

Interoffice Memorandum

April 26, 2017

TO: Mayor Teresa Jacobs
and Board of County Commissioners

FROM: Mark V. Massaro, P.E., Director, Public Works Department

CONTACT PERSON:  Christine Lofye, P.E., Acting Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: Establishment of a 30 mph speed limit and Construction of Speed Tables
on Ward Road

The Bishop Landing subdivision recently constructed Ward Road from the Osceola County line to Bishop Landing Way. This new connection will serve residents of the Bishop Landing subdivision and other connecting subdivisions to the north in Orange County. As required by the developer, two speed tables are to be installed on Ward Road. The developer has submitted the funds to the County for the speed tables, and the County will construct the project.

Staff evaluated the roadway and concluded that a speed limit of 30 mph was appropriate for this street due to the speed tables and because the speed limit is reduced to 25 mph as you enter the Creekstone subdivision located on Ward Road to the north.

Action Requested: Approval to establish a 30 mph speed limit from the Osceola County Line to 230 feet north of Bishop Landing Way and construct speed tables on Ward Road. District 4.
