Subject: Open Discussion Item: 1602 N Goldenrod Rd.

At the April 10, 2018 Board of County Commissioners Meeting, I would like to discuss using the County-owned building at 1602 N Goldenrod Rd. as a neighborhood center. This facility is in an area with a large number of Hispanic families, making it strategically placed to provide resources to non-profits serving Orange County's growing Hispanic population.

Thank you.

Subject: Open Discussion Item: Rural East Protection Plan

At the April 10, 2018 Board of County Commissioners Meeting, I would like to discuss creating a county-wide referendum that would go on the August ballot for the voters to decide whether or not a rural boundary shall be established.

In 2004 Seminole County Charter was amended by a referendum vote to formally establish and defined the Rural Boundary and Rural Area and I would like to discuss something similar for Orange County.

Thank you.
