Re: Board Discussion

Date: December 18, 2017

Subject: Open Discussion Item for the January 9, 2018 BCC Discussion Agenda Item

Due to the Wekiva BMAP 5 year Implementation Plan going into effect sometime this summer and the draft document available in late January; I would like to discuss the potential costs to the State, County and constituents in Orange County to implement the Nitrogen reduction plan.

Thank you.

A handwritten signature in cursive script that reads "Bryan Nelson".
