Report: Certain individuals, developers, and / or associations have requested the establishment and / or the amendment of the Municipal Service Benefit Unit (MSBU) as detailed in Exhibit "A" and Exhibit "B". The purpose of the hearing is to assure that, if the MSBU's are approved individually at separate public hearings, it will be possible to include them with the November 2017 real estate tax bill.

If the Board of County Commissioners (Board) approves this proposal, it is approving only the means by which it will collect special assessments imposed by the MSBU's. The special assessments would be imposed only at a second public hearing held prior to June 1, 2017. The Board will retain its prerogative to establish and / or to amend or not to establish and / or not to amend the MSBU's and to impose or not to impose any special assessments.

This hearing is a formality to reserve the Board's prerogative to place MSBU special assessments, if any, on the real estate tax bill for this November.
