**Personal History:** My experience as a Real Estate Attorney has given me a working knowledge of land ownership, land use, zoning and development. For the past 10 years, I have served on a local housing authority and have seen, first hand, the need for good development to serve the local needs. Being born in Orlando and raised in the Orlando metropolitan, I have seen agricultural lands develop into urban and suburban developments. With limited resources, all

future development has to be balanced. I believe my background is well-suited to be a part of the Development Advisory Board.

**Personal History:** I have worked in the central Florida area for the past 17 years as a 9/11 call taker, state felony probation officer and a small business owner for 10 years. I now work as a health, personal and commercial insurance agent for the past 6 years. I have worked with many people who have needed assistance with finding housing, employment, needing social services and who needed assistance applying for disability. Due to my personal community service, I believe I will be able to make clear and concise decisions. I was a military police officer for many years which afforded me the opportunity to work with many local and federal agencies. I am solution oriented and will make time to attend each meeting. I am passionate about making a difference and hope that I am selected for one of the boards. I am extremely interested in the Affordable Housing Board, I wish I had the time to serve on all three at one time. The Affordable Housing Board meets quarterly, I would be able to serve on the Health Council of East Orlando simultaneously.
