SUBJ: Construction of raised crosswalks on Orchard Hills Boulevard

At the request of the Orchard Hills Homeowner's Association, a survey was mailed to the property owners on Orchard Hills Boulevard. This was to determine if the property owners supported the installation of raised crosswalks on the street. If two-thirds of the returned ballots from the property owners were in favor of the raised crosswalks, the County would install the raised crosswalks.

The result of the survey was that 94% of the returned ballots from property owners supported the installation of the raised crosswalks. The project is being funded by the Orchard Hills Homeowner's Association and Public Works.

Action Requested: Approval to construct raised crosswalks on Orchard Hills Boulevard. District 1.
