SUBJECT: August 22, 2017 – Public Hearing
Maddipatla Appeal to the Decision of the
Environmental Protection Commission

On July 31, 2017, the Authorized Agent, Robin Lopez, on behalf of his client, Dr. Maddipatla, formally withdrew their written request for this item to be scheduled for a public hearing on August 22, 2017 (see attached e-mail correspondence). The dock will be relocated to comply with Dock Construction Permit BD-15-11-121, and the recommendation of the Environmental Protection Commission rendered on June 28, 2017.

Therefore, this public hearing is cancelled.

Subject: Re: Appeal of EPC Decision for BD-15-11-121.

Aimee, Liz and Neal,

Good afternoon. Upon discussion with Dr. Maddipatla, he has requested that the appeal of the EPC decision for BD-15-11-121 be cancelled.

He has decided that relocation of the dock walkway is his preferred path forward - as such we will be working with him to find the best approach to completing the relocation in an agreeable fashion.

Please let me know if there is anything additional needed to cancel the BCC appeal hearing and what process is required to receive a refund of the appeal funds.

Thanks for your help.
