SUBJ: Establishment of a "No Parking" Zone on the east and west sides of N.
Apopka Boulevard from Brownell Street extending north 500 feet

A concerned citizen has requested that a "No Parking" zone be established on N. Apopka Boulevard, north of Brownell Street.

The Traffic Engineering Division has determined that the parking of trucks on the east and west sides of N. Apopka Boulevard is causing erosion and damage to the roadway and right-of-way. In addition, the parking of commercial trucks in the cul-de-sac located at 3070 N. Apopka Boulevard is a safety concern for fire truck access.

Staff recommends that the Board approve the establishment of a "No Parking" zone on the east and west sides of N. Apopka Boulevard from Brownell Street extending north 500 feet and in the cul-de-sac at 3070 N. Apopka Boulevard.

Action Requested: Approval to install a "No Parking" zone on the east and west sides of N. Apopka Road from Brownell Street extending north 500 feet and in the cul-de-sac at 3070 N. Apopka Boulevard. District 2.
