**Personal History:** As a minority- and women-owned business owner, I can attest to the difficulty of securing government contracts. Despite the various initiatives and programs aimed at promoting diversity in procurement, the process can still be incredibly challenging. The competition for contracts is intense, and it can be difficult for small businesses like mine to navigate the complex procurement process and meet the requirements set by government agencies. Furthermore, there are often systemic barriers that make it even harder for minority- and women-owned businesses to succeed. For example, access to capital and networks of business contacts can be limited, which can make it difficult to grow and scale the business. Despite these challenges, I remain committed to growing my business and making a positive impact in my community. However, I believe that more can be done to level the playing field and provide greater opportunities for minority- and women-owned businesses to succeed. This includes improving access to resources and training, streamlining the procurement process, and increasing transparency and accountability in the awarding of government contracts.

**Personal History:** I have served on the Orange County Development Advisory Board since October of 2016, and currently and proudly serve as the Chairperson of that Board. However, I am at the end of my term, and wish to continue serving and volunteering my time to Orange County and to its Citizens. As a Florida Licensed Landscape Architect and Planner for almost 40 years, and as a seasoned Land Use and Developer's Attorney for almost 30 years, having designed and developed numerous open space recreational areas, public and private parks, and athletic fields, I feel I can contribute significantly to the Orange County Parks and Recreation Advisory Board, to the County Staff, to the Board of County Commissioners, and to the Citizens of Orange County. I would be honored to serve in this capacity. Thank you in advance for your time and consideration. Respectfully submitted, Mark Thomson, Esq., Registered Landscape Architect.
