WAREHOUSE LEASE

THIS WAREHOUSE LEASE, dated August 3, 2017, is made by and between **LONGJOHN, LLC**, a Florida limited liability company ("Landlord") and **ORANGE COUNTY**, a charter county and political subdivision of the state of Florida ("Tenant").

WITNESSETH

Landlord and Tenant, in consideration of the following mutual covenants, have agreed as follows:

1. **DEMISE.** Landlord does lease to Tenant, and Tenant does lease from Landlord, the real property and improvements described as 1,200 square feet, more or less, located at 6649 Amory Court, Unit # 8, Winter Park, Florida 32792 ("Premises") within the property known as **U-LOCK-IT Business Center** ("Property"). As an appurtenance to the Premises, Landlord grants to Tenant a revocable, nonexclusive license to use, in common with others, all areas designated by Landlord as Common Facilities.
2. **USE.** The Premises shall be used and occupied solely as Orange County Office of Emergency Management storage of materials and equipment. Tenant shall be solely responsible to determine if the intended use complies with all governmental laws and regulations. Landlord, by execution of this Lease or otherwise, makes no representation that the intended use complies with governmental regulations.
3. **TERM.**
 - a. The Term of this Lease shall be twelve (12) months, beginning on September 1, 2017 ("Commencement Date") and ending at 5:00 PM on August 31, 2018 ("Termination Date").
 - b. **RENEWAL OPTIONS.** If the Lease has not been terminated, and if Tenant is current in payment of all sums due and performance of all other obligations under the Lease, Tenant may renew the Lease for four (4) additional terms of one (1) year each. Lease rate for the first year shall be **\$12,000.00**, payable in equal monthly installments. Rent for the second year shall escalate at a rate of three percent (3%) annually each renewal period based on the rental paid during the preceding lease year. If the Commencement Date occurred on a day other than the first day of the month, rent escalation shall occur on the first day of the month preceding the anniversary date. The options must be exercised by providing written notice to Landlord no later than sixty (60) days prior to the expiration of the Lease Term. Upon failure to execute this option within the time period provided (time being of the essence), this option will terminate. All of the terms and conditions of this Lease shall apply to the renewal term except that this option to renew shall have terminated.
4. **LANDLORD CONTROL OF COMMON AREAS.** All common areas provided by Landlord for the general use, in common, of tenants, their officers, agents, employees and customers shall at all times be subject to the exclusive control and management of Landlord and Landlord may do and perform such acts in the areas as, in its good business judgment, it deems to be advisable.
5. **DELIVERY OF PREMISES.** Landlord has constructed the Premises prior to execution of this Lease and Tenant certifies that it has inspected the Premises and accepts it as is. Tenant shall not perform any additional work or make any alterations or improvements to the Premises without Landlord's prior written approval. Any work or improvement performed by Tenant shall comply with all governmental rules, regulations and requirements. Landlord reserves the right to make repairs, alterations and additions to the Premises or Property as it reasonably believes to be necessary and proper.
6. **DELAY OF POSSESSION.** If Landlord is unable to deliver possession of the Premises on the Commencement Date for any reason, including holding over of a prior tenant or failure to have the Premises ready for occupancy, Landlord shall have no liability to Tenant for direct, consequential or other damages. However, unless Tenant caused the delay, the obligations of Tenant shall abate until possession is delivered. If Landlord is unable to deliver possession of the Premises on the Commencement Date, Landlord and Tenant shall execute and deliver an amendment to this Lease establishing the actual Commencement Date and revising other dates accordingly. The Manager of Tenant's Real Estate Management Division is authorized to execute any such amendment on behalf of the Tenant. If the Commencement Date falls on a day later than the fifteenth day of a month, then the term of this Lease shall run for the unexpired portion of that month plus twelve (12) months, beginning the first day of the next ensuing month. If Landlord is unable to give possession of the Premises to Tenant within ninety (90) days after the Commencement Date, Tenant shall have the right to cancel this Lease by giving Landlord ten (10) days prior written notice after the ninety (90) day period but before delivery of the Premises, and upon such cancellation Landlord and Tenant shall each be released and discharged from all liability on this Lease.

7. MONTHLY RENT. For use and occupancy of the Premises, Tenant shall, without demand, pay to Landlord **\$1,000.00** on the first day of each and every month during the Term of this Lease ("Monthly Rent"). If this Lease commences on a day other than the first day of the month, the first monthly installment of Monthly Rent shall be adjusted and prorated so that Tenant shall only pay rent for the actual number of days in the first month of said Term, but for all other months Tenant shall pay the full monthly installment on the first day of each and every month. Monthly Rent shall be mailed or delivered by Tenant to Landlord at P.O. Box 941483, unless otherwise designated by Landlord in writing.

MAI FL. 32794-1483

8. ADDITIONAL RENT. In addition to the Monthly Rent in Section 7, all other payments to be made by Tenant to Landlord shall be considered to be and shall become additional rent hereunder, whether or not the same is designated as such; and shall be due and payable within thirty (30) days following demand by Landlord or together with the next succeeding installment of Monthly Rent, whichever shall first occur, together with sales tax thereon; and the Lessor shall have the same remedies for failure to pay the same as for a non-payment of Monthly Rent.

- a. *Sales and Use Taxes.* Lessee represents to Lessor that its rights of tenancy and occupancy under this Lease are exempt from the imposition of Florida State sales and use taxes. Lessee shall furnish to Lessor satisfactory proof of such exemption, and Lessee shall not be liable for payment of such taxes for so long as the exemption is in effect.

9. TENANT RESPONSIBILITY. All alterations, decorations and improvements made by or for Tenant shall remain the property of Tenant. Upon expiration of this Lease, Landlord has the option of requiring Tenant to remove the same and restore the Premises to the way it was before the improvements. Should Landlord decide to exercise such option, Landlord shall do so at the time it approves any improvements proposed by Tenant. If Tenant does not do so, Landlord may keep the alterations, etc. and/or restore the Premises to its original condition. Tenant shall be responsible for all cost of same as well as any damage for any delay resulting from violation of this paragraph.

10. SECURITY DEPOSIT. No Security Deposit is required.

11. UTILITIES. Tenant shall pay for electric power consumed at its Premises, which shall be separately metered. Tenant is required to have electrical power service to the Premises at all times. Tenant shall not cause the electricity to be disconnected or otherwise turned off at the Premises without Landlord's written approval. Landlord provides water service to the Premises for restroom service only. Tenant is responsible for notifying Landlord of any water leaks at sink or if the commode is continuously running. If water usage is more than typical restroom service, Tenant will be billed for excess water usage.

12. TENANT COVENANTS. Tenant shall a) not undertake any alterations to the Premises which violate the ADA and it will, subject to the limitations set forth in Section 768.28, Florida Statutes, indemnify and hold Landlord harmless from any and all claims, damages or suits that may be brought as a result of Tenant's alleged violation of the ADA; and b) permit Landlord or its agents or employees at all reasonable times to enter into the Premises to view the condition thereof, to show them to prospective purchasers or tenants, and to inspect and make repairs, alterations, improvements or additions.

13. MAINTENANCE.

a. Provided Tenant is not in default under the Lease and subject to conditions beyond the control of Landlord, including but not limited to "Acts of God", Landlord will keep, maintain, and repair or replace the structural portions of the Premises, including the exterior walls, plumbing, landscaping, parking lot and roof. Lessor shall also pay for normal repairs and/or replacements of the heating, ventilating and air conditioning ("HVAC") systems serving the Premises. All costs for repairs or replacements due to any damage, misuse, or neglect by Tenant shall be paid for by Tenant. Tenant shall be responsible for the proper operation and oversight of the HVAC system serving the Premises. Tenant is required to change the air conditioning filter once every four (4) months, the first four (4) months to begin with the Term. Further Tenant is required to have a licensed mechanical contractor inspect, clean and service the inside air handler and the exterior compressor unit prior to the end of the Term.

b. Tenant will keep, maintain, and repair or replace the interior and exterior of the Premises, including, without limitation, fixtures, appurtenances, doors and windows, and mechanical equipment therein, and at its sole cost and expense, make all non-structural repairs thereto and perform maintenance thereon as and when needed to preserve them in good working order and condition, reasonable wear and tear excepted. Tenant shall be responsible for interior pest control.

14. NONRESPONSIBILITY OF LANDLORD. Except as expressly set forth herein, there shall be no abatement from or reduction of the Monthly Rent due hereunder regardless of the reason or cause. Tenant shall not be entitled to damages, costs, losses or disbursements from Landlord regardless of the cause or reason therefor. Tenant shall have no recovery from Landlord

on account of partial or total failure of, or damage caused by (a) lessening of supply of, or stoppage of, heat, air-conditioning, electric light, power, water, plumbing, sewerage, elevators, or any other service, (b) any damage or annoyance occasioned by water, snow, or ice being upon or coming through the roof, skylight, trapdoors, windows, or otherwise, (c) any defect or break in any pipes, tanks, fixtures, or otherwise whereby steam, water, snow, smoke or gas, leak, issue or flow into the Premises, (d) any damage or annoyance occasioned by the condition or arrangements of any electric or other wiring, (e) any damage or annoyance arising from any acts, omissions, or negligence of co-Tenants or other occupants of the Property, or of owners or occupants of adjacent or contiguous property, or (f) the making of major repairs, alterations, repairs, improvements, or structural changes to the Property, or any thing or service therein or thereon or contiguous thereto provided the same shall be made with reasonable expedition.

15. INSURANCE.

a. Tenant shall not conduct or permit to be conducted any activity, or place any equipment, materials or other items in, on or about the Premises, which will increase the rate of fire or liability or casualty insurance on the Property. If Tenant fails to comply with this provision, Tenant shall pay, as additional rent, the increased amount within ten (10) days of written demand from Landlord.

b. Tenant shall obtain and keep in force commercial general liability insurance, including property damage, insuring Landlord, all mortgages, and Tenant against any liability arising out of ownership, use, occupancy or maintenance of the Premises and all areas appurtenant. The insurance shall be an amount not less than One Million Dollars (\$1,000,000.00) of injuries to persons in one accident and not less than Five Hundred Thousand Dollars (\$500,000.00) for injury to one person, and One Million Dollars (\$1,000,000.00) for damage to property.

c. Tenant shall obtain and keep in force all employees compensation insurance required under the laws of the State of Florida and any other insurance necessary to protect Landlord against any other liability of person or property arising by operation of law, whether such law is now in force or is adopted subsequent to the execution of this Lease.

d. All insurance policies carried by Tenant covering the Premises, shall expressly waive any right on the part of the insurer against Landlord, if it is obtainable without extra cost. If extra cost is charged, each party shall advise the other of the amount of the extra cost, and Landlord, at its election, may pay the extra cost.

e. All policies shall be in insurance companies licensed to do business in Florida, satisfactory to Landlord, and shall name Landlord and its managing agent as additional parties insured. Certificates of insurance shall be delivered to Landlord at least ten (10) days prior to the Commencement Date with renewals delivered to Landlord at least ten (10) days prior to the expiration of any policy. If requested to do so, Tenant shall provide Landlord with copies of the pertinent portions of all policies and permit Landlord to examine the original policies. Each policy shall contain an agreement by the insurer that the policy shall not be canceled without thirty (30) days prior notice to Landlord by certified mail. If Tenant fails to deliver any certificate required, Landlord may procure the insurance. The premiums shall be payable by Tenant to Landlord, as additional rent, with interest, immediately upon demand.

f. In lieu of the insurance required above, Tenant is authorized to self-insure with limits as stipulated in Section 768.28, Florida Statutes, and to provide a certificate of insurance to Landlord evidencing the details of the Tenant's self-insured program.

16. INDEMNITY. Subject to the limitations set forth in Section 768.28, Florida Statutes, Tenant shall indemnify, defend, and hold Landlord harmless against all claims, actions, damages, judgments, fines, and penalties for damage or injury to person or property (i) arising from or out of any occurrences within the Premises not caused, in whole or in part, by the negligence of Landlord or Landlord's agents or employees, or (ii) occasioned wholly or in part by any negligent act or omission of Tenant, its agents, or employees. If Landlord is made a party to any litigation connected in any way with this Lease or Tenant's negligent use or occupancy of the Premises, Tenant shall indemnify and hold Landlord harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred by Landlord except for costs associated with any litigation arising from the sole negligence of the Landlord.

17. FIRE OR OTHER CASUALTY. If the Premises are damaged by fire or otherwise to such extent so as to interfere with their use by Tenant, the Monthly Rent payable for the period commencing on the date on which Tenant gives Landlord written notice of such damage, and ending on the date on which restoration of the Premises is completed, shall be abated in the proportion which the floor space made unusable bears to the floor space leased to Tenant prior to the damage. If the Premises are totally destroyed or rendered untenable, Landlord shall have the right, but no obligation, to render the Premises tenantable by repairs within ninety (90) days from the date that insurance claims of Landlord and Tenant shall have been settled and Landlord shall be free of all restrictions as to proceeding with the work of repair or rebuilding. If the Premises are

Tenant	Landlord
	<i>[Signature]</i>

not rendered tenantable within said period, either party may elect to cancel this Lease, and in the event of such cancellation, Monthly Rent shall be paid only to the day of the fire or casualty. Full Monthly Rent shall resume on the sooner of (a) fifteen (15) days after notice from Landlord to Tenant that Premises is substantially repaired or (b) date Tenant's business operations are restored to the entire Premises. Notwithstanding the above, Landlord may elect to cancel the Lease within ninety (90) days from damage occurring by giving thirty (30) days notice of cancellation to Tenant.

18. **SIGNS.** Tenant shall not exhibit, inscribe, paint or affix any sign, advertisement, notice or other lettering on any part of the outside of the Premises or of the building of which the Premises are a part, or inside the Premises if visible from the outside, without the written consent of Landlord. Tenant further agrees to maintain such sign, lettering, etc. as may be approved in accordance with all city, county, and state laws, ordinance or requirements and in good condition and repair at all times. Upon expiration of the lease, Tenant shall remove same and restore the Premises to its original condition.

19. **SUBORDINATION.** This Lease is subject and subordinate to the lien of any and all mortgages that may now or hereafter encumber or otherwise affect the Premises. Tenant shall, at Landlord's request, promptly execute a certificate or other document confirming such subordination. Tenant shall attorn to the successor to Landlord's interest herein, if requested to do so by such successor, and to recognize such successor as the Landlord under this Lease. Tenant agrees to execute and deliver upon the request of Landlord any instrument evidencing such attornment. In the event of attornment by Tenant, the ground owner or mortgagee shall not be (a) liable for any act or omission of Landlord; or (b) subject to any offsets or defenses Tenant has against Landlord; or (c) bound by prepayment of more than one month's Monthly Rent; or (d) be required to account for any security deposit not actually delivered to such ground owner or mortgagee; or (e) bound by any modification of this Lease not approved by it. Tenant shall execute a subordination and attornment agreement upon ten days prior notice, provided that such agreement is mortgagee's standard form. Tenant further agrees to provide any mortgagee of the Property written notice of a Landlord default under this Lease and a reasonable opportunity to cure such default.

20. **ESTOPPEL CERTIFICATE.** Tenant agrees, at any time, upon not less than five (5) business days prior written notice by Landlord, to execute a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications stating such modifications), (ii) stating the dates to which the rent and any other charges hereunder have been paid by Tenant, (iii) stating whether or not, to the best knowledge of Tenant, Landlord is in default in the performance of this Lease, and if so, specifying each default of which Tenant may have knowledge, and (iv) stating the address to which notices to Tenant should be sent.

21. **CONDEMNATION.**

a. If the Property is taken by eminent domain, or so much thereof as to render the balance inadequate for the operation of Tenant's business, then this Lease shall terminate on the date possession is taken by the condemning authority.

b. If a taking by eminent domain occurs which does not terminate this Lease but which interferes substantially with the use of the balance of the Premises by Tenant, the rent payable by Tenant shall be abated, beginning on the date on which possession is taken by the condemning authority, in the proportion which the floor space so taken or made unusable bears to the floor space leased to Tenant prior to the taking.

c. If the taking is of land only and does not interfere substantially with the use of the Premises by Tenant, there shall be no abatement of rent.

d. If the taking does not terminate the Lease, Landlord shall promptly, at its own expense, restore the balance of the Premises to as near their former condition as circumstances will reasonably permit. Landlord shall not be obligated to restore or repair personal property of Tenant or improvements made by or on behalf of Tenant.

e. All damages awarded for any taking of all or any part of the improvements owned by Landlord under the power of eminent domain shall belong to Landlord. This provision shall not prevent Tenant from claiming and recovering from the condemning authority compensation for taking of Tenant's tangible property or for Tenant's loss of business, business interruption or business removal and relocation.

22. **COMPLIANCE WITH THE LAW.** Tenant shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance or governmental rule, regulation or requirement now in force or which may hereafter be enacted or promulgated. Tenant shall at its sole cost and expense promptly comply with all laws, statutes, ordinances and governmental rules, regulations or requirements now in force or which may hereafter be in force and with the requirements of any board of fire underwriters or other similar body now or hereafter constituted relating to or affecting the condition, use or occupancy of the Premises, excluding structural changes not related to or affected by Tenant's improvements or acts. The judgment of any court of competent jurisdiction or the admission of Tenant in an action against

Tenant	Landlord
	

Tenant, whether or not Landlord is a party, that Tenant has violated any law, statute, ordinance or governmental rule, or requirement, shall be conclusive of that fact as between Landlord and Tenant.

23. **WASTE OR NUISANCE.** Further, Tenant shall not commit or suffer to be committed any waste upon the Premises or any nuisance or other act or thing which may disturb the quiet enjoyment of any other tenant in the Property, or which may adversely affect Landlord's interest in the Premises or the Property.

24. **LIENS.** Tenant shall keep the Premises and the Property free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant. Failure to do so shall constitute a default without notice or grace period. The interest of Landlord shall not be subject to liens for improvements made by Tenant. Tenant shall notify every contractor making improvements of this provision. At Landlord's request, Tenant shall execute and deliver without charge a Memorandum of Lease, in recordable form, containing a confirmation that the interest of the Landlord shall not be subject to liens for improvements made by Tenant to the Premises. Landlord may take such action as it deems appropriate to remove a lien. Tenant agrees to indemnify and hold Landlord harmless from any damage, loss cost or expense incurred by Landlord as a result of a claim of lien.

25. **ASSIGNMENT AND SUBLETTING.**

a. Tenant shall not assign this Lease nor sublet the Premises without the prior written consent of Landlord. For the purposes of this section, any mortgage, conveyance, transfer or encumbrance of this Lease and any transfer by operation of law, and any transfer of any right of possession or use of the Premises shall be deemed an assignment or subletting.

b. Consent by Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting.

c. If the Premises are occupied by anyone other than Tenant, Landlord may collect rent from the occupant, and apply the net amount collected to the rent reserved under this Lease. Acceptance of rent shall not be deemed consent to any such occupancy or any other party.

d. An assignment without the consent of Landlord may, at the option of the Landlord, be treated as an offer to terminate this Lease.

e. Any consent by Landlord to any assignment of this Lease shall be conditioned upon the assignee assuming the full and faithful performance of all the terms of this Lease and upon the continued liability of Tenant. Any consent by Landlord to any subletting shall be conditioned upon the express agreement by the subtenant to be bound by the terms of this Lease applicable to Tenant.

26. **HOLDING OVER.** Pursuant to section 83.04, Florida Statutes, upon expiration of this Lease, Tenant's continued possession of the Premises shall be deemed a tenancy at sufferance terminable by Landlord at any time. Further, pursuant to section 83.06, Florida Statutes, Landlord may collect double rent upon Tenant's refusal to deliver said Premises.

27. **BANKRUPTCY OR INSOLVENCY.** Either a) the appointment of a receiver to take possession of all or substantially all of the assets of Tenant, b) an assignment by Tenant for the benefit of creditors or c) any action taken or suffered by Tenant under any insolvency, bankruptcy or reorganization act, shall be a breach of this Lease by Tenant. Upon such breach, this Lease shall terminate five (5) days after written notice of termination from Landlord to Tenant. This Lease shall not be assigned or assignable by operation of law or by voluntary or involuntary bankruptcy proceedings or otherwise and in no event shall this Lease or any rights or privileges hereunder be an asset of a Trustee under any bankruptcy, insolvency or reorganization proceedings.

28. **DEFAULT.** The following events shall be deemed to be events of default by Tenant under this Lease:

(a) Tenant shall fail to pay any installment of Monthly Rent or additional rent hereby reserved and such failure shall continue for a period of five (5) days.

(b) Tenant shall fail to comply with any term, provision or covenant of this Lease, other than the payment of rent or additional rent, and shall not cure such failure within thirty (30) days after receipt of written notice thereof to Tenant.

(c) Tenant shall become insolvent, or shall make a transfer in fraud of creditors, or shall make an assignment for the benefit of creditors.

Tenant	Landlord
	<i>RJ</i>

(d) Tenant shall file a petition, or have filed against it through an involuntary petition, under any section or chapter of the bankruptcy laws, as amended, or under any similar law or statute of the United States or any State thereof, or Tenant shall be adjudged bankrupt or insolvent in proceedings filed against Tenant thereunder.

(e) A receiver or Trustee shall be appointed for the Premises or for all or substantially all of the assets of Tenant.

(f) Tenant shall fail to take possession and open for business within the time required by this Lease.

(g) Tenant shall do or permit to be done anything which creates a lien upon the Premises.

(h) The Premises are abandoned under Section 83.05, Florida Statutes.

(i) Any documents, representations, or statements provided by Tenant to Landlord or its representatives or agents prior to or subsequent to the execution of Lease which are false or misleading.

Upon the occurrence of any such events of default, Landlord shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

A. Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and, if Tenant fails to do so, Landlord may, without prejudice to any other remedy which it may have for possession or arrearage in rent, enter upon and take possession of the Premises for its own account and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof, by force if necessary, without being liable for prosecution of any claim or damages therefor; and Tenant agrees to pay to Landlord on demand the amount of all loss and damage which Landlord may suffer by reason of such termination, including but not limited to, the amount of rent, additional rent, other charges, and taxes which would have become due and payable during the remainder of the term of this lease.

B. Without terminating this Lease (but after terminating Tenant's leasehold interest), enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof by force if necessary, without being liable for prosecution or any claim for damages therefore.

C. If Tenant vacates the Premises or is removed from the Premises, Landlord may do nothing and institute suit against Tenant for all damages recoverable under this Lease and Florida law.

D. Upon regaining possession of the Premises, Landlord may, in its sole and absolute discretion, relet the whole or any portion of the Premises for any period equal to or greater or less than the period which would have constituted the balance of the term of the Lease, for any sum satisfactory, and for any use and purpose which Landlord may deem appropriate, and Landlord may grant concessions and/or free rent. Landlord shall in no event be liable in any way whatsoever for its failure or refusal to relet the Premises or any part thereof or in the event that the Premises are relet, for its failure to collect the rent under such reletting, and no such refusal or failure to relet or failure to collect rent shall release or affect Tenant's liability for damages or otherwise under this Lease. Landlord shall not in any event be required to pay Tenant any surplus of any sums received by Landlord on a reletting of all or any part of the Premises in excess of the rent reserved in this Lease.

E. Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent or additional rent due to Landlord hereunder or of any damages accruing to Landlord by reason of the violation of any of the terms, provisions and covenants herein contained. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. In determining the amount of loss or damage which Landlord may suffer by reason of Tenant's default, Landlord shall be entitled to recover all costs and expenses it incurs to regain possession, all leasing commissions or other compensation paid for any reletting, and all costs and expenses for any repair or remodeling of the Premises following repossession.

29. **TRANSFER BY LANDLORD.** If Landlord sells or conveys the Premises, Landlord shall be released from any future liability upon any of the covenants or conditions, expressed or implied, herein contained in favor of Tenant, and Tenant agrees to look solely to the responsibilities of the successor in interest of Landlord. This Lease shall not be affected by any such sale, and Tenant agrees to attorn to the purchaser or assignee.

30. **RIGHT OF LANDLORD TO PERFORM.**

a. All agreements to be performed by Tenant under this Lease shall be performed by Tenant at its sole expense, without any abatement of rent. If Tenant fails to pay any sum of money, other than Monthly Rent, required to be paid by it or fails to perform any other act on its part to be performed, and the failure continues for ten (10) days after notice by Landlord, Landlord may, but shall not be obligated, make any such payment or perform any such act on Tenant's behalf. Tenant's obligations shall not be waived by Landlord's exercise of this option.

Tenant	Landlord
	<i>[Signature]</i>

b. All sums paid by Landlord and all necessary incidental costs, plus interest thereon at the rate of one and one-half percent (1-1/2%) per month from the date of payment by Landlord, shall be payable to Landlord by Tenant on demand. Landlord shall have (in addition to any other right or remedy) the same rights and remedies for the nonpayment as in the case of default by the Tenant in the payment of the Monthly Rent.

31. **IMPACT FEES.** Landlord has paid impact fees based on the Property being used as a multi-tenant warehouse facility. Tenant shall, at its sole expense, pay any and all additional impact fees for any improvements made by or on behalf of Tenant and for any use by Tenant of the Premises for other than a warehouse.

32. **RULES AND REGULATIONS.** Tenant shall comply with all rules and regulations Landlord may adopt from time to time for the operation of the Property, and for the protection and welfare of Property, its tenants, visitors, and occupants.

33. **LEGAL EXPENSES.** If suit is brought to enforce the provisions of this Lease, each party shall bear its own attorney's fees and costs.

34. **SURRENDER OF PREMISES.** The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of Landlord, terminate all or any existing subleases or subtenancies, or may, at the option of Landlord, operate as an assignment to it of any or all such subleases or subtenancies.

35. **WAIVERS.** The waiver by Landlord of any term of this Lease shall not be deemed to be a waiver of any subsequent breach of the same or any other term. The subsequent acceptance of rent by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term of this Lease, other than the failure of Tenant to pay the particular rent accepted, regardless of Landlord's knowledge of the preceding breach at the time of acceptance of rent.

36. **NOTICES.** All notices that may or are required to be given by either party to the other shall be in writing. All notices shall be sent by hand delivery, by facsimile transmission, by commercial overnight carrier, or by United States certified or registered mail, postage prepaid, addressed as follows:

38. **SUCCESSORS AND ASSIGNS.** The covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties.

39. **RADON GAS.** Radon is naturally occurring radioactive gas that, when it has accumulated in a building in sufficient
