

## Interoffice Memorandum

October 23, 2017

TO: Mayor Teresa Jacobs  
and the Board of County Commissioners

FROM: Carrie Woodell, Manager, Procurement Division

CONTACT: James Becker, Manager, Solid Waste Division  
407-254-9660

SUBJECT: Ratification of Purchase Order M87038, Additional Yard and  
Bulky Waste Collection Service

### ACTION REQUESTED:

Ratification of Purchase Order M87038, Additional Yard and Bulky Waste Collection Service, to Republic Services of Florida, LLP in the estimated not to exceed amount of \$403,200.

### PROCUREMENT:

To provide additional collection services including rear load garbage trucks, grapple trucks and personnel to collect extraordinary quantities of yard and bulky waste caused by Hurricane Irma.

### FUNDING

Funding is available in account number 106 038 1250 3197.

### APPROVALS:

The Solid Waste Division concurs with this recommendation.

### REMARKS:

Orange County has experienced a significant increase in the amount of yard and bulky waste caused by Hurricane Irma. The County's solid waste collection franchises, that are contracted to provide yard and bulky waste collection service, have provided the County notice that they are working at full capacity, with no additional resources to bear in providing collection service to the County.

The Solid Waste Division solicited emergency quotes for collection service to waste collection firms that operate in Central Florida, but do not provide contracted services to the County. Requests were sent to Republic Services of Florida, LLP, Trash Taxi, Waste Connections, Waste Corporation of America, and Waste Management Inc.

Purchase Order M87038, Additional Yard and  
Bulky Waste Collection Service

One response was received from Republic Services of Florida, Inc. at \$280 per hour for rear load garbage truck with operator and two loading staff and \$235 per hour for self loading claw truck with operator. Staff has determined the price submitted is fair and reasonable when compared to current County contracts and limited available resources in the marketplace.
