BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for determination under Rule 25-6.115, F.A.C., and approval of associated revised tariff sheet 6.300, by Florida Power & Light Company.

ORDER SUSPENDING FLORIDA POWER & LIGHT
COMPANY'S REVISED TARIFF SHEET 6.300

BY THE COMMISSION:

BACKGROUND

On June 23, 2017, Florida Power & Light Company (FPL) filed a petition for approval for a determination under Rule 25-6.115(12), Florida Administrative Code (F.A.C.), that FPL may, under defined circumstances, exclude the applicants' underground conversion contribution in aid of construction (CIAC) amount as specified in Rule 25-6.115(8)(b), F.A.C.

Rule 25-6.115, F.A.C., and FPL's tariff provide the terms under which applicants are to pay a CIAC for the conversion of existing overhead distribution facilities to underground. FPL tariff sheet 6.300 provides the formula for the calculation of the CIAC. One component of the CIAC calculation is specified in paragraph (8)(b) of the rule and requires FPL to recover the value of the existing facilities (net book value of facilities minus their estimated salvage value) from the applicant. Paragraph (12) of the rule allows a utility to waive all or any portion of the cost for providing underground facilities. If the utility waives any charge, the utility is required to reduce net plant in service unless we determine that there is a quantifiable benefit to the general body of ratepayers commensurate with the waived charge.

FPL requests that we determine that there are quantifiable benefits to the general body of ratepayers from the exclusion of the existing non-storm hardened facilities cost from the CIAC calculation for underground conversions and seeks approval of its revised tariff sheet 6.300. We have jurisdiction over this matter pursuant to Sections 366.03, 366.04, 366.05, and 366.06, Florida Statutes (F.S.).

DECISION

Pursuant to Section 366.06(3), F.S., this Commission may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such a change, a reason, or written statement of a good cause for doing so within 60 days. We find that additional time is required for Commission staff to thoroughly review the petition and gather all pertinent information for our consideration in determining whether it is in the general body of

ratepayers' best interest for a portion of the cost for providing underground facilities to be waived as requested by FPL.

Based on the above, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's revisions to Tariff Sheet No. 6.300 are suspended pending further review. It is further

ORDERED that this docket shall remain open pending this Commission's decision on the proposed revisions to Tariff Sheet No. 6.300.
