

Board of County Commissioners

**Proposed Amendments
Chapter 15 Article III
Air Quality Control**

Environmental Protection Division

April 25, 2017

Presentation Outline

- Background
- Ordinance Review
- Action Requested

Background

■ 1965

- Orange County established Air and Water Pollution Control Act

■ 1985

- DEP designated EPD as a “locally approved air program” and authorized funding

■ 1989

- General Operating Agreement (GOA) delineated each agency’s authorities
- GOA Delegates the duties and responsibilities by a Specific Operating Agreement (SOA)

Background

- **Specific Operating Agreement (SOA)**
 - **Outlines air program duties & responsibilities**
 - Air Program Management
 - Permitting
 - Compliance & Enforcement
 - Ambient Air Monitoring
 - Data Management
 - **Renewed every three years**
 - **Requires ordinance to be current with DEP rules**

Presentation Outline

- Background
- Ordinance Review
- Action Requested

Ordinance Review

- Staff reviewed EPA's National Emission Standards for Hazardous Air Pollutants (NESHAPs) and the Florida Administrative Code (F.A.C.) relevant to the air ordinance
- Minor changes incorporated:
 - F.A.C 62-4 Permits
 - F.A.C 62-204 Air Pollution Control
 - F.A.C. 62-210 Stationary Sources
 - F.A.C 62-296 Stationary Sources-Emission Standards
 - F.A.C 62-297 Stationary Sources-Emission Monitoring

Ordinance Review

- **February 22, 2017**
 - Environmental Protection Commission voted to support proposed revisions and to move forward to BCC for adoption
- **March 29, 2017**
 - Stakeholders meeting
- **Ordinance revisions are not expected to substantially impact development of real property within the County**

Presentation Outline

- Background
- Ordinance Review
- Action Requested

Action Requested

- **Determine that proposed Ordinance will not have a substantial impact on the development of real property within Orange County.**
- **Adopt the Ordinance amending Chapter 15, Article III. Air Quality Control.**
