SUBJECT: Ratification of Contract Y17-779, Wyndham Lakes Boulevard Emergency
Sewer Repair

ACTION REQUESTED:

Ratification of Contract Y17-779, Wyndham Lakes Boulevard Emergency Sewer Repair, to the low responsive and responsible bidder, Pospiech Contracting, Inc., in the contract award amount of \$258,310.

PROCUREMENT:

The project provides for emergency construction to repair 108 linear feet of 18-inch PVC gravity sewer pipe and one manhole along Wyndham Lakes Boulevard near the entrance of Wyndham Lakes Elementary School. The existing sewer pipe had failed, causing the road to sink. The pipe had deteriorated to such an extent that total failure was imminent. These conditions increase the potential for sanitary sewer overflows, which represents a potential cost for the County and a public health risk. Therefore, this project was procured via emergency procedures and the work is ongoing. This project is located in District 4.

FUNDING:

Funding is available in account number 4420-038-1500-6340.

APPROVALS:

The Utilities Engineering Division concurs with this recommendation.

REMARKS:

Three bids were received for Invitation for Bids Y17-779-PH, Wyndham Lakes Boulevard Emergency Sewer Repair. Pospiech Contracting, Inc. has a satisfactory record of performance for this type of work. Pospiech Contracting, Inc. provided confirmation of their understanding of the scope and approach and is therefore recommended for award.
