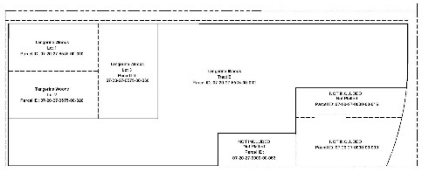
Tangerine Woods Preliminary Subdivision Plan
As approved by BCC May 13, 2008



Tangerine Woods Plat Book 73, Page 128

On May 13, 2008 the Board approved Tangerine Woods Preliminary Subdivision Plan (PSP) subject to the following conditions:

1) Development shall conform to the Tangerine Woods Preliminary Subdivision dated " Received January 31, 2008", and to the following conditions of approval. Development passed upon this approval shall comply with all applicable federal, state and county laws, ordinances and regulations which are incorporated herein by reference, except to the extent any applicable laws, ordinances and regulations are expressly waived or modified by these conditions, or by action approved by the Board of County Commissioners (BCC). In the event of a conflict or inconsistency between a condition of approval of this preliminary subdivision plan and the actual preliminary subdivision plan dated "Received January 31, 2008," the condition of approval shall control to the extent of such conflict or inconsistency.

2) This project shall comply with, adhere to, and not deviate from or otherwise conflict with any verbal or written promise or representation made by the applicant (or authorized agent) to the Board of County Commissioners at the public hearing where this development was approved, where such promise or representation, whether oral or written, was relied upon by the Board in approve the development, or could have reasonably induced or otherwise influenced the Board to approve the development, for purposes of this condition, a "promise" or "representation" shall be deemed to have been made to the Board by the applicant (or authorized agent) if it was expressly made to the Board at a public hearing where the development was considered or approved.

3) Prior to earthwork or construction, the developer shall provide a copy of the completed National Pollutant Discharge Elimination System (NPDES) Notice of Intent (NOI) form for stormwater discharge from construction activities to the Orange County Environmental Protection Division, NPDES Administrator. The original NOI form shall be sent to the Florida Department of Environmental Protection.

4) At the time of platting, documentation shall be provided from Orange County Public Schools that this project is in compliance with the Capacity Enhancement Agreement.

5) In line with the Tangerine Development Standards, a waiver from Section 34-152 (a) is granted to allow access from existing external streets in lieu of access from an internal subdivision.

6) Due to the number of lots and soil conditions and in order to save trees, a waiver from Section 34-131 (d) (3) is granted to allow retention areas to be part of the residential lots in lieu of providing retention areas in a separate tract.

7) Prior to the issuance of individual building permits, the County Engineer shall approve the lot grading.
