(e) Package sales within distance requirements restricted. The purpose of creating the distance requirements mentioned in subsection (b) of this section is to provide and require that no package sale vendor which is located or proposes to locate in the unincorporated portion of the county outside of any municipality shall be permitted to operate at a new location within a distance of five thousand (5,000) feet of the location of any package sale vendor which is both preexisting at the time of the package sale vendor's application to operate at the new location and is located in any area of the county either unincorporated or within a municipality in the county.

(dc) Criteria. The following criteria shall be met in order for a package sale vendor to obtain county zoning approval or and commence package sales at a new-location:

The County shall be satisfied that the new-package sale vendor's location meets the applicable distance separation requirements set forth in subsection (b), is not within five thousand (5,000) feet of any establishment located and/or licensed package sale vendor's place of business. However, if all established located and/or licensed preexisting package sale vendors within the applicable distance five thousand (5,000) feet of the new location relinquish or commit to relinquish, in writing with a notarized statement, the right to carry out package sales at their respective location(s), the County may issue zoning approval contingent upon such other location(s) ceasing package sales prior to the commencement of package sales at the new-location, provided Tihe land use and zoning of the proposed-location shall-allow otherwise permits package sales. Once County zoning approval to

allow package sales at the new-location is issued, failure to commence the package sales business shall not be a basis for the 88 County to terminate or revoke zoning approval for package sales, provided the applicant undertakes and continues to make good-90 faith efforts necessary to construct and/or open the applicant's new location for package sales. 92 94 Distance requirements not applied to renewal, change in name or ownership, or change in certain licenses. The 96 distance requirements set forth above in subsections (b) and (c) shall not be applied to the location of an existing package sale 98 vendor when there is: 100 (1) A renewal of an existing license; 102 (2) A transfer in ownership of an existing license; 104 (3) A change in business name; or 106 (4) A change in a state issued 4COP license for an existing package and lounge business, which did not choose to forego package sales, to a 3PS license, and any decrease in the 108 numerical designation of a state issued license which is of the same series (type); provided the physical location of the package sale 110 vendor establishment does not change. No increase in the numerical designation of a series (type) of state issued license 112 which is of the same series (type) shall be permitted at or for a 114 location (new or existing) except in compliance with the provisions of sections 38-1414 and 38-1415. 116 Measurement of distances. The distances referenced provided in this subsection (b) shall be measured by following the 118 shortest route of ordinary pedestrian travel along the public thoroughfare from the proposed main entrance of a package sale 120 vendor who proposes to operate his the place of business and is licensed under The Beverage Law [F.S.-chs. 561-568] to the main 122 entrance of any other package sale vendor who is operating such a business. 124 126 Exemption for on-premises consumption only. (gf) 128 (1) In those situations in which the holder of an alcoholic beverage license pursuant to the Beverage Law IF.S., Chapters 561-568] has the ability to use such package sale vendor 130 has a 4COP quota class license (for both on-premises and off-132 premises consumption sales), such licensee may choose to

expressly forego off-premises consumption sales for the location of business requested.; In such a case, the licensee would will not be 134 deemed a package sale vendor under this section for such a location and would will not be subject to the distance requirements 136 eited set forth in subsections (b). and (c) above. To ensure that the public, safety and welfare are preserved, any licensee choosing to 138 forego package sales for off-premises consumption, and thereupon not be deemed a package sale vendor at such location, shall so 140 agree in writing with a notarized statement, as a condition of obtaining zoning approval, to and prominently display at all times 142 within the establishment in the vicinity of the main cash register a sign with letters no smaller than three (3) inches and printed in a 144 legible style, stating "No Package Sales." 146 Upon any relocation of such licensee's business in which the distance requirements of subsection (b) 148 above are met, sSuch a 4COP quota class licensee may resume package sales for off-premises consumption at such location if: 150 it relocates its business to a site that 152 satisfies the distance requirements in subsection (b) and would not be required to display the aforementioned sign.; or 154 156 B. it rescinds in writing its earlier decision to forego package sales for off-premises consumption and satisfies the distance separation requirements in subsection (b). 158 160 Section 2. Amendments to Section 38-1415 ("Same; Distances from religious institutions, schools and/or adult entertainment establishments."). Section 38-1415 is 162 amended to read as follows, with additions being shown by underlines and deletions being indicated with strike-throughs: 164 Sec. 38-1415. Same Distances from between places of business for sale of alcoholic beverages and religious institutions, schools and/or adult entertainment establishments. 166 Places of business for the sale of alcoholic 168 beverages containing more than three and two-tenths (3.2) percent 170 of alcohol by weight for consumption on or off the premises may be located in the unincorporated areas of the county in accordance

with and subject to this chapter and specifically those zoning regulations regulating the location of places of business selling

alcoholic beverages containing fourteen (14) percent or more

172

174

alcohol by weight. No such place of business shall be established within one thousand (1,000) feet of an established religious institution or school; except as follows:

- (1) Such a place of business that is licensed as a restaurant and derives at least fifty-one (51) percent of its gross revenues from the sale of food and nonalcoholic beverages, pursuant to F.S., ch. 509, and the sale of alcoholic beverages is for on-premises consumption only, may be established no closer than five hundred (500) feet of the school, except that such a place of business that is located on property designated as activity center mixed use in the county's comprehensive plan may be established no closer than three hundred (300) feet of the school; or
- (2) Such a place of business that is located on property designated as activity center mixed use, does *not* derive at least fifty-one (51) percent of its gross revenues from the sale of food and nonalcoholic beverages, and is licensed for the sale of alcoholic beverages for on-premises consumption only, may be established no closer than five hundred (500) feet from the school, except that such a place of business may be established no closer than three hundred (300) feet from the school, provided that the county, pursuant to F.S. § 562.45(2)(a), approves the location as promoting the public health, safety, and general welfare of the community under proceedings as provided in F.S. § 125.66(4).

These distance separations shall not apply to vendors of beer and wine containing alcohol of more than one (1) percent by weight for consumption off the premises only.

- (b) No place of business that in any manner sells or dispenses alcohol for on-premises consumption shall be established within two hundred (200) feet of an adult entertainment establishment, as defined in section 38-1.
- (c) Distance from such a place of business to a religious institution, school, or adult entertainment establishment shall be measured by following the shortest route of ordinary pedestrian travel along the public thoroughfare from the main entrance of the place of business to the main entrance door of the religious institution, the main entrance door of the school (except as may be otherwise provided by applicable state law), or the main entrance door of the adult entertainment establishment. Notwithstanding the foregoing, the distance from a package sale vendor's location to a school shall be measured by following the shortest route of ordinary pedestrian travel along the public

thoroughfare from the main entrance of the place of business to any entrance to the school property that is used by students. 222 224 The location of all existing places of business subject to this section shall not in any manner be impaired by this section, and the distance limitation provided in this section shall 226 not impair any existing licensed location heretofore issued to and 228 held by any such vendor nor shall such vendor's right of renewal be impaired by this section; provided, however, that the location of any such existing license shall not be transferred to a new location 230 in violation of this section. 232 Distance requirements not applied to renewal, change in name or ownership, or change in certain licenses. The 234 distance requirements set forth above in subsections (a) and (b) shall not be applied to the location of an existing vendor when 236 there is: 238 (1) A renewal of an existing license; 240 (2) A transfer in ownership of an existing license; 242 (3) A change in business name; or (4) A change in a state issued 4COP license for 244 an existing package and lounge business that did not choose to forego package sales, to a 3PS license, and any decrease in the numerical designation of a state issued license which is of the same 246 series (type); provided that the physical location of the vendor establishment does not change. No increase in the series (type) of 248 state issued license shall be permitted at or for a location (new or existing) except in compliance with the provisions of sections 38-250 1414 and 38-1415. 252 Subsequent establishment of religious institution or school. Whenever a vendor of alcoholic beverages has procured a 254 license permitting the sale of alcoholic beverages and, thereafter, a religious institution or school is established within the applicable 256 distance separation requirement set forth in subsection (a), the establishment of such religious institution or school shall not be cause for the discontinuance or classification as a nonconforming 258
