SUBJECT: August 22, 2017 – Consent Item  
Approval of the Environmental Protection Commission's  
Recommendation to name the SR 520 Parcel

The SR 520 Parcel is 111 acres in size and was purchased in 1998 through the Green PLACE program in partnership with the St. Johns River Water Management District. The SR 520 Parcel is located in the eastern portion of Orange County off SR 520. Exhibit 1 is a map of the property. Since 2014, Orange County has solely owned the property, and staff has been conducting land management activities and preparing the property for public access, including hiking and wildlife observation.

On June 28, 2017, the Environmental Protection Commission met and discussed the naming of the SR 520 Parcel. Staff recommended the name "Hidden Pond Preserve," because there is a small pond located towards the rear of the property.

The Environmental Protection Commission approved the recommendation for naming this parcel as "Hidden Pond Preserve" at the June 28, 2017 meeting.

**ACTION REQUESTED: Approval of Environmental Protection Commission's recommendation to name SR 520 Parcel as "Hidden Pond Preserve." District 5**
