SUBJECT: April 10, 2018 – Consent Item  
County-Initiated Street Name Change – Cypress Pavilion  
Parkway

The Zoning Division received information regarding the duplicate use of Cypress Springs Parkway and Cypress Springs Parkway S. The roadways are located just east of Dean Road and north of Curry Ford Road.

The duplicate names recently caused difficulty for first responders in responding to a medical emergency. While the County has adopted Resolution No. 2015-M-12 for Street Name Petitions when a name change is desired by the public, staff is requesting this County-initiated street name change for the benefit of the public's safety. The only affected property owners, Orange County Public Schools and the Cypress Springs Home Owners Association, have been contacted and support the name change. Staff will notify all of the property owners with frontage along the street advising them of the name change after approval of the request. The portions of Cypress Springs Parkway S will be renamed to Cypress Pavilion Parkway.

**ACTION REQUESTED:** Approval of the County-initiated street name change to rename Cypress Springs Parkway S to Cypress Pavilion Parkway to ensure public safety and authorization for County staff to update associated records. District 4
