Note: The equivalency matrix may be applied at the time of DP to allow for a deviation from those land use maximums outlined in the proposed development program, provided that the maximum FAR and residential density established by the Future Land Use designation are maintained.

WEST PARCEL

ACCESS NOTES:

- Western Way and Flamingo Crossings Blvd. are owned and maintained by RCID. Improvements to both rights of way, including the extension of Western Way to CR545/Avalon Road will be completed by RCID prior to the phase of development which requires these improvements for access.
- The northernmost access point on the east parcel is to be shared with the parcel to the north. Appropriate cross-access agreement(s) will be executed between the two parcels.
