Pursuant to Section 163.3180(5)(h), Florida Statutes, an applicant may mitigate capacity deficiencies by entering into a Proportionate Share Agreement and contributing a proportionate share payment. The Proportionate Share Payment is due within 180 days of the effective date of this Agreement. The Agreement follows the recommendations of the Roadway Agreement Committee providing for the mitigation of road impacts on CR 545 on the road segment from South Leg of Loop Road to Schofield Road.

WHEREAS, Owner intends to develop the Property into 40 single family residences which will generate 40.40 P.M. peak hour two-way vehicular trips ("Project Trips"); and

WHEREAS, Owner and County have agreed that Owner's Pro-rata share payment necessary for the Road Improvements pursuant to FLU Policy 4.2.3 of the County's Comprehensive Plan is One Hundred Fifty Five Thousand Nine Hundred Twenty and 00/100 Dollars (\$155,920.00) (the "**PSC Payment**"); and

WHEREAS, County issued to Owner a Capacity Encumbrance Letter CEL-15-07-054 which expires February 22, 2019; and

WHEREAS, County and Owner desire to set forth certain terms, conditions, and agreements between them as to the development of the Property into the Project.

NOW, THEREFORE, in consideration of the premises contained herein and other good and valuable consideration exchanged by and between Owner and County, the receipt and sufficiency of which are hereby acknowledged, the parties hereto stipulate and agree as follows:

Section 1. Recitals. The above recitals are true and correct and are incorporated herein by this reference.

Section 2. Issuance of Capacity Encumbrance Letter.

(a) *Calculation of PSC Payment:* The amount of the PSC Payment for the Road Improvements is One Hundred Fifty Five Thousand Nine Hundred Twenty and 00/100 Dollars (\$155,920.00). This PSC Payment has been calculated by agreement of the Parties as the project units multiplied by the prevailing current single family residential impact fee rate (\$3,898.00 per dwelling unit). Owner and County agree that the Project Trips constitute the Project's impact on C.R. 545. Owner and County further acknowledge and agree that the PSC Payment as set forth above shall be the final and binding calculation of the amount the Owner is required to pay through the buildout of the Project as Pro-rata share mitigation for impacts of the Project upon roadways impacted by the Project within Orange County's jurisdiction, notwithstanding any subsequent variance in the actual cost of the Road Improvements or actual traffic impacts created by the Project; provided, however, that if Owner subsequently increases the number of units and/or square footage, as applicable, of the Project, the Project may then be subject to an additional concurrency evaluation and Pro-rata share agreement as set forth in Section 2(d) below. Owner and County further acknowledge and agree that the calculation of an agreement regarding the amount of the PSC Payment constitute material inducements for the parties to enter into this Agreement.

(b) *Timing of PSC Payment.* Within one hundred eighty (180) days following the Effective Date, Owner shall deliver a check to County in the amount of One Hundred Fifty Five Thousand Nine Hundred Twenty and 00/100 Dollars (\$155,920.00) as the PSC Payment. The check shall be made payable to "Orange County Board of County Commissioners", shall reference CEL 15-07-054 and shall be delivered to the Fiscal and Operational Support Division of the Community, Environmental, and Development Services Department. Within the timeframe provided in CEL 15-07-054 the Owner must reserve the encumbered trips by obtaining a Capacity Reservation Certificate as provided in Section 30-591 of the Orange County Code, as may be amended. An amount equal to the PSC Payment shall be applied toward the amount of the initial reservation payment (and any subsequent reservation payment(s), if the initial reservation payment does not exceed the amount of the PSC Payment) as further set forth in Section 3 below. In the event Owner has not paid the PSC Payment within one hundred eighty (180) days of the Effective Date, this Agreement shall become null and void.

(c) *Project Development.* Recordation of a subdivision plat or approval of a commercial site plan for the Project shall not be permitted prior to the issuance of a Capacity Reservation Certificate as contemplated in subparagraph 2(b) above.

(d) *Increase in Project Trips.* Any change to the Project which increases the unit count and/or square footage, as applicable, may result in an increase in trips on C.R. 545 or other segments within the transportation impact area, as defined by County. Owner understands and agrees that any such additional trips are neither vested nor

otherwise permitted under this Agreement, and that Owner is precluded from asserting any such vesting. In addition, Owner understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to become null and void, and/or may require application for and execution of an additional Pro-rata Share Agreement, along with any other required documentation, for the number of increased trips.

(e) *Satisfaction of Transportation Improvement Requirements.* County hereby acknowledges and agrees that, based upon Owner's commitment to pay the PSC Payment as required herein and absent any change in the Project increasing the number of trips as set forth in subparagraph 2(d) above, Owner shall be deemed to have satisfied all requirements for the mitigation of the traffic impacts of the Project on all roads affected by the Project within County's jurisdiction through buildout of the Project. Owner shall be entitled to fully and completely develop the Project, without regard to whether the Road Improvements are actually constructed. Provided, however, Owner shall be required to obtain a Capacity Reservation Certificate prior to the expiration of Owner's Capacity Encumbrance Letter and shall be required to maintain the validity of the Capacity Reservation Certificate in accordance with its terms. Nothing herein shall be construed to exempt Owner from meeting the requirements of all other applicable laws, regulations, or Orange County Code provisions or from making the required payment of transportation impact fees applicable to the Project, subject to credits as set forth in Section 3 below.

(f) *Payment Into Escrow.* County shall deliver the amount of the PSC Payment to Escrow Agent for the Road Network Agreement within one hundred eighty (180) days of payment by Owner to County with directions to utilize said funds consistent with said Road Network Agreement and to reduce the maximum number of trips attributed to the Road Network agreement to 5633 trips. County shall be entitled to extend the payment of the amount of the PSC Payment to Escrow Agent for up to one hundred eighty (180) additional days with the approval of the Director of Orange County Community, Environmental, and Development Services Department.

Section 3. *Transportation Impact Fee Credits.* County and Owner agree that Owner shall be entitled to receive transportation impact fee credits on a dollar for dollar basis in an amount up to but not exceeding \$148,124.00 (95% of PSC Payment) in accordance with Section 163.3180, Florida Statutes. County further agrees that such credits may be applied on a dollar for dollar basis against capacity reservation fees at such time as capacity reservation fees may be required to be paid by Owner in connection with the issuance of a Capacity Reservation Certificate as contemplated in Section 2 above. In no event shall Owner receive credits in excess of the PSC Payment and in the event the PSC Payment exceeds either the applicable transportation impact fees or capacity reservation fees, as the case may be, Owner shall not be entitled to a refund for the amount of the PSC Payment in excess of such transportation impact fees or capacity reservation fees.

Section 4. *No Refund.* The PSC Payment (including any reservation fees paid with the PSC Payment) is non-refundable.

Section 5. Notice. With the exception of the timing of the PSC Payment as set forth in Section 2(b) hereof, the parties acknowledge and agree that no party shall be considered in default for failure to perform under this Agreement until such party has received written notice specifying the nature of such default or failure to perform and said party fails to cure said default or fails to perform within thirty (30) days of receipt of written notice. Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:
