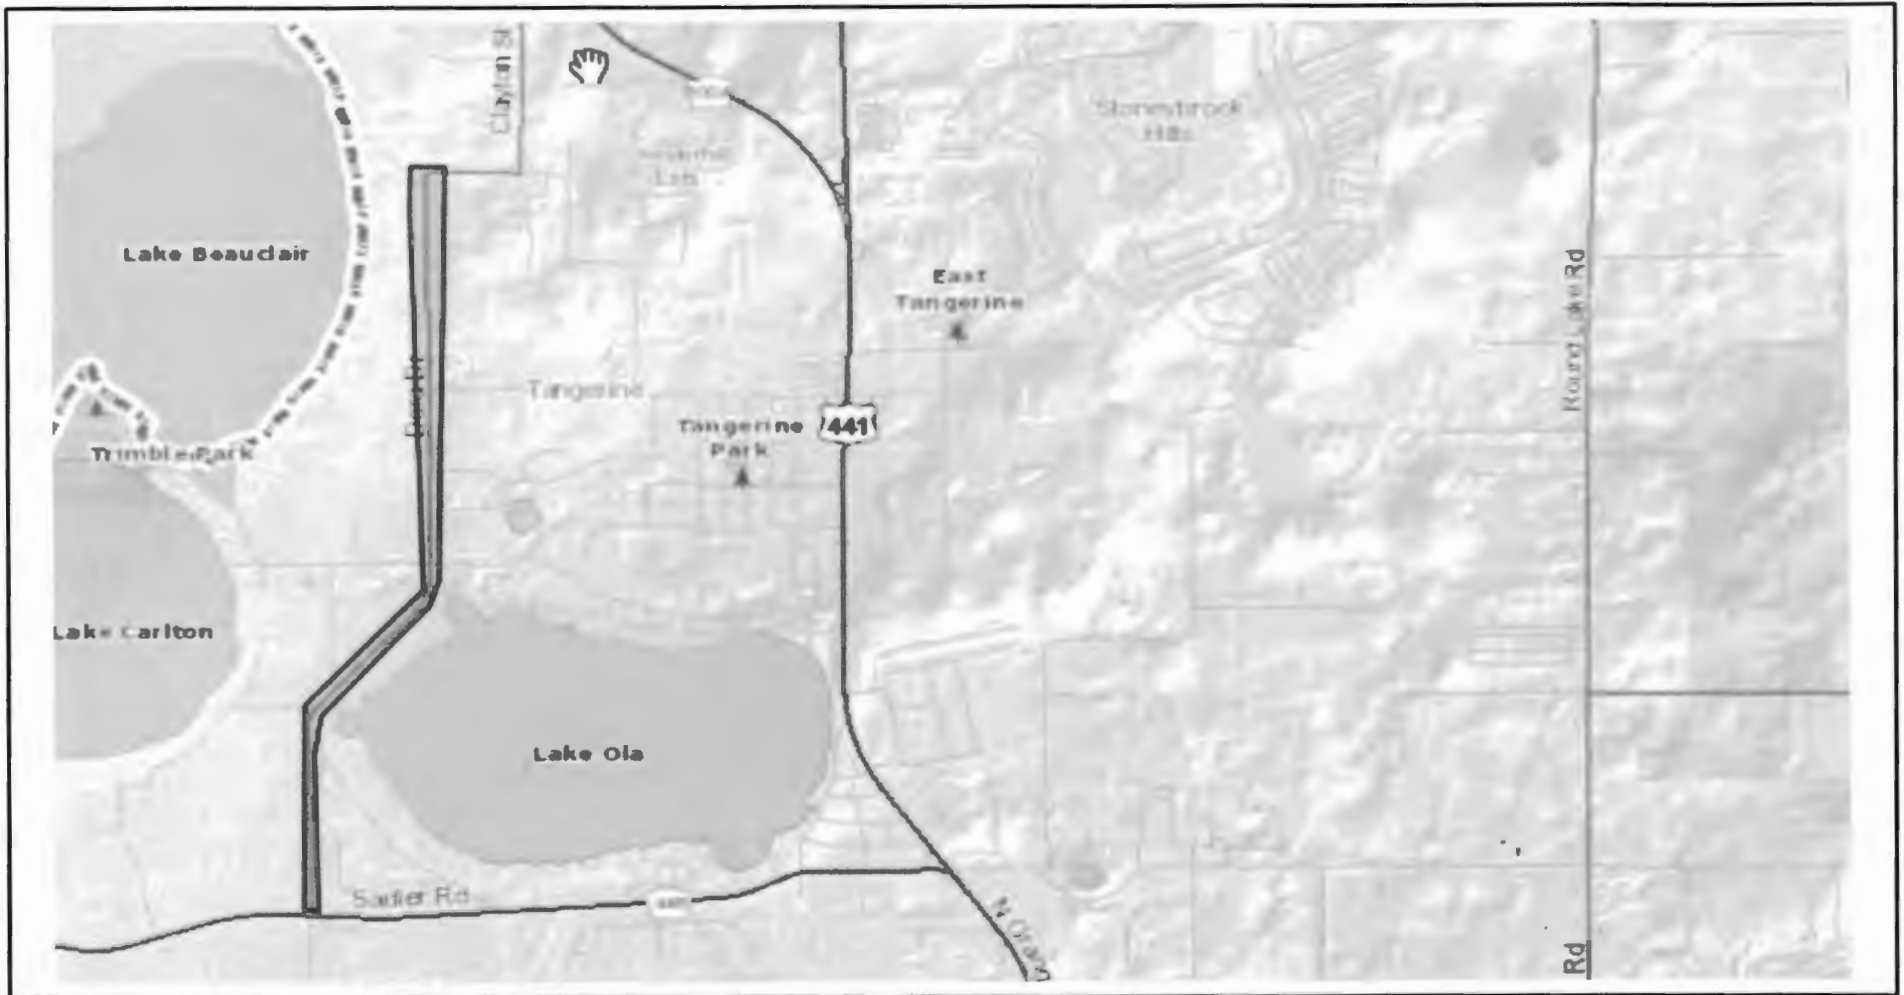

Vehicular/pedestrian safety and recent accident statistics were the primary considerations for a speed reduction analysis along Dora Drive. Based on the results from the prevailing speed method (including allowable adjustments) and USLIMITS2 analysis, it is recommended that the speed limit of 50 mph be reduced to 45 mph.

**Action Requested: Approval to decrease the speed limit on Dora Drive from Beauclair Avenue to Sadler Road from 50 mph to 45 mph. District 2.**
