Russo Waste Services (Solid Waste Management Facility –  
Materials Recovery Facility) Permit Transfer

The Environmental Protection Division (EPD) has received a request to transfer Solid Waste Management Facility Permit No. SW-192228-MRF-10/1511, for an existing Materials Recovery Facility (MRF), from Russo Waste Services, Inc. to Russo and Sons, LLC. The subject property is located at 320 Enterprise Street, approximately 750 feet west of Maguire Road, within the limits of the City of Ocoee. The Parcel ID # 19-22-28-9151-00-140. Orange County Code (County Code) Section 32-214(i) requires that permits may be transferred only upon approval of the Board of County Commissioners (Board).

On September 22, 2015, the Board approved renewal of this solid waste management facility permit. On April 26, 2016, the Board approved transfer of this permit from American Recycling Group LLC to Russo Waste Services, Inc. This facility is approved to receive and process Class III solid waste, including construction and demolition debris. Class III waste does not include putrescible household (Class I) waste. Recyclable materials are separated out, and residual waste is sent for offsite disposal. No disposal occurs at this site.

Russo and Sons, LLC is a newly formed company and has no compliance history in solid waste facility operations. The staff that conducts day-to-day operations at the facility will remain and they are in compliance with training requirements.

Russo Waste Services (Solid Waste Management Facility) Permit Transfer

As required by County Code, the facility currently has in place a financial assurance instrument to ensure proper closure of the site. This is a joint instrument shared with the Florida Department of Environmental Protection that administers it by agreement. Upon BCC approval of the transfer of permit, and in accordance with County Code Section 32-214(e), the new permittee, Russo and Sons, LLC, will be required to provide appropriate financial assurance prior to permit issuance by EPD.

The current permit for this facility expires on November 8, 2020; request for renewal may be made prior to that expiration date.

Attachment - Request to Transfer Solid Waste Management Permit

## Request to Transfer Solid Waste Management Permit

I, William M. Dietrich, as the authorized representative of  
Russo and Sons, LLC, a Florida limited liability company, am requesting that  
Orange County Permit No. SW-192228-MRF-10/1511, currently  
issued to Russo Waste Services, Inc.,  
be transferred to Russo and Sons, LLC (the corporation)  
under section 32-214(i) of the County Code. I do hereby acknowledge, by my signature below,  
that I have thoroughly reviewed all permit conditions and applicable ordinances, and that I am  
familiar with all field aspects of the site required to conduct a safe operation in compliance with  
the County's solid waste management ordinance. Russo and Sons, LLC  
(the corporation) agrees to comply with the terms and conditions of solid waste management  
Permit No. SW-192228-MRF-10/1511 and the Orange County solid waste management  
ordinance and to operate the site in full accordance with all present and future requirements  
imposed by Orange County.

Furthermore, I acknowledge that the permit shall not be transferred to  
Russo and Sons, LLC (the corporation) until: (1) the transfer has been  
approved by the Orange County Board of County Commissioners; (2) the County has approved  
all financial assurance documents required under the ordinance; and (3) all necessary and pre-  
approved financial assurance documents have been submitted to the Orange County  
Environmental Protection Officer.
