

October 20, 2017

TO:	Mayor Teresa Jacobs -AND- County Commissioners
FROM:	Jon V. Weiss, P.E., Director Community, Environmental and Development Services Department
CONTACT PERSON:	Carol Knox, Manager, Zoning Division 407-836-5585
	Whitney E. Evers, Assistant County Attorney 407-836-7321
SUBJECT:	October 31, 2017 – First Public Hearing Medical Marijuana Ordinance (Ban Dispensaries)

On July 18, 2017, staff presented the Board of County Commissioners (Board) with a work session on medical marijuana. At the conclusion of that work session, the Board asked staff to prepare two different ordinances for its consideration: one banning medical marijuana dispensing within unincorporated Orange County and one allowing it. Both ordinances would allow cultivating and processing of marijuana. On October 31, 2017, at 2:00 p.m. the Board will hold the first of two public hearings for each of those ordinances. The Zoning Division is requesting consideration of both ordinances to update the County's land development regulations as it relates to medical marijuana treatment centers and, specifically, whether the Board wants to allow dispensing facilities within unincorporated Orange County. The second set of public hearings is scheduled for November 14, 2017, at 5:01 p.m.

Both of the proposed ordinances would provide a definition section and both would allow cultivating and processing of medical marijuana in A-1 and A-2 zoning districts, and I-2/I-3, and I-4 zoning districts, respectively. Cultivating and processing would be permitted subject to the following requirements:

- Valid state license
- Receipt of appropriate building/use permit
- Meeting a 500 feet distance separation from schools
- Complying with state-approved security measures
- Appropriate inspections to determine compliance

Page Two October 31, 2017 – First Public Hearing Medical Marijuana Ordinance (Ban Dispensaries)

The difference between the two proposed ordinances involves dispensing of medical marijuana. One ordinance would prohibit dispensing facilities entirely within unincorporated Orange County. The other ordinance would allow dispensing facilities within unincorporated Orange County subject to the following requirements:

- Valid state license
- Receipt of appropriate building/use permit
- Meeting a 500 feet distance separation from schools
- Complying with state-approved security measures
- Appropriate inspections to determine compliance
- Prohibition on sale of non-medical marijuana, alcohol, drug paraphernalia, illicit drug-related products, and on the dispensing of medical marijuana in the waiting area of a dispensing facility
- Meeting the appropriate parking requirements
- Adequate seating for patients and invitees so as to avoid loitering
- Only dispense between the hours of 7:00 am to 9:00 pm
- State-approved signage that meets the County's Code requirements as well as any applicable Planned Development requirements

Staff will provide a presentation outlining the significant portions of each ordinance.

On October 19, 2017, the Planning and Zoning Commission/Local Planning Agency (PZC/LPA) held public hearings on each of the ordinances. With regard to the ordinance allowing dispensing facilities within unincorporated Orange County, the PZC / LPA made a finding of inconsistency with the Comprehensive Plan and recommended denial. With regard to the ordinance banning dispensing facilities within unincorporated Orange County, the PZC / LPA made a finding of consistency with the Comprehensive Plan and recommended denial. With regard to the ordinance banning dispensing facilities within unincorporated Orange County, the PZC / LPA made a finding of consistency with the Comprehensive Plan and recommended approval.

Also, the PZC / LPA recommended that Orange County's legislative delegation request that the Florida Legislature provide greater home rule authority to local governments in the statutory language dealing with medical marijuana treatment centers (i.e. Section 381.986, Florida Statutes 2017). Additionally, should the BCC choose to adopt the ordinance banning dispensing facilities within unincorporated Orange County (as the PZC / LPA has recommended), the PZC / LPA recommended that the ban be reconsidered after the next legislative session. Attached is a copy of the draft ordinance dated October 19, 2017 that bans medical marijuana dispensaries.

## ACTION REQUESTED: Board direction on the October 19, 2017, draft ordinances to be heard again at the final adoption public hearings on November 14, 2017, at 5:01 p.m. All Districts

Attachments: Draft ordinance, dated October 19, 2017

DRAFT 10/19/17 (BAN DISP FACIL)

#### ORDINANCE NO. 2017-

	AN ORDINANCE AFFECTING THE USE OF LAND
4	IN ORANGE COUNTY, FLORIDA, RELATING TO
	THE CULTIVATING, PROCESSING, AND
6	DISPENSING OF MARIJUANA FOR MEDICAL
	USE; AMENDING SECTION 38-1 (ZONING
8	<b>DEFINITIONS); AMENDING SECTION 38-77</b>
	(ZONING USE TABLE); AMENDING SECTION 38-
10	79 (CONDITIONS FOR PERMITTED USES AND
	SPECIAL EXCEPTIONS); REPEALING SECTION
12	38-80 ("MORATORIUM REGARDING MEDICAL
	CANNABIS ACTIVITIES WITHIN
14	UNINCORPORATED AREAS OF ORANGE
	COUNTY"); REENACTING SECTION 38-80 TO
16	PROHIBIT MEDICAL MARIJUANA TREATMENT
	CENTER DISPENSING FACILITIES; AND
18	PROVIDING AN EFFECTIVE DATE.

- 20 WHEREAS, the Florida legislature has enacted legislation allowing marijuana for medical uses; and
- 22

2

WHEREAS, the Florida Medical Marijuana Legalization Initiative, also known
 as Amendment 2, which legalized the use of medical marijuana for specific medical conditions, passed with 71% of the vote on November 8, 2016, and became effective on
 January 3, 2017; and

28 WHEREAS, the State, through the Department of Health, has enacted a comprehensive regulatory framework for the cultivation, processing, transporting, and 30 dispensing of marijuana; and

WHEREAS, Section 381.986(11), Florida Statutes, states that regulation of cultivation, processing, and delivery of marijuana by medical marijuana treatment centers
 is preempted to the State except as provided for therein; and

- WHEREAS, Section 381.986(11), Florida Statutes, states that a county may, by ordinance, ban medical marijuana treatment center dispensing facilities from being
   located within the boundaries of that county, but, a county that does not ban dispensing facilities may not place specific limits, by ordinance, on the number of dispensing
   facilities that may locate within that county; and
- WHEREAS, Section 381.986(11), Florida Statutes, further provides that a county that does not ban dispensing facilities may not enact ordinances for permitting
   or for determining the location of dispensing facilities which are more restrictive than its ordinances permitting or determining the locations for pharmacies licensed under chapter
   46 465; and

1

- WHEREAS, in 1996, the state of California became the first state to legalize the use of medical marijuana, and several other states subsequently enacted laws legalizing
   medical marijuana in various circumstances; and
- 52 WHEREAS, the California Police Chiefs Association developed a Task Force on Marijuana Dispensing facilities that prepared the "White Paper on 54 Marijuana Dispensing facilities" published in 2009 ("White Paper"); and
- WHEREAS, the White Paper examined the direct and indirect adverse impacts of marijuana in local communities and indicated that marijuana dispensing facilities may attract or cause ancillary crimes, and may result in adverse effects, such as marijuana smoking in public, the sale of other illegal drugs at dispensing facilities, loitering and nuisances, and increased traffic near dispensing facilities; and
- 60 WHEREAS, the White Paper further indicated that the presence of marijuana dispensing businesses may contribute to the existence of a secondary market for 62 illegal, street-level distribution of marijuana; and
- WHEREAS, the White Paper outlined the following typical complaints received
  from individuals regarding certain marijuana dispensing facility study areas: high levels
  of traffic going to and from the dispensing facilities, people loitering in the parking
  lot of the dispensing facilities, people smoking marijuana in the parking lot of the
  dispensing facilities, vandalism near dispensing facilities, and citizens worried that they
  may become a crime victim due to proximity to dispensing facilities; and
- WHEREAS, the White Paper ultimately concluded that there may be adverse secondary effects created by the presence of medical marijuana dispensing facilities in communities; and
- 72
- WHEREAS, The Marijuana Policy Group, a Denver-based economics and
  policy consulting firm which has served as the lead cannabis economist for the State of
  Colorado since 2014, has published a memorandum called "Municipal Dispensary
  Allocation: Florida," ("MPG Paper") which evaluated the market need for medical
  marijuana dispensing facilities and the harmful consequences and secondary effects
  of over-saturation of medical marijuana dispensing facilities within the market place,
- including the risks of unprofitable dispensaries and inexperienced dispensary operators; 80 and
- 82 WHEREAS, The MPG Paper opined that Florida should have no more than one dispensing facility for each fifty-thousand residents, with the optimal ratio 84 being one dispensing facility per 67,222 residents;
- WHEREAS, the optimal ratio espoused by the MPG Paper would equate to
   approximately nineteen (19) dispensing facilities in Orange County, but given the
   legislature's prohibition on counties placing any limitation on the number of dispensing
   facilities, that number could be much higher; and
- WHEREAS, based on the White Paper and the MPG Paper, there is a reasonable concern that dispensing facilities could have adverse impacts on the health, safety, and

welfare of the residents of the county from secondary effects associated with the 92 dispensing of medical marijuana; and

- 94 WHEREAS, given the severe restrictions placed on local governments by the Legislature and the fact that local governments may not enact ordinances for permitting
  96 or for determining the location of dispensing facilities that are more restrictive than its ordinances permitting or determining the locations for pharmacies, the Board hereby
  98 finds that it is in the best interest of the public health, safety, and welfare to mitigate and limit the potential negative secondary effects of medical marijuana dispensing facilities
  100 by imposing a ban on dispensing facilities in accordance with Section 381.986(11), Florida Statutes.
- 102

#### BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS

### 104 **OF ORANGE COUNTY, FLORIDA:**

Section 1. Findings of fact. The foregoing recitals are hereby ratified and

106 confirmed as being true and correct and are hereby made a part of this ordinance.

Section 2. Amendments; In General. Chapter 38 of the Orange County Code

108 is amended as set forth in Section 3 through Section 6 with new language being shown by

underlines and deleted language being shown by strike-throughs.

### 110 Section 3. Amendments to Section 38-1 ("Definitions"). Section 38-1,

Orange County Code, is amended to read as follows:

112 Sec. 38-1. Definitions

\* \* \*

114	Cultivation_	facility	shall	mean	any	area	in
	unincorporated Ora	nge Cour	ity desi	gnated	in the	MMT	<u>C's</u>

In all other respects, section 38-77 shall remain unchanged.

180	Section 5. Amendment to Section 38-79 ("Conditions for Permitted Uses
	and Special Exceptions"). Section 38-79 is amended to read as follows:
182	Sec. 38-79. Conditions for permitted uses and special exceptions.
184	-
186	* * * (177) A cultivation facility may be permitted subject to the following:
188	
190	a. Valid license. A valid license for both the MMTC of which the cultivation facility is a part and for cultivation of marijuana shall be obtained from the State of
192	Florida and remain in effect during the operation of the
194	cultivation facility. All cultivation activities shall cease if a license has expired or been revoked by the state.
196	Inspections by the appropriate County or law enforcement officials may be made as necessary to determine compliance with state and local law. At least seventy-two
198	(72) hours before a cultivation facility terminates operation,
200	the owner must notify the Orange County Sheriff's Office.
200	b. Building and use permit applications. Any
202	applicant seeking to establish a cultivation facility shall complete the appropriate building or use permit
204	application(s) and submit the application(s) to the County Division of Building Safety for review and approval prior
206	to issuance of any permits, along with the appropriate fee.
208	Each application shall be accompanied by proof that the MMTC is authorized by the State of Florida to cultivate marijuana. However, the issuance of a building permit
210	pursuant to this section shall not be deemed to create an
212	exception, defense, or immunity for any person in regard to any potential criminal liability the person may have under state, or federal law for the equivipitien sultivision
214	state or federal law for the acquisition, cultivation, possession, processing, transferring, transportation, selling, distribution, dispensing, or administration of marijuana or
216	products containing marijuana.

218	c. Distance separation. A cultivation facility may not be located within five hundred feet (500') of the
220	real property that comprises a public or private elementary school, middle school, or secondary school, regardless of
222	whether such school lies within unincorporated Orange County or a surrounding municipality. Such distance shall
224	be measured in a straight line between the property line of the subject cultivation facility and the property line of the
226	subject school that are closest to each other.
228	d. <u>Security</u> . To ensure the safety and security of a cultivation facility and to maintain adequate controls
230	against the diversion, theft, and loss of marijuana, each cultivation facility shall maintain security measures in
232	accordance with Section 381.986(8)(f), Florida Statutes, as may be amended from time to time; provided, however,
234	that any such security measures are subject to the receipt of the appropriate local government permits. The security plan
236	approved by the Florida Department of Health for the cultivation facility must be filed with the Orange County
238	Sheriff's Office before the cultivation facility opens and any changes to the security plan must be filed with the
240	Orange County Sheriff's Office within seven (7) days of approval by the Florida Department of Health. It is
242	unlawful and a violation of this section to operate, own, or control a cultivation facility except in compliance with the
244	applicable security plan approved by the Florida Department of Health.
246	e. Inspections. With the permission of the
248	applicable property owner or tenant or with a warrant obtained in accordance with Chapter 933, Florida Statutes,
250	any law enforcement officer employed by the Orange County Sheriff's Office, any code enforcement officer, or
252	any other person authorized to enforce county ordinances may enter the cultivation facility premises and conduct an
254	inspection to determine compliance with this article at any time the cultivation facility is open or occupied. Refusal to
256	allow entry to the premises shall be considered a violation of this code.
258	
260	(178) A processing facility may be permitted subject to the following:
262	

	a. Valid license. A valid license for both the
264	MMTC of which the processing facility is a part and for
266	processing of marijuana shall be obtained from the State of Florida and remain in effect during the operation of the
	processing facility. All processing activities shall cease if a
268	license has expired or been revoked by the state.
	Inspections by the appropriate County or law enforcement
270	officials may be made as necessary to determine
070	compliance with state and local laws. At least seventy-two
272	(72) hours before a processing facility terminates operation,
274	the owner must notify the Orange County Sheriff's Office.
274	b. Building and use permit applications. Any
276	applicant seeking to establish a processing facility shall
210	complete the appropriate building or use permit
278	application(s) and submit the application(s) to the County
210	Division of Building Safety for review and approval prior
280	to issuance of any permits, along with the appropriate fee.
200	Each application shall be accompanied by proof that the
282	MMTC is authorized by the State of Florida to process
202	marijuana. However, the issuance of a building permit
284	pursuant to this section shall not be deemed to create an
204	
286	exception, defense, or immunity for any person in regard to
200	any potential criminal liability the person may have under
288	state or federal law for the acquisition, cultivation,
288	possession, processing, transferring, transportation, selling,
200	distribution, dispensing, or administration of marijuana or
290	products containing marijuana.
292	c. Distance separation. A processing facility
	may not be located within five hundred feet (500') of the
294	real property that comprises a public or private elementary
	school, middle school, or secondary school, regardless of
296	whether such school lies within unincorporated Orange
	County or a surrounding municipality, between the
298	property line of the subject processing facility and the
	property line of the subject school that are closest to each
300	other.
200	
302	d. Security. To ensure the safety and security
	of a processing facility, and to maintain adequate controls
304	against the diversion, theft, and loss of marijuana, each
	processing facility shall maintain security measures in
306	accordance with Section 381.986(8)(f), Florida Statutes, as
	may be amended from time to time; provided, however,
308	that any for such security measures are subject to the
~~~	receipt of the appropriate local government permits. The
	receipt of the appropriate room perturbed perturbs. The

310	security plan approved by the Florida Department of Health
312	for the processing facility must be filed with the Orange County Sheriff's Office before the processing facility opens
J12	and any changes to the security plan must be filed with the
314	Orange County Sheriff's Office within seven (7) days of
	approval by the Florida Department of Health. It is
316	unlawful and a violation of this section to operate, own, or
	control a processing facility except in compliance with the
318	applicable security plan approved by the Florida
320	Department of Health.
520	e. Inspections. With the permission of the
322	e. Inspections. With the permission of the applicable property owner or tenant or with a warrant
	obtained in accordance with Chapter 933, Florida Statutes,
324	any law enforcement officer employed by the Orange
	County Sheriff's Office, any code enforcement officer, or
326	any other person authorized to enforce county ordinances
	may enter the processing facility premises and conduct an
328	inspection to determine compliance with this article at any
	time the processing facility is open or occupied. Refusal to
330	allow entry to the premises shall be considered a violation
	of this code.
332	
	f. Combined processing and cultivation
334	facilities. In the event the cultivation and processing of
226	marijuana is combined into one facility, such facility shall
336	comply with the requirements of a processing facility.
338	
550	In all other respects, section 38-79 shall remain unchanged.
340	in an other respects, section 56 77 shan remain anonaliged.
	Section 6. Repeal of Section 38-80 ("Moratorium Regarding Medical
~ . ~	
342	Cannabis Activities within Unincorporated Areas of Orange County"); Reenactment of
	Section 38-80 ("Dispensing Facilities Prohibited"). Section 38-80 establishing a
344	moratorium regarding medical cannabis activities in unincorporated areas of Orange
	County is repealed, and is reenacted as a prohibition of dispensing facilities:
346	Sec. 38-80. Moratorium regarding medical cannabis activities within
	unincorporated areas of Orange County.
240	

348 (a)-Definitions-

350	(1)— <i>Derivative product</i> means any form of cannabis suitable for administration to or consumption or use
352	by a qualified patient, eligible patient, or any other similarly situated individual.
354	
356	(2) Low-THC cannabis means a plant of the genus Cannabis, the dried flowers of which contain 0.8 percent or less of tetrahydrocannabinol and more than
358	ten (10) percent of cannabidiol weight for weight; the seeds thereof; the resin extracted from any part of
360	such plant; or any compound, manufacture, salt, derivative, mixture, or preparation of such plant or its
362	seed or resin.
364	(3)— <i>Medical cannabis</i> -means all parts of any plant of the genus Cannabis, whether growing or not; the seeds
366	thereof; the resin extracted from any part of the plant;
368	and overy compound, manufacture, salt, derivative, mixture, or preparation of the plant or its seeds or resin.
370	
372	(4) <u>Medical cannabis activities</u> means the growing, cultivation, processing, and wholesale and retail sale of medical cannabis, low-THC cannabis, and
374	derivative products, or any subset of such activities, or any related activities.
376	
378	(b) Study and review; purpose.
510	(1) During the moratorium period described in [subsection
380	(d)]-of-this section, the county staff, including the zoning division, is hereby directed to study medical
382	cannabis activities and their impact on the health, safety, and welfare of residents and businesses located
384	within the county, and to develop and recommend-land
386	development regulations for medical cannabis activities in the unincorporated areas of the county,
388	and any other relevant regulations and recommendations, with such recommendations and proposed regulations being delivered to the board of
390	county-commissioners within a reasonable-time before the expiration of this moratorium.
392	
394	(2) The ultimate purpose of such review and study by the staff is to propose amendments to Chapter 38 of the
	the main the first sufference on support on the cost

	Orange County Code for-medical cannabis activities
396	within the unincorporated area of Orange County.
398	(c) Moratorium period. Until the effective date of an
100	ordinance establishing new or amended land
400	development regulations concerning medical cannabis activities within unincorporated Orange County, or
402	until November 23, 2017, whichever date is earlier, no
	development permits shall be issued for any medical
404	cannabis activities. Furthermore, the review of any
406	applications for such medical cannabis activities that may be pending on August 23, 2016, the date of
-100	adoption of [the ordinance from which this section
408	derives], shall be abated, and no new applications for
410	such permits shall be accepted or processed during the
410	moratorium period.
412	Sec. 38-80. Dispensing facilities prohibited. Pursuant to
414	Section 381.986(11)b.1., Florida Statutes, dispensing facilities are prohibited within unincorporated Orange
414	<u>County.</u>
416	
418	Section 7. Effective date. This Ordinance shall become effective pursuant to
110	general law.
420	
422	ADOPTED THIS 14 <sup>th</sup> DAY OF NOVEMBER, 2017.
