SUBJECT: Debriefing Regarding Hurricane Irma  
**DISCUSSION AGENDA ITEM SEPTEMBER 19, 2017**

On Tuesday, September 19, 2017, the Mayor has set aside the morning portion of the Board meeting in order to provide you with a full debriefing regarding Hurricane Irma and the County's emergency management efforts, both before and during the storm, and recovery efforts underway in the storm's aftermath.

All of you can be proud of Orange County's response to this deadly and crippling storm and particularly of the hundreds of Orange County Employees, who have worked tirelessly to assist our residents and communities in recovering from the storm and the damage left in its wake.

Should you have any questions in the meantime, please call me.
