SUBJ: Construction of Speed Humps on Macon Parkway and Majestic Street

At the request of the residents on Macon Parkway and Majestic Street, a speed hump survey was mailed to the property owners. This was to determine if the property owners supported the installation of speed humps. If two-thirds of the returned ballots from the property owners were in favor of the speed humps, the County would install the speed humps.

The result of the survey was that 80% of the returned ballots from property owners supported the installation of speed humps. The current plan is to install three (3) speed humps on Macon Parkway and three (3) speed humps on Majestic Street.

Action Requested: Approval to construct speed humps on Macon Parkway and Majestic Street. District 5.
