SUBJ **State of Florida Department of Transportation Joint Participation Agreement Amendment Number 1 concerning construction services to alleviate flooding in the vicinity of State Road 50, Barry Street, and Fairvilla Road**

It is in the interest of both the Florida Department of Transportation (FDOT) and Orange County (County) to complete a drainage construction project that will alleviate flooding in the vicinity of State Road 50 around Barry Street and Fairvilla Road. The County will be upsizing the drainage pipes along Fairvilla Road and installing an additional 30-inch pipe under State Road 50. Also, the project will include approximately 12 new drainage structures along Fairvilla Road.

The FDOT will compensate the County in a lump sum contribution of up to 50% of the actual project cost, but not to exceed \$50,000, for the construction of the drainage project.

This Amendment is to incorporate the approved design plans to the Joint Participation Agreement as Attachment 1. The plans were approved by the FDOT on February 10, 2017.

The Orange County Attorney's Office has reviewed the Joint Participation Agreement Amendment Number 1, and found it acceptable.

Action Requested: Approval and execution of State of Florida Department of Transportation Joint Participation Agreement Amendment Number 1 Financial Management No.: 439081-1-58-01 concerning the construction services to alleviate flooding in the vicinity of State Road 50 around Barry Street and Fairvilla Road.
