Notice is hereby given to all owners of lands located within the boundaries of Orange County, Florida that the Orange County Board of County Commissioners intends to use the uniform method for collecting the non-ad valorem assessments levied by the Orange County Board of County Commissioners as set forth in Section 197.3632, Florida Statutes.

These non-ad valorem assessments would be levied and would be collected by the Tax Collector on the **November 2017** real estate tax bill and each and every year thereafter until notification of discontinuance by the Orange County Board of County Commissioners. Failure to pay the assessment will cause a tax certificate to be issued against the property, which may result in a loss of title. All affected property owners have the right to appear at the public hearing and the right to file written objections with the Orange County Board of County Commissioners within twenty (20) days of the publication of this notice.

Estimates, sketches, and specifications of the described properties are on file in the Office of the Orange County Comptroller (Special Assessments), Orange County Administration Center, 201 South Rosalind Avenue, Orlando, Florida, which are open to the public for inspection.

Assessments are due and payable the same as property taxes and bear the same penalties for delinquency as property taxes, including potential loss of property title through tax certificate and tax deed sale. The Uniform Method for the levy, collection and enforcement of non-ad valorem assessments, Section 197.3632, Florida Statutes, will be used for collecting the assessments.
